Southern Nights:

Southern Nights Janet Dailey, 2014-04-01 Florida gets hot in the New York Times bestselling author's Americana series when a woman is torn between her fiancé and his gorgeous brother. Discover romance across America with Janet Dailey's classic series featuring a love story set in each of the fifty states. Barbara has been hurt by love before but now after only a month together she's found the man she wants to marry. Todd is good to her and excited to be taking her to see his family's ranch in Florida. As happy as they are, Barbara is still haunted by the memory of another man and Todd feels the need to warn her about his tomcat of a brother, J.R. When they get to the ranch, they discover just how right Todd was to be concerned. Because J.R. is none other than Jock, the man Barbara can't seem to forget. Rapt with desire for both men, Barbara doesn't know how she could possibly choose between them. And with neither brother backing down, Florida is about to get hotter than it's ever been.

Southern Nights Barry Gifford, 2019-01-15 God in these Southern Nights is only another possibly deranged near relative cast in the only nonspeaking part in this human drama. Everyone else talks and talks. And it's the dialogue in these novels that makes them three of Gifford's best reminders of the author's seemingly unlimited range and versatility: a comic tragic genius for our time. Night People Arise for the copious raw violence, for the invented religions and gods that make people do things, and for all the other horrors that somehow cohabit affably with the genuine pathos and loveliness of the many unforgettable characters and the things these characters say so winningly that we've never heard anyone say before.

Southern Nights Amie Louellen, 2016-04-11 The heat is on and we're not just talking about the summer sun. Passions flare when these Yankees wander below the Mason-Dixon line and end up locking horns with some sweet drawling southerners who know how to get what they want. Southern Hospitality When Yankee reporter Roxanne Ackerman's car breaks down on her way to Memphis, she somehow winds up as a murder suspect, surrendered into the custody of her ultra-conservative yet oh-so-sexy attorney, Malcolm B. Daniels IV, for the weekend. He's nearly engaged, running for U.S. Senate, and really does not need this gorgeous wild woman in his life right now. He just has to show her a little Southern hospitality until Monday morning. But the more time they spend together, the more sparks fly between them. What if, when the weekend ends, he doesn't want to let her go? Southern Comfort A Confederate ghost who haunts a house in Turtle Creek, Mississippi, once a month is exactly the kind of story Chicago freelance reporter Newland Tran needs to bounce back from a career in disgrace. But Natalie Coleman stands in his way with her family responsibilities; she doesn't have time to humor a journalist seeking spooks in her house. But it turns out there's more to the ghost than just a story, and Newland discovers there's more to Natalie than he ever dreamed. Can the unlikely pair discover the truth behind the eerie goings on before Newland succumbs to Natalie's brand of southern comfort? Sensuality Level Sensual
