Southern Exposure:

Southern Exposure Linda Lightsey Rice, 2016-04-19 A lyrical voice from the South weaves a searing psychological drama around a small town shocked by its first murder hurtling a calm and complacent community into a harrowing realm of alienation and distrust Essex South Carolina is a town where doors are never locked until an elderly widow is murdered in her bed Stoney McFarland and his wife Anna have returned to his hometown in hopes of rebuilding their connection But Stoney's obsession with the murder investigation his efforts to restore the town threaten deeply buried secrets other townspeople are desperate to suppress From eerie voodoo rituals in the mist shrouded swamps to the Old South matriarch who fears a dead woman to the Civil Rights activist searching for the mother who abandoned her the town is soon fractured by the twin perils of public danger and private exposure The story reaches a devastating climax when it becomes clear what some people will do to protect the place they love A lushly atmospheric novel that confronts complex ideas about bigotry love and modern society *Southern Exposure*, 1997 **Southern Exposure** Michael Molasky, Steve Rabson, 2000-08-01

Southern Exposure is the first anthology of Okinawan literature to appear in English translation and it appears at a propitious time Although Okinawa Prefecture comprises only one percent of Japan's population its writers have been winning a disproportionate number of literary awards in recent years including the prestigious Akutagawa Prize for fiction which was awarded to Matayoshi Eiki in 1996 and to Medoruma Shun in 1997 Both Matayoshi and Medoruma are represented in this anthology which includes a wide range of fiction as well as a sampling of poetry from the 1920s to the present day Modern Okinawa has been forged by a history of conquest and occupation by mainland Japan and the United States Its sense of dual subjugation and the propensity of its writers to confront their own complicity with Japanese militarism imbues Okinawa's literary tradition with insightful perspectives on a wide range of issues But this tradition is as deeply rooted in the region's lush semitropical landscape as in the forces of history As this anthology demonstrates Okinawan writers often suffuse their works with a lyricism and humor that disarms readers while bringing them face to face with the region's richly ambiguous legacy *Facing South* David Bowman, Anita Parlow, Carl Abbott, Wayne Greenhaw, Allen Tullos, John Sicheloff, Bill Finger, Valerie Quinney, Chip Hughes, Alvin Rosenbaum, Susan Moss, Throughout the country and even this region people view the South through myth and stereotype It's not surprising If they turn to newspapers to television and radio to popular films and literature to most history books and folklore they encounter these distortions They find insulting portraits of Southerners whitewashed presentations of southern economics and politics selective visions of history misunderstandings of relationships between people and between people and their land and work Many trivial qualities are romanticized other important ones are totally ignored Blacks are presented only as victims of racism and labor struggles are completely forgotten This view is inevitable when people simply treat the South as an aberration of mainstream America or a remnant of some past culture We at *Southern Exposure* look at the South from another perspective This is our home we are of it and examine it that we may

know more of ourselves and our neighbors These are the politics and culture that surround us and affect us daily that we must analyze praise and attack so our lives can grow and prosper And this is the ground from which we must view the larger world By listening to local tobacco farmers discuss the pressures on them to expand or die we can better understand Earl Butz s plan for US agribusiness By hearing a bluesman s story we come to appreciate how a particular culture evolves from material hardship and inspires immense creativity

Southern Exposure began to take form Its creation has taken us back into history and deep into the meaning of our own lives As we set out to understand the situation of Southern women we found ourselves in search of our mothers gardens We found ourselves naming an experience we share across the generations So many of the stories that I write Alice Walker discovered are my mother s stories To speak in our own voices we had first to give expression to a promise song that has been there all along *Growing Up Southern (1980)* Robert Cooper,Alferdteen Harrison,Elaine Brockman-Jones,Tayari Salaam,Tom McClanahan,Sara Brooks,Thordis Simonsen,Nathalie Andrews,Mamie Garvin Fields,Mab Segrest,Alma Blount,Robert Houston,Danny Gafford,Valerie Quinney,Dorothy Williams,Steve Roberts,Caroline Smith,Amelia Midgett,Ame Gray,Rick Scarborough,Honoree Jeffers,Colleen Davenport Taylor,Bill Blanton, GROWING UP SOUTHERN The words evoke a tide of images both bitter and sweet overalls and organdy hot green fields cool brown creeks Grandma s front porch lengthy and complicated family connections Mama s fried chicken and biscuits and Granddaddy s cane syrup colored water fountains and white ones church chores Dixie and hot dark dangerous summer nights Today s Southern children get their biscuits as often from Hardee s as from Mama On Saturday afternoons they re as likely to cool off in the local shopping mall as in a shady spring fed swimming hole But Grandma and Grandpa and Uncle Joe and Aunt Elaine loom large in the lives of today s Southern kids just as they did in those of earlier generations The hard work many children still do isn t likely to be acknowledged by their elders colored and white labels are less blatant but they still constrict the futures of this generation s Southern children *Crowing Up Southern* explores the continuities and the chasms between the lives of Southern children today and in the past *Covering for the Bosses* Joseph B.
