Southern Song:

Dreaming the Southern Song Landscape Valérie Malenfer Ortiz, 2024-03-25 Establishing a new approach to reading Chinese landscape painting this work centers around an early key example of scholarly painting viz Dream Journey on the Xiao and Xiang Rivers late 12th century The author restores the status of Dream Journey as a cultural icon for Confucians an object of contemplation for aesthetes an imaginary dream journey for poets and an incentive to cultivate one's moral intentions for both Buddhist monks and lay scholars Also it is convincingly argued that scholarly painting originates in the Southern Song 1127-1279 and not as is commonly thought in the Yuan Dynasty 1279-1368 Old Southern Songs of the Period of the Confederacy, 1926 Wu Wenying and the Art of Southern Song Ci Poetry Grace S. Fong, 2014-07-14 The author begins with a biography exploring the moral and aesthetic implications of Wu's life as a guest poet patronized by officials and aristocrats and continues with a reconstruction of the historical and literary context needed for modern readers to grasp his poetic techniques Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **Southern War Songs: Camp-Fire, Patriotic and Sentimental** Various, 2023-09-17 Southern War Songs Camp Fire Patriotic and Sentimental is a rich anthology that captures the emotional landscape of the American Civil War through music Comprising a diverse collection of lyrics and melodies that reflect the Southern experience this volume showcases the intersection of art and conflict weaving together themes of courage loss and longing The literary style is characterized by its emotive language and rhythmic cadence drawing readers into the fervor of campfire gatherings and the nostalgia of a divided nation Each song serves as a poignant reminder of the cultural milieu of the time imbuing the text with historical significance while also inviting personal reflection The contributions of various authors to this compilation underscore a collective yearning for identity and belonging amidst the turmoil of war As many of these songs emerged from soldiers civilians and songwriters alike they reveal the societal undercurrents that fueled the Southern narrative The cultural context surrounding this anthology highlights the role of music in wartime as both a source of solace and a rallying cry illustrating how creativity thrived even in the face of adversity I recommend Southern War Songs to readers with an interest in American history musicology or literary studies This anthology not only provides insight into the emotional depths of the Civil War era but also serves as a captivating testament to the resilience of the human spirit Engage with this remarkable odyssey of sound and sentiment and rediscover the voices that defined a tumultuous chapter in American history **The History of Chinese Tomb Murals** Xiaoyang Wang, 2025-10-25 As one of the few monographs available on the history of Chinese tomb murals
