Southern Soul Poetry:

Southern Soul Poetry Sherry M. Alfred, 2005-11-01 I present to you perhaps one of the most compelling stories you will ever read It s the story of my daughter who died suddenly in a head on collision just six weeks short of her 19th birthday on June 28 1996 There are a number of reasons why I have written this book and why it may be widely accepted Foremost is the fact that I chronicled her extraordinary life from the eyes of a loving father Sweet Angel is a heartwarming story about the life of a young woman who was adored by all that knew her not because she was perfect but because she wasn t Danielle was a microcosm of all of us She taught us how to look adversity in the eye and overcome it She did it over and over again She fought demons figuratively within her and won Good defeated bad She was redeemed She asked for forgiveness and received it Her life ended in tragedy but even in death she was triumphant Danielle wrote 19 songs and sang them all over three states She was referred to as a singing prophet She named one of her songs Sweet Angel She sang of an angel that was shining down upon her and telling her that her time was short The angel did not frighten Danielle As a matter of fact the angel comforted Danielle Danielle loved life to the fullest but was aware of its frailties There were many spiritual events before her death and even more since But while she was with us there was no one who was more alive and sensitive to the world that surrounded her Danielle Diana Heard was gifted with several incredible talents Many have said that she had the singing and song writing talent of Jewel and the acting ability of Meg Ryan Her talent agent was quoted as saying Out of over 300 she stood out Her beauty and talent just blew me away She would have been really really big He was about to take Danielle to Los Angeles to meet movie and record producers But her greatest gifts may have included her compassion for all of mankind her love of animals and Mother Nature and her devotion to God As you read Sweet Angel you will laugh with her cry with her and love her as if you have always known her She would want you to get to know her And once you do get to know her you will never forget her To buy Amy Heard s CD go to <http://www.amyheard.com> *Poems and Stories from a Liberal Old Southern Soul* Kate Griffin, 2017-11-03 Kate Griffin s first volume of poems and essays is her sixth book and reflects her love and thoughts of her native South and its people the good the bad and the ugly **A Study in Southern Poetry** Henry Jerome Stockard, 1911 **The Southern Literary Messenger** , 1839 Southern Identity and Southern Estrangement in Medieval Chinese Poetry Ping Wang, Nicholas Morrow Williams, 2015-01-01 From ancient times China s remote and exotic South a shifting and expanding region beyond the Yangtze River has been an enduring theme in Chinese literature For poets and scholar officials in medieval China the South was a barbaric frontier region of alienation and disease But it was also a place of richness and fascination and for some a site of cultural triumph over exile The eight essays in this collection explore how tensions between pride in southern culture and anxiety over the alien qualities of the southern frontier were behind many of the distinctive features of medieval Chinese literature They examine how prominent writers from this period depicted themselves and the South in poetic form through attitudes that included patriotic attachment and bitter exile

By the Tang dynasty poetic symbols and clichés about the exotic South had become well established though many writers were still able to use these in innovative ways *Southern Identity and Southern Estrangement in Medieval Chinese Poetry* is the first work in English to examine the cultural south in classical Chinese poetry The book incorporates original research on key poets such as Lu Ji Jiang Yan Wang Bo and Li Bai It also offers a broad survey of cultural and historical trends during the medieval period as depicted in poetry The book will be of interest to students of Chinese literature and cultural history Ping Wang is assistant professor of Chinese at University of Washington Seattle Nicholas Morrow Williams is research assistant professor at the Mr Simon Suen and Mrs Mary Suen Sino Humanitas Institute Hong Kong Baptist University A long overdue appreciation of the South as a center for the production of medieval Chinese literature as well as a focal point of Chinese cultural and intellectual reflection and identity this collection of essays by a stellar roster of leading scholars offers an immensely rich contribution to the study of classical Chinese poetry Martin Kern Greg 84 and Joanna P13 Zeluck Professor in Asian Studies Princeton University This book presents a systematic study of how the symbol of the southland was reinvented in medieval Chinese literature taking readers on a cultural and geographic journey to survey the continuous rewriting of the South and its identity Yu Yu Cheng Distinguished Professor of Chinese Literature National Taiwan University
