The Gholan Gate

E.C. Tubb

The Gholan Gate:

The Terridae E.C. Tubb, 2011-09-29 Zabul was no ordinary world. It was a private religious sanctuary, location secret, visitors unwelcome. It was a world fanatically dedicated to one belief and to one goal. The belief that mankind originated on a single world, the goal was to find it. To find Earth was a goal that Earl Dumarest shared. But how much did he really have in common with the zealot Terridae who slept in caskets decorated with the zodiacs and dreamed of soaring towers of crystal and floating cities? And what were their despotic Guardians really after? First published 1981. Future and Fantastic Worlds Sheldon Jaffery, 1987-01-01. *Future and Fantastic Worlds* embodies an unusual approach to the field of bibliographic research, including over 700 annotations of every DAW book published through mid 1987, with indexes by author, artist, and title, providing a massive guide to modern SF writers and their works, with much background data. Interspersed throughout the book are numerous wry, irreverent, and amusing observations offered by the late and highly respected researcher in this extremely valuable genre tool. **Monster of Metelaze** E.C. Tubb, 2011-09-29. *Destiny awaits the world of Metelaze. Mighty will be our future. To us will come the races of the galaxy. To us will come the wealth of a universe. Too long have we rested beneath the Terran heel. Very soon now we shall strike off the chains of our oppressors. Metelaze shall be free.* This sort of propaganda was always common among the demagogues of backward planets that had received help from Terra. But Metelaze was different. For there the promise held out was that secrets of the ancient pre-galactic science were becoming available, that an offer was being made that could not be refused. To Cap Kennedy fell the task of finding out. Were there really unknown scientific marvels available on Metelaze? Who was behind these offers of total power and absolute wealth? What, in fact, was the monster of Metelaze? And how could such a monster, out of time and space, be stopped? *Jondelle* E.C. Tubb, 2011-09-29. *Earth is real. Dumarest insisted. A world old and scarred by ancient wars. The stars are few and there is a great single moon which hangs like a pale sun in the night sky. In the quest for his legendary birthplace, Earl Dumarest has traversed galaxies. Now at least he reaches Ourelle, a planet close to Earth, out along a far arm of the Milky Way. There he finds Jondelle, a boy who may hold the key to Earl's search. But then Jondelle is kidnapped. And Dumarest's pursuit of the imperilled boy leads him to a city of paranoiac killers, madmen whose terrible violence is always on a hair trigger.* First published 1973. Stardeath E.C. Tubb, 2014-01-30. *Ships occasionally disappeared in hyperspace, regrettable sacrifices to the luxury of faster-than-light travel. But now one of the lost ships has been found, and the wreckage is enough to terrify even the most cold-blooded witness. The lucky ones on the lost ship are dead. The others have been turned inside out in gruesome parody of human beings, and they are still alive. The disgraced Captain Kurt Varl is chosen to command a suicide mission to discover the cause of these disasters. The enemy is unknown, and the only way Varl can solve the mystery is to use himself as bait.* **Deraï** E.C. Tubb, 2011-09-29. *Still driven by his search for Man's fabled birthplace, Earl Dumarest accepts a commission to guard the Lady Deraï, heiress to the proud House of Caldor, on the feudal world of Hive. On Deraï's home planet*

Dumarest had hoped to meet a living witness to Earth But instead he finds himself in the lists of the deadly Contest on Folgone with the Lady of Caldor as prize And on Folgone for the first time Dumarest confronts the Cybers ruthless emotionless tools of a great Gestalt which holds the mighty of the universe in its grip a power which may yet provide him with the key to his quest for Earth **The Freedom Army** E.C. Tubb,2013-12-30 To escape war and suffering humanity had allowed itself to take a drug that killed all emotion But a small number of insurgents including the returning astronauts from a mission to Mars had refused to take the drug and waged an armed rebellion The last survivors of the Freedom Army were holed up in a besieged bunker when one of their number the physicist Burges constructed a gateway to another dimension an alternate existence Ex space pilot Lanson leads the remnants of his Freedom Army in escaping through the gateway only to find themselves in an alternate world where humanity has been enslaved for the last 30 years by a toad like alien race the Zytlen **The Extra Man** E.C. Tubb,2011-09-29 There were two Rosslyn the pilot and Comain the dreamer Rosslyn died in space frozen preserved for two centuries until found and resurrected by a miracle of future surgery Comain Comain remained on Earth and crystallised his dreams and when Rosslyn returned he found a civilisation beyond his wildest imaginings Women ruled the planet guided solely by the automatic and relentless predictions of a tremendous and frightening machine A machine that foretold the future and determined the actions of an entire world with devastating accuracy Into this assured and new civilisation Rosslyn came and the impact of his presence brought near chaos He had to be assimilated or eliminated **Nature & Science on the Pacific Coast** ,1915 *Secret of the Towers* E.C. Tubb,2014-01-30 By order of the World Council a vast chain of towers was being constructed across the globe The people were told that the towers would provide free universal power from broadcast energy When Statander a member of the World Council questioned their construction he was assassinated to ensure his silence But there was one other who shared Statander's suspicion Altair the Thief whose father had also been killed for a similar reason Just one man a criminal and a fugitive but a man determined to uncover the monstrous secret that had led to their deaths the secret of the towers

The Gholan Gate: Bestsellers in 2023 The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have captivated audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. The Gholan Gate : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and suspenseful novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
