Into the Wind Paul Edgley,2021-11-09 The subtropical lifestyle of this vibrant river city with the rush and tear left behind when two young hopefuls headed north in an old blue panel van was now ours Our children could grow in our adopted city and state beautiful one day perfect the next We popped the cork of our sparkling white wine The clock ticked towards midnight With one little Croweater and two little Sandgropers snug in their Sunshine State beds we clinked our glasses Our future looked bright the year 1989

Herding the Wind Sindhunata,2019-01-07 What is the meaning of a vast deep sea if love wishes to cross it and dive into it my friend sang Anila The monkeys all stopped their work to dance and answer Anila s riddle The sea will become a lake and love will become a pair of golden puppets on the water s surface The depth of the ocean will vanish the vastness of the sea will be crossed and the pair of golden puppets will bathe in the lake What is the meaning of two very distant lands if love wishes to unite them my friend asked Cucak Rawun The vast land will become but a handful of earth traversed by the wings of love Who else other than love can fly like a bolt of lightning Not just land but even heaven can be crossed in just an instant if love flies with its wings answered the monkeys in response to Cucak Rawun s song What is the meaning of a high and mighty mountain if love wishes to destroy it my friend Kapi Menda sang loudly and melodiously The mountain will be razed to the ground and the lovers who were hiding on opposite sides of it will face each other Even though they had been yearning for each other when they were apart they will be shy when the mountain that had kept them apart collapses But as the power of the mountain crumbles their shyness will also crumble and they will embrace each other on the remains of the mountain that

once separated them answered the monkeys Herding the Wind is a beautiful retelling from the great epic Ramayana This book tells the story about the journey of Rama and Sita their exile and pursuit of love Not only recites divine characters this book also tells about unique characters like Anoman and bajang child who bring hope and joy Since it was first published this book gained widely acceptance among readers **The Boy Who Harnessed the Wind** William Kamkwamba, Bryan

Mealer, 2009-09-29 William Kamkwamba was born in Malawi a country where magic ruled and modern science was mystery It was also a land withered by drought and hunger and a place where hope and opportunity were hard to find But William had read about windmills in a book called Using Energy and he dreamed of building one that would bring electricity and water to his village and change his life and the lives of those around him His neighbors may have mocked him and called him misala crazy but William was determined to show them what a little grit and ingenuity could do Enchanted by the workings of electricity as a boy William had a goal to study science in Malawi's top boarding schools But in 2002 his country was stricken with a famine that left his family's farm devastated and his parents destitute Unable to pay the eighty dollar a year tuition for his education William was forced to drop out and help his family forage for food as thousands across the country starved and died Yet William refused to let go of his dreams With nothing more than a fistful of cornmeal in his stomach a small pile of once forgotten science textbooks and an armory of curiosity and determination he embarked on a daring plan to bring his family a set of luxuries that only two percent of Malawians could afford and what the West considers a necessity electricity and running water Using scrap metal tractor parts and bicycle halves William forged a crude yet operable windmill an unlikely contraption and small miracle that eventually powered four lights complete with homemade switches and a circuit breaker made from nails and wire A second machine turned a water pump that could battle the drought and famine that loomed with every season Soon news of William's magetsi a mphepo his electric wind spread beyond the borders of his home and the boy who was once called crazy became an inspiration to those around the world Here is the remarkable story about human inventiveness and its power to overcome crippling adversity The Boy Who Harnessed the Wind will inspire anyone who doubts the power of one individual's ability to change his community and better the lives of those around him *Wind Devouring The World* Hei AnDeTianKong, 2020-04-08 The soul of an emperor level vampire from Earth had taken over the super useless body of the foreign land How could the lonely him make his new life so exciting Close **Lady of the Star Wind** Veronica Scott, 2016-05-17 *Written in the Wind* Thunkoomar Bhayro, 2015-12-29 Written in the wind a revised version of the book published in Europe in 2013 ISBN 978 1 291 49267 5 under the title of The Life and Times Of a Mauritian Expatriate is about a study of life wrapped around the story of man and his surroundings his past his present and his future It uses as a vehicle the life of one individual to explore issues concepts phenomena and life events like birth youth old age retirement and death slavery the sega dance indentureship the Hindu marriage and festivals the mind consciousness awakening and self realisation dreams outer space and the bottom of the oceans the vulnerability of the planet earth and the
