

A close-up photograph of two hands, palms facing each other, cupped together to form a bowl shape. A bright, warm, golden-yellow light emanates from the center of the hands, creating a soft glow. The background is dark and out of focus, showing some vertical lines and bokeh light spots. The text "Reiki Healing" is centered over the light in a white, serif font with a slight drop shadow.

Reiki: Universal Gift of God's Healing Love Level I and II Training Manual Eileen Curteis, 2011 After seventeen years as a practitioner and teacher of Reiki, Sister Eileen has been astonished by the sheer number of people who have continued to stream through the door. People of all ages and traditions have come seeking their healing and finding it as Eileen did when she first embarked on this foreign road that soon became home to her. Eileen has come to recognize through her many years of practice that there is an inherent healing power within each of us and that the gift of Reiki is able to activate it. In her training manual, Eileen brings with her a core community of Reiki practitioners from different traditions and backgrounds that journey alongside her and recognize as she does the simplicity, wonder, and beauty of God's universal gift for our time. The healing stories are too numerous to count, but she does include specific testimonials within her training manual that speak for the thousands of others who have been healed through the doorway of Reiki. In this way, Eileen's Level I and II training manual becomes a living testimony as she thoroughly covers all the information required to be a successful and competent Reiki practitioner. Written with inspiration and clarity, Eileen takes the reader on an amazing journey into the dynamic world of the inner self. Like a fresh current of air, she presents her material in an appealing and easily digestible manner. The uniqueness of Eileen's Reiki training manual lies in her ability to weave the Christ-conscious healing dimension into it just as an alchemist would when producing gold. In this way, Eileen shows how the revered eastern practice of Reiki, discovered by Dr. Mikao Usui, a Japanese Buddhist, in the early 20th century, can blend perfectly with a Christian heritage of healing where the one enhances the other. At the same time, she shows how this simple, profound method of healing transcends cultural and religious boundaries in a way that makes this universal gift of Life Force Energy accessible to anyone. Often, people who encounter Reiki for the first time experience an inner bliss and harmony which leads them to explore the gift more fully. Others go away from the treatment or training feeling restored, refreshed, and renewed. Reiki, the universal Life Force Energy of God, is not a new invention or modern-day fad. Its roots are planted deep in ancient history. In the Old Testament, Life Force Energy was spoken about eloquently and has been pulsating through the whole of creation from the beginning of time. Even science and the world of medicine are looking at this complementary form of healing called Reiki with fresh new eyes. Its worldwide impact can no longer go unnoticed. *Born to Heal* Elke Petra Palm, 2025-02-19 A powerful story of how an inspired woman determined to find her purpose became a skillful Spiritual Healer helping create change in

Francine Milford, 2013-04-29 Chakra Reiki Healing is a system of natural healing that combines the healing power of Reiki with knowledge of the chakra system. There are three levels of training in this certification: Level One, Level Two, and Level Three, the Master Certification. In Chakra Reiki Healing Level One, you will learn the seven hand positions for the Endocrine system. Each hand position represents a body organ, organ system, and one or more meridians systems of the body for a total body healing session. Also covered in this manual is hand positions for healing self and positions for healing others. A section in the back of the book will cover protocols to some common ailments and issues. In Chakra Reiki Healing Level One Manual, you will take the next step in using your knowledge of the chakra system to add or subdue the chakras. The student will learn to see a body complaint as either too much or too little. In seeing this, the student will learn how to know whether they should tone or sedate a given chakra.
