The Girl:

The Girl's Guide to Being a Boss (Without Being a Bitch) Caitlin Friedman, Kimberly Yorio, 2007-05-01 Forget what you've heard. Nice girls can get the corner office. As women, we haven't always had the best role models at work. We've either worked for men or we've had female bosses who are well, big bitches. Women still don't have much of a road map right now when it comes to taking charge at the office, so the team who brought you the national bestseller *The Girl's Guide to Starting Your Own Business* is drawing one for us. Caitlin Friedman and Kimberly Yorio will teach you to be powerful without being possessive, to be opinionated without being brassy, and to have a strong voice without micromanaging. You'll learn just how to own the role of queen bee in a positive way so that you can be more mentor than manager, one who leads, inspires, and motivates. So you finally got that promotion. You're the boss now. The supervisor. The manager. The captain. The taskmaster. Those days of taking orders, running errands, and clock watching are over. As exciting as all this might seem, once the rush of the promotion is over, you might be scratching your head, wondering exactly what to do. Being the boss is never easy, but it's twice as hard for a woman. It seems like there's no middle ground. Either you're the dragon lady who rules with an iron fist or the mousey girl who gets drowned out at every meeting. When a woman wields authority and dares to make tough decisions, how often is the B word bandied about by her employees? How can she strike that balance between pushover and dictator? Fear not. You can do the job. All you need is a little helpful advice to send you on your way. Whether you supervise two as a shift manager or lord over an entire corporate empire, Caitlin Friedman and Kim Yorio will show you how to step gracefully into your new position of power. They'll teach you how to motivate your team without alienating them, how to delegate without feeling guilty, how to deal with office politics, and how to handle evaluations, promotions, and even firings. And for those of you who are already running the show, they can help you become the mentor your employees deserve. Inside, there are self-assessment questionnaires to help you find out where you land on the bitch or wimp scale, interviews with prominent female bosses, human resources directors, and therapists, and advice from a whole host of experts. In addition, there are funny and informative checklists and tips to make sure you're the Good Witch around the office and not the Big Bitch. And most important, Caitlin and Kim will teach you the secrets to owning your role and loving it. You've earned your promotion, so enjoy it.

Music in The Girl's Own Paper: An Annotated Catalogue, 1880-1910 Judith Barger, 2016-09-13 Nineteenth-century British periodicals for girls and women offer a wealth of material to understand how girls and women fit into their social and cultural worlds, of which music-making was an important part. *The Girl's Own Paper*, first published in 1880, stands out because of its rich musical content. Keeping practical usefulness as a research tool and as a guide to further reading in mind, Judith Barger has catalogued the musical content found in the weekly and later monthly issues during the magazine's first thirty years: in music scores, instalments of serialized fiction about musicians, music-related nonfiction, poetry with a musical title or theme, illustrations depicting music-making, and replies to musical correspondents. The book's introductory chapter

reveals how content in The Girl's Own Paper changed over time to reflect a shift in women's music making from a female accomplishment to an increasingly professional role within the discipline using the piano girl as a case study A comparison with musical content found in The Boy's Own Paper over the same time span offers additional insight into musical content chosen for the girls magazine A user's guide precedes the chronological annotated catalogue the indexes that follow reveal the magazine's diversity of approach to the subject of music Scouting for Girls Girl Scouts of the United States of America,1920 **The Girl's Own Annual** ,1899 **Historic Girlhoods** Rupert Sargent Holland,1910 **Journal of the Bihar and Orissa Research Society** Bihar and Orissa Research Society,1926 **Michigan Living - Motor News** ,1925 **Journal of the Outdoor Life** ,1929 **Importing Women for Immoral Purposes** United States.
