The Glasgow Diary:

The Glasgow Diary Donald Saunders, 1984 *Willing's Press Guide*, 1931 A guide to the press of the United Kingdom and to the principal publications of Europe Australia the Far East Gulf States and the U S A *The Victorian Diary* Anne-Marie Millim, 2016-02-17 In her examination of neglected diaristic texts Anne Marie Millim expands the field of Victorian diary criticism by complicating the conventional notion of diaries as mainly private sources of biographical information She argues that for Elizabeth Rigby Eastlake Henry Crabb Robinson George Eliot George Gissing John Ruskin Edith Simcox and Gerard Manley Hopkins the exposure or publication of their diaries was a real possibility that they either coveted or feared Millim locates the diary at the intersection of the public and private spheres to show that well known writers and public figures of both sexes exploited the diary's self reflexive diurnal structure in order to enhance their creativity and establish themselves as authors Their object was to manage rather than to indulge or repress their emotions for the purposes of perfecting their observational and critical skills Reading these diaries as literary works in their own right Millim analyses their crucial role in the construction of authorship By relating these Victorian writers diaries to their publications and to contemporary works of cultural criticism Millim shows the multifarious ways in which diaristic practices emotional management and professional output corresponded to experiences of the literary marketplace and to nineteenth century codes of propriety **British Diaries** William Matthews, 2023-04-28 William Matthews *British Diaries 1442 1942* An Annotated Bibliography offers an unparalleled exploration of British diary literature spanning five centuries This meticulously compiled resource catalogs diaries from diverse perspectives ranging from monarchs to farmers scholars to soldiers and clergy to craftsmen providing a comprehensive cross section of British society across eras With annotations that highlight the unique content and context of each diary the bibliography serves as an invaluable guide for scholars of history linguistics sociology and cultural studies This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1950 **Willing's Press Guide and Advertisers' Directory and Handbook**, 1906 *The Diaries Of Charles Greville* Edward Pearce, 2011-02-28 Charles Greville 1794 1865 made his first occasional diary entries in 1814 but the diary only became a regular habit in the mid 1820s continuing with occasional breaks about which he is self reproachful through the reigns of George IV William IV and Victoria Finally in 1860 after shaking his head over the worrying triumphs of Garibaldi he closed it once and for all The grandson of a duke Greville looked with a level and scornful eye upon royalty George was the most worthless dog that ever lived William the silliest old gentleman in his own dominions but what can be expected of a man with a head like a pineapple The diaries roused Queen Victoria an odd woman from the lethargy of her widowhood She spoke of Greville's indiscretion indelicacy ingratitude toward

friends betrayal of confidence and shameful disloyalty Greville's circle included Talleyrand Wellington Macaulay Sydney Smith Princess Lieven Lord Grey Melbourne Guizot and Disraeli as well as jockeys bookmakers and blackguards As Clerk of the Privy Council Greville works for a compromise on the Reform Bill He witnesses Covent Garden theatre burning down His closest friend Lord De Ros is caught cardsharpping Visiting Balmoral he finds Albert and Victoria living not merely like small gentlefolks but like very small gentlefolks When cholera comes he writes laconically of Mrs Smith young and beautiful taken ill while dressing for Church and dead by nightfall Not a chatterbox Charles Greville brilliantly assembles everyone else's chatter This is the intelligent voice of another age an uneasy aristocrat catching history on the turn and looking dubiously at the future

Diaries George Orwell, 2012-08-20 George Orwell was an inveterate keeper of diaries Eleven diaries are presented here covering the period 1931-1949 from his early years as a writer up to his last literary notebook

The Broadview Anthology of Victorian Prose, 1832-1901 Mary Elizabeth Leighton, Lisa Surridge, 2012-08-20 The Victorian era witnessed dramatic transformations in print culture and this new anthology covers the exciting intellectual and social debates of the period From first person accounts of the lives of factory workers to Oscar Wilde's aesthetic theory and from narratives of British travelers in Africa and Asia to Havelock Ellis's theories of sexual inversion the surprising diversity of nineteenth century nonfiction writing is represented Illustrations from Victorian periodicals provide a vivid sense of the original reading experience The book's thematic organization emphasizes the social and historical contexts of prose writings as well as the way in which these writings address each other In addition to a general critical introduction the anthology features new thematic introductions by experts in the field

Alasdair Gray Stephen Bernstein, 1999-10 Since the publication of *Lanark* in 1981 Alasdair Gray has been a figure of importance in contemporary literature Now through attention to mixed genre counter historical narrative and the thematics of memory this first study of Alasdair Gray's novels shows the coherence of the Scottish writer's varied body of work Stephen Bernstein refuses to view Gray's work through the vague lens of postmodernism seeing Gray instead as a writer at home in a variety of literary traditions Beginning by providing an American audience with backgrounds to Gray's work this study recounts the chronology of his publications and their reception by an international audience simultaneously placing his writing in the contexts of Scottish culture and literature
