she shares her journey from the darkest moments of her life to finding herself learning to forgive the past and seek light and clarity and let them lead the way forward Her story will open your eyes and mind to what s possible It proves that even when you are at your absolute lowest and fear you ll never find your way out of despair shame or a lifetime of guilt there is hope on the other side While there are many reasons for her to feel sorry for herself she chose another path one that helped her heal from the trauma and discover who she was and what she had to do to feel comfortable in her skin and heal from all the things that weighed her down for years She found a path forward She made a pact with herself to stop living the life of a broken angel and embrace what she calls her alchemy That s how this book came to be It s her way of helping others who ve known pain and made it to the other side She is giving readers permission to not only survive but thrive by igniting their own alchemy and using it to transform their lives from the inside out **Inspiring Glass Angels** Pasquale De Marco,2025-04-06
