The Glass Mermaid:

The Glass Mermaid Melanie Karsak, 2018-06-20 I'm the last mermaid On the shore of Lake Erie I spend my final days hunting beach glass making jewelry and waiting for my mermaid glamour to leave me Then it will be over I resigned myself to the fact that there's nothing more for me Until I saw Cooper He comes to the beach every day to paint the sunrise and sunset Nothing in this vast world has sparked my attention as much as him I have no business falling in love with a human Not now And Cooper seems to have secrets of his own I should leave him alone but the curious mermaid in me can't let that shiny bauble go More than anything I want to be part of his world before it's too late Journey to the quaint small town of Chancellor where fairy tales live dreams come true and happily ever after always reigns supreme From mermaids to witches to faeries the residents of Chancellor are far from ordinary Enjoy these re-envisioned fairy tales loosely based on The Little Mermaid Cinderella and classic witch tales Begin the series with The Glass Mermaid Book 1 of The Chancellor Fairy Tales series

The Glass Mermaid Susan Clymer, 1986 Becca can hardly believe her eyes There under the tree on Christmas Eve are two tiny people and they are stealing her favorite ornament her glass mermaid

The Glass Mermaid Poppy Lawless, 2015-07-17 Kate I'm the last mermaid I'm back on shores of Lake Erie but the cold waters are silent There is nothing here for me but ghosts and the beach glass that litters the rocky shore Long ago I lived below the waves Now I am the sole survivor and at long last my mermaid glamour is leaving me Every day I walk the beach Every day I wonder what happened to my people The little pieces of colored glass that wash ashore give me simple pleasure They are gifts from the lake reminders of home I fashion them into trinkets necklaces earrings bracelets They are beautiful things The humans seem love them Every day I walk the beach Nothing ever changes until the day he says hello Cooper I'm dying It's not a question it's a fact The cancer is eating me alive They told me I have six months to live maybe less I came home back to Chancellor on Lake Erie to die The sunsets are vivid there and I will relish every one I've never seen anything more beautiful than a Lake Erie sunset until I see her All life is as fragile as glass What would you sacrifice to save the one you love
