

THE GLOBAL VILLAGE:

Dead or Alive?

EDITED BY

RAY B. BROWNE AND
MARSHALL W. FISHWICK

The Global Village Dead Or Alive

Ming Dong Gu

The Global Village Dead Or Alive:

The Global Village Ray Broadus Browne, Marshall William Fishwick, 1999 Offers 15 essays discussing the meaning of Marshall McLuhan's global village in a world witnessing explosive forces of individualism tribalism and nationalism Topics include lessons from the Blacksburg electronic village MTV's global footprint missionaries in a global village and the Swedish ragga subculture Includes bandw photos No index Paper edition 772 1 24 95 Annotation copyrighted by Book News Inc Portland OR

Gods in the Global Village Lester R. Kurtz, 2015-04-01 In a world plagued by religious conflict how can the various religious and secular traditions coexist peacefully on the planet And what role does sociology play in helping us understand the state of religious life in a globalizing world In the Fourth Edition of Gods in the Global Village author Lester Kurtz continues to address these questions This text is an engaging thought provoking examination of the relationships among the major faith traditions that inform the thinking and ethical standards of most people in the emerging global social order Thoroughly updated to reflect recent events the book discusses the role of religion in our daily lives and global politics and the ways in which religion is both an agent of and barrier to social change

Popular Culture in a New Age Marshall Fishwick, 2014-06-11 With a Foreword by Dr Fishwick's student Tom Wolfe This book redefines popular culture in the light of the revolutionary changes brought about by the information revolution and the digital divide It explores the phenomenal growth and extension of popular culture in the last decade and ties in the vast changes brought about by technology and the Internet In an era when American television and the Internet reach virtually every corner of the globe Popular Culture in a New Age shows how the poorly understood and often underestimated area known as popular culture affects all of our lives Beginning with an evaluation of the millennium celebrations and the enormous error of Y2K madness Popular Culture in a New Age then moves on to the New Gold Rush brought about by technology and takes a hard look at its risks The book examines a wide variety of pop culture phenomena such as carnivals celebrities and the road from nineteenth century humbuggery P T Barnum's term to today's hype In Popular Culture in a New Age you'll learn about the three faces of popular culture folk fake and pop how they relate and how they differ today's popular icons the empire of Disney World Marshall McLuhan our era's most profound and shocking electronic thinker African American popular culture and style Popular Culture in a New Age gives characterization to the postmodern world in a chapter on postmodern pop followed by the shift from civil religion to civil disobedience and the myth of success This insightful book will help you understand the way we eat think vote and respond to our fast changing world in the era of hype spin doctors chat rooms and jargon

The Future of God in the Global Village Thomas R. McFaul, 2011-10 In the long trek of human history the adage that there will never be peace among the nations until there is peace among the religions has never been truer The growing trend toward spiritually inspired violence throughout the emerging global village of the twenty first century has taken a terrible toll on the lives of thousands of innocent victims The primary purpose of this book is to address this issue head on by examining the role that

the earth's diverse faith communities can play in stopping the needless hatreds and hostilities that all too often arise from the search for spiritual fulfillment At this stage of human evolution nothing is more urgent

The Global Village Revisited

Kathleen Dixon, 2009-08-06 Cultural studies scholarship on the television talk show especially the audience discussion genre was guardedly hopeful about its democratic or feminist potential In this exciting new volume Kathleen Dixon investigates the relationship between the talk genre and democracy but through a new emphasis on art broadly defined The Global Village Revisited Art Politics and Television Talk Shows explores three case studies from Belgium Bulgaria and the United States and reveals how these cases interanimate to produce a new view of the talk show as a global phenomenon and as a negotiation among the forces of late capitalism the unnamed but still palpable audience and the individual rhetors artists and technicians who make the shows Dixon treats the globalization of media and culture as a dynamic process that yields different results according to time and place While the way in which television talk shows serve democracy may be hard to define precisely

The Global Village Revisited demonstrates the importance and necessity of this question in cultural studies

The World a

Global Village Katja Lochtman, Jenny Kappel, 2008 Exploring sociocultural competence and the promotion of intercultural communication this study aims to clearly define the concepts behind teaching foreign language and the connections between culture and language As foreign language teaching continues to increasingly focus on the relationship between culture and language understanding the link and what it means becomes more important Objective and informative this examination particularly looks at English as a lingua franca between speakers of different languages and cultural backgrounds from the perspectives of nonnative English speakers and explores how that affects pedagogical approaches to teaching foreign language

Heritage and Tourism in The Global Village Priscilla Boniface, Peter Fowler, 2002-11-01 A nation's heritage is one of the most potent forces for generating tourism the Tower of London is the greatest visitor attraction in Britain But it is pushed into insignificance by comparison with the visitors travelling to Disneyland Epcot and the other entertainment complexes in the USA and it will be dwarfed by Euro Disneyland east of Paris So how should heritage attractions respond should they find their own specific audiences and resources This book written by a leading heritage specialist is essential reading for all those concerned both with heritage and leisure management International in scope it examines successful examples of heritage management for tourism and equally some failures It aims to lay some useful ground rules which should underpin all heritage developments designed to attract tourism on a major scale

Tending Animals in the Global

Village David M. Sherman, 2007-11-27 A book like no other in the field of veterinary medicine with pertinent information every student and practitioner will find beneficial Veterinarians have access to a great variety of texts journals and continuing education opportunities to keep them on top of the tremendous technological advances in clinical care and preventive medicine Outside of the technical realm however there are many global trends which exert profound effects on how the veterinary profession serves society and how veterinary professionals define their role in a rapidly changing world This new

and unrivaled book delves into these influences in impressive detail identifying new challenges and opportunities for the veterinary profession in a global context Unique topics covered include The important global trends with implications for veterinary medicine Different cultural attitudes towards the human use of animals their impact on the human animal relationship and the challenges this poses for veterinarians The role of livestock in food security rural development and sustainable agriculture and the opportunities for veterinarians to improve the lives of people who depend on animals around the world The relationship of global environmental change to animal health and production The emerging field of conservation medicine and the important role of veterinarians in protecting biodiversity and conserving wildlife A global perspective on veterinary service delivery and the opportunities and challenges for improving animal health care worldwide The growth of international trade its relation to food safety and animal health and its impact on animal agricultural and veterinary medicine The growing risk of foreign animal disease the national and international institutions involved in animal disease control and the role of the private practitioner in controlling foreign animal disease Nontraditional career paths for veterinarians interested in working internationally and how to identify and prepare for such international career opportunities

Why Traditional Chinese Philosophy Still Matters Ming Dong Gu, 2018-02-15 Traditional Chinese philosophy if engaged at all is often regarded as an object of antiquated curiosity and dismissed as unimportant in the current age of globalization Written by a team of internationally renowned scholars this book however challenges this judgement and offers an in depth study of pre modern Chinese philosophy from an interdisciplinary perspective Exploring the relevance of traditional Chinese philosophy for the global age it takes a comparative approach analysing ancient Chinese philosophy in its relation to Western ideas and contemporary postmodernist theories The conversation extends over a broad spectrum of philosophical areas and themes ranging from metaphysics hermeneutics political theory religion and aesthetics to specific philosophical schools including Confucianism Daoism and Buddhism By engaging many time honoured philosophical issues from a comparative perspective this book bridges the gap between Eastern and Western thought and emphasises the need for a newly fortified global humanism and a deeper appreciation of different philosophical and religious values in an age gripped by large scale crises Arguing that traditional Chinese philosophy has immediate relevance to the many challenges of modern life this book will be useful to students and scholars of Asian Philosophy and Asian Studies in general

Human Rights, Human Plights in a Global Village Rob Buitenweg, 2010-04-20 In today's globalized world all people are within six steps six links of acquaintanceship of every other person in the world Yet a significant percentage of the world's population lives in abject socio economic misery exploited slaving in horrible working conditions without enough food or education and highly susceptible to illness and disease How is it possible that this occurs to people who are only six steps away from us How can human misery continue despite the economic technological and moral progress mankind has made In particular how can this misery continue despite the economic social and cultural human rights that are recognized by many

legal international and national documents These rights like the right to adequate housing to food to health care and to social security are intended to alleviate human misery and in so doing contribute to a dignified life Knowing that these rights exist might lead one to think is not such widespread socio economic human misery a violation of people s human rights more especially of their economic social and cultural rights This book addresses the rights the wrongs the law and what we need to do
