The God Potential:

The God Potential David Price,2005-10-31 Unrealized potential could be one of the largest shortcomings in a person's life How many years have been wasted in pursuit of selfish desires or pointless ventures Laziness and apathy have attacked the very core of the human experience From fast food to instant rebates we have taken cheap shortcuts and made them the principles on which we build our relationships education work and family It is not what God planned when he planned man Yet the answers are still found in the pages of the Bible The God Potential takes you the reader through the struggle and discovery of one man His quest has shown others how the love and guidance of God can unleash the greatest potential ever known to this world It is the potential of being a child of the living God It is the discovery of what it means to be made in his image It really is God's potential and it is running through your very soul right now
