The Gulf Crisis Background And Consequences Paperback By Ibrahim Ibrahim

Michael Seilmaier

The Gulf Crisis Background And Consequences Paperback By Ibrahim Ibrahim:

The Gulf Crisis Ibrahim Ibrahim, 1992 US-Kuwaiti Relations, 1961-1992 Chookiat Panaspornprasit, 2004-08-02 After being granted full independence in 1961 Kuwait began its tumultuous relationship with the US This book sets out to investigate this alliance within the frameworks of a small state and influence and in particular under the US presidents Carter Reagan and Bush The political diplomatic and military aspects are examined which have both stalled and enhanced the bilateral relationship at different times and events The relationship between the two countries has not always been a straightforward one Kuwait overshadowed by its bigger neighbour Saudi Arabia was regarded as a derivative interest by the US and its role within the region more often than not underestimated Shedding new light on this key political alliance the book details how this uneasy relationship evolved while Kuwait maintained its independent foreign policy which contradicted US national interest Illuminating and informative it is essential reading for anyone with an interest in Middle East politics and international relations

The Kuwait Petroleum Corporation and the Economics of the New World Order Mary Ann Tetreault, 1995-01-30 Economic and strategic power is not the exclusive province of powerful developed countries Kuwait has used its main resource oil to integrate itself into the world economy as an autonomous actor rather than as a dependent commodity exporter This daring economic strategy enabled Kuwait to claim military support from governments hosting its direct investments overseas in 1990 91 following its invasion by Iraq Based on five years of research including interviews with more than 200 people Dr Tetreault's book analyzes the development of the Kuwait Petroleum Corporation in the context of domestic regional and world politics Contrary to current thinking she argues that multinational vertical integration under state ownership can be an optimal strategy for oil exporting developing countries particularly those whose resource endowments are otherwise highly limited This book is directed toward executives in natural resource industries economic and strategic planners in public and private institutions and those charged with the formulation and implementation of national international and transnational economic policy in addition it is of interest to academics specializing in political economy development industrial organization regional and domestic politics and international relations

12 Muslim Revolutions, and the Struggle for Legitimacy Against the Imperial Powers Carl Max Kortepeter, 2017-02-24 In *Twelve Muslim Revolutions* Professor Kortepeter presents a broadly encompassing study of the medieval and modern history of the central lands of Islam over a period of centuries Told in three parts 1 Revolutions from pre Islamic Arabia to the Ottoman Turks 2 The imperial powers establishing footprints in the Middle East in the eighteenth to the twentieth centuries and 3 American presidents and their inability to fully comprehend the complexities of the Middle East since World War II This narrative is told in a very personal manner borne of on the ground experience in those lands an essential read for anyone wishing to comprehend the story of the Middle East present past and future University students scholars and policy makers alike will find Kortepeters insights equally compelling

The Kurds and Kurdistan Lokman I.

Meho,1997-06-25 As the Kurdish question becomes more prominent in Middle Eastern politics it is attracting attention from the media the academic community and governmental and non governmental organizations Swamped with questions from the press and academic departments students of Kurdish topics have needed a comprehensive bibliography on the Kurds This book meets that need An introductory essay provides users with general background information on the Kurds and Kurdistan With over 800 entries the annotated bibliography provides information on the most important works about the Kurds and Kurdistan published from World War II through 1996 Emphasizing recent titles the book focuses on English language scholarly works Arranged in topical chapters the book opens with a section on general works then covers travel works history and archaeology politics minorities and religion in Kurdistan society economy language and education literature and folklore and culture and arts Foreign Affairs ,1992 *The Muslim World Book Review* ,2001 The Iraqi Invasion of Kuwait

Hamdi Hassan,1999-09-20 To what extent has religion identity and otherness facilitated and accelerated armed conflict in the Middle East *The Government And Politics Of The Middle East And North Africa* David E. Long,Bernard Reich,1995-08-03 Rapid social economic and political change is endemic to the Middle East and is often more revolutionary than evolutionary in nature In many ways the entire political landscape of the Middle East has been transformed in the past decade in the realm of both international relations and domestic politics The collapse of the Soviet Union the end of the cold war and the Iraqi invasion of Kuwait have all had a profound effect on relations among states within the region and between those states and countries outside the region In this revised edition Long and Reich provide comprehensive and up to date analyses of many critical contemporary events and issues The contributors explain how Desert Storm isolated Iraq and brought Syria back into the mainstream of Arab politics contributing to the revival of the Arab Israeli peace process They also show how the return of a Labor government in Israel has allowed the peace process to go forward Evaluating the economic costs of the Kuwait war and the continuing oil glut the authors find that resulting changes in the domestic economies of the oil producing states have created additional pressures for social and political change The most profound change in government and politics however is the rise of Islam as the idiom of political discourse among moderates as well as extremists The Iraqi Invasion of Kuwait Musallam Ali Musallam,1996 Evaluates three factors which may explain the causes of the Gulf War First the author compares Saddam Hussein s personality to other war like dictators analyzes the internal weaknesses of the Iraqi state and then assesses the formal anarchy of the post

Embracing the Beat of Term: An Mental Symphony within **The Gulf Crisis Background And Consequences Paperback By Ibrahim Ibrahim**

In a global used by screens and the ceaseless chatter of immediate conversation, the melodic splendor and mental symphony developed by the written word frequently fade in to the background, eclipsed by the persistent noise and distractions that permeate our lives. Nevertheless, set within the pages of **The Gulf Crisis Background And Consequences Paperback By Ibrahim Ibrahim** an enchanting fictional treasure full of natural thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, this charming masterpiece conducts viewers on a psychological trip, skillfully unraveling the hidden songs and profound impact resonating within each carefully crafted phrase. Within the depths of the poignant review, we will examine the book is main harmonies, analyze its enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
