The Haggadah With Answers The Classic Commentators Respond To Over 200 Questions:

The Haggadah with Answers Yaakov Wehl, 1997 Commentary in question and answer form questions that anyone might ask with answers drawn from the broad gamut of classic commentators From Sermon to Commentary Eliezer Segal, Canadian Corporation for Studies in Religion, 2005-11-23 The Bible has always been vital to Jewish religious life and it has been expounded in diverse ways Perhaps the most influential body of Jewish biblical interpretation is the Midrash that was produced by expositors during the first five centuries CE Many such teachings are collected in the Babylonian Talmud the monumental compendium of Jewish law and lore that was accepted as the definitive statement of Jewish oral tradition for subsequent generations However many of the Talmud's interpretations of biblical passages appear bizarre or pointless From Sermon to Commentary Expounding the Bible in Talmudic Babylonia tries to explain this phenomenon by carefully examining representative passages from a variety of methodological approaches paying particular attention to comparisons with Midrash composed in the Land of Israel Based on this investigation Eliezer Segal argues that the Babylonian sages were utilizing discourses that had originated in Israel as rhetorical sermons in which biblical interpretation was being employed in an imaginative literary manner usually based on the interplay between two or more texts from different books of the Bible Because they did not possess their own tradition of homiletic preaching the Babylonian rabbis interpreted these comments without regard for their rhetorical conventions as if they were exegetical commentaries resulting in the distinctive puzzling character of Babylonian Midrash **The Software Encyclopedia 2001** ,2001 **Library Journal** Melvil Dewey, Karl Brown, Bertine Emma Weston, Helen E.
