The Mirror of the Passing World Mary Cecil Allen, 1928 *Impact of the Modern* Robert Dixon, Veronica Kelly, 2008

Impact of the Modern brings together examples of this new interdisciplinary work on modern Australian culture by 21 leading scholars Their writings reveal an original account of modernising Australia as dynamic and creative in many art forms and interactively linked with international processes and ideas The essays in *Impact of the Modern* were presented as papers at the conference Australian Vernacular Modernities convened by the editors at the University of Queensland in 2006 Plenary papers by Jill Julius Matthews and Angela Woollacott signal the book's focus on the erotic and gendered spaces and on popular aspects of modernity They provide the central focus of the material through such vital and dynamic categories as the modern the erotic and the primitive As essential components of the historical processes of innovation and modernisation these central questions of gender and public sociality are taken up in diverse ways in the other chapters forming a varied and exciting study of a range of creative Australian engagements with modern international life and popular culture

The Advance, 1911 **Illuminati Bible of Divine Light** Sorin Cerin, The present book entitled the *Illuminati Bible of Divine Light* is a work of philosophy that deepens both ontological and gnoseological themes regarding the Existence of God and implicitly ours I have said many times so far that philosophy is the religion of the future At the base of the *Illuminati Bible of Divine Light* is the philosophical religious system called Coaxialism published in its final form in the book entitled *Coaxialism Final Edition* but also the *Collection of Wisdom* consisting of 16 777 aphorisms structured according to certain themes published in its final form in the

book entitled The Wisdom Collection 16 777 Philosophical Aphorisms 2020 Edition The God of the Illuminati Bible of Divine Light is not a dictatorial God who demands total submission from Man so that Man can benefit from a Paradise after Death but is a God of Man's rediscovery in his own Self The God of this World is the Creator Factor and Unique Incidentally who is defined through a Meaning that forms a Word In the Parallel Universes there are an infinity of Creator Factors and Unique Incidentally where each one in part is a Meaning that in turn determines a Word in the respective Universe Word from which the respective Universe was formed as well as our Universe in turn was formed from the Word of our own Creator Factor and Unique Incidentally The totality of the Creator Factors and Unique Incidentally that is the totality of the Meanings which determine in their turn each in part a Word form the Universal Pure Language which in its totality determines the Consciousness Unique and Incidentally of the Universal Unique Expression which is the Supreme God the Supreme Intelligence of all Universes whose number is infinite as is infinite and the number of the Words defined in turn each in part by the Creator Factors and Unique Incidentally The Unique Incidentally Consciousness of the Universal Unique Expression always KNOWS where it is and what namely it does each atom in part each elementary particle in part from each Universe which in turn together with all the other Universes makes up the infinity of Universes I have always said that we are from before us that is we are a reflection of what was and from here comes the Destiny that cannot be changed and the Free Will is an Illusion from the great range of the Illusions of Life Everything that will Happen in our Future has Happened and has been in our Past before it was Time Thus the spiritual Energy of our Soul is allowed to pass through the Happenings that the Illusion of our own Life renders to us as being something new even though they were long before us We are a quantum of energy which flows through a reflection of the World that was before Time a World through whose reflection we flow in the so called Present with our own spiritual energies of the Soul having the false sensation of Time Past Present and Future From this flowing of ours through the reflection of that World in the Mirror of Knowledge we have the feeling that we are living our own Life even though in reality we are living our own Illusion of Life In conclusion we are only a quantum of energy which flows through the reflected images of the World that was somewhere sometime from before Time As those images of the World in whose reflection we have the Illusion that we live cannot be changed so neither our Destiny cannot be changed because it flows once with the spiritual energies of our Souls through the images of that World which cannot be changed by us because that World was before us Thus precisely the Illusion of Life that gives us the so called Free Will he which in reality does not exist she the Illusion of Life is the one that can help us to improve or worsen the spiritual energy of our Soul Hence results the necessity of the Illusion of Life in this World Thus once we travel through this World with Happenings that were long Before we believed that it Happens accompanied by the Illusion of Life that makes us believe in the existence of Free Will we go through all sorts of Trials that are the spiritual relief forms of this World which is a reflection of what was somewhere sometime and from here comes the ineffable Destiny Destiny is ineffable because it cannot be changed because

neither the World through whose reflection we pass can never be changed Thus the religions that have developed in this World did not appear Incidentally but they existed in the Initial World that was reflected in the Mirror of our Knowledge a World that was long Before us In that World was also Jesus Christ and the other Great Prophets such as the Prophet Muhammad the Buddha Moses etc What Happened on Earth that is in our World was that some Souls who were so spiritually perfect had the approval of God to travel through this World in the bodies of these Great Prophets just as each of us have the acceptance of God to travel through this World in our own bodies which are some vehicles that take us from the destination of Birth to the destination of Death These vehicles which are our bodies they too are in turn a reflection of a World that was long Before us Due to these things every Man is born under the specter of a certain Religion which has been left so by God through Destiny to Happen The appearance of the Great Prophets was due to the Destiny Jesus Christ did not appear from Nothingness Incidentally in our World but was left namely to Happen in this way by God because God is the one who let the Mirror of Knowledge through which we to can become Aware of this World That s exactly why every Man is good to follow the Religion existing in the area where he was born and to respect the Religions of other People born in other areas where there are other kinds of Religions until these will be replaced or not by other Religions or philosophical and religious systems with the Will of God that is on the understanding of some in a natural way and not forced by anyone Even Atheism is in itself a Religion precisely through the fact that it is based on a certain Faith where God is represented through the Laws of the Universe It has been speculated about me that in the book The Evil I do not make a clear distinction between the Evil necessary for the existence of Good and the Devil Evil is necessary for the existence of Good just as Good is necessary for the existence of Evil Evil can often be a far greater Good than Good and vice versa Good can sometimes be a far greater Evil than Evil Instead with what I do not agree and can really be considered an Evil that can be Devilish is for example Wickedness About wickedness I have developed an entire chapter in the book entitled The Far Future of Mankind Philosophical Aphorisms the Chapter of Wickedness aphorisms 1 227 a book which in turn is part of The Wisdom Collection 16 777 Philosophical Aphorisms which in turn is part from this book entitled The Illuminati Bible of Divine Light Thus Wickedness is something demonic which must be combated because the Evil it brings does not serve the Good than in a much lesser extent than the Good could serve the Evil from this Wickedness If we are to attribute Wickedness to the Devil then we must certainly avoid him as much as we can In conclusion Evil and Good are the attributes of God when Evil can help the Good and of the Devil when Evil can not help the Good than an even greater Evil There is all sorts of speculation concerning the fact that I would have stated in Coaxialism that Man thinks only with a tiny percentage of the brain I even said that Man does not think than with 2 percent from his brain I stated this in the context in which I wanted to express that only a tiny percentage of the cognitive total we use would have any connection with the Absolute Truth through this interweaving of Illusions of the Life through which we travel during our own Life In reality I think that that two percent percentage is very high and in

reality it would not be not even that much And the brain in turn is also an Illusion from the arsenal of the Illusions of Life so the so called ability of the human brain to process data is an Illusion as great as our own Illusion of Life is It is irrelevant whether or not Man uses his entire brain in the thought process once his entire thought process is subjected to the Illusion of Life and due to this fact the Man s thinking is not anchored by even two percent to the Absolute Truth With the appearance of my first philosophical studies but also of aphorisms I initially published the book entitled Bible of the Light and then a more complete form of the book Bible of the Light was the book entitled The Illuminati Bible so that in present to publish the full form of the Bible which I felt that it will be perfected with the help of God and which I decided to call the Illuminati Bible of Divine Light Some will wonder why I chose this name of The Illuminati Bible starting with that book published in 2014 the content of which is also in this book called the Illuminati Bible of Divine Light which in turn contains many other parts Simple Firstly because I wanted to help in Good the Karma of this World because Illuminati and Enlightenment are spoken of in negative terms and secondly because Illuminati comes from Enlightenment and true Enlightenment cannot bring the Evil nor can it be the Evil vile True Enlightenment must be based only on Good and never on bringing the Evil as the supreme Wickedness Therefore in order to improve the Karma of Mankind I show that Enlightenment does not consist in Wickedness but in combating Wickedness The enlightened ones cannot be a hidden group of people who lead humanity out of the shadows committing all sorts of evils and abuses to maintain power These people are by no means Enlightened but Dark If there really are some in such a situation then they use the term Illuminati or Enlightened falsely How just as Dark are those who dirtyly attack on the true Illuminati or Enlightened only out of obscure interests of a religious nature for fear that the Enlightened ones might open the souls of the People and show them the Way to the Truth from which some high prelates that are at the head of certain churches flee who are afraid that if the Truth would be found they will lose both their financial and their decision making power I believe that the future will belong to those truly Enlightened the true Illuminati A thing is to use Evil to bring through it Good and another is to use Evil to bring through it the Wickedness The true Enlightened and not Dark are those who understand that the Evil can only be used for Good when he can do it and the Good only for the Evil less Evil when the Good itself can lead to destruction disaster or pain The real Bad People the Dark Ones are the ones who use both Good and Evil to do as much as possible Evil and not Good Mankind must understand that the Evil and Good the God and the Devil are an Entity with two distinct characteristics an Entity that defines our True God that is our Creator Factor and Unique Incidentally Therefore in order to improve the Karma of this World we will have to pray to the Universal Consciousness formed by the Universal Pure Language That is to pray to the Divine Light of all the Worlds the Supreme God of Intelligence which to inspire our thoughts so that to use in moderation both Good and Evil for the ultimate purpose of doing and bringing through us as much as possible Good Why didn t I let in continuation the name of the Illuminati Bible and to this new much deeper work of the Bible and call it the Illuminati Bible of Divine Light Because compared to the other book

called the Illuminati Bible the Illuminati Bible of Divine Light contains in addition to the content of that book many other new chapters that appeared with the new Wisdom Collections or with the final form of the Coaxialism In the last edition of the Wisdom Collection I published six other new books of philosophical aphorisms bringing the Collection of Wisdom to a total of 16 777 philosophical aphorisms The last books refer to topics such as those related to Justice to the World after Death to the philosophy of Artificial Intelligence to the far Future of Mankind etc All this highlights not only a Bible with concepts like the one I called the Illuminati Bible but also one that fully reflects my thinking and faith as a whole which is based on my philosophical religious system called Coaxialism and therefore the book could not be called otherwise than the Illuminati Bible of Divine Light Especially since in this book entitled the Illuminati Bible of Divine Light there is also the final form of my philosophical religious system called Coaxialism where I refer to Transcendental Coaxiological Mathematics but also to Mathematical Psychology I am convinced that philosophy Coaxialism will become part of the Religion of the Future a Religion whose churches will be the souls of the People Yes I want that the soul of every Man to be a Temple of worship Enlightened by the Divine Light of Absolute Truth whose Thought is reflected by the Universal Consciousness of the Universal Pure Language A Language whose Words are infinite and of all these Words one of them is our God that is our Creator Factor and Unique Incidentally who gave birth to this World Sorin Cerin July 7 2021 *The Affable Stranger* Peter
