The Missing God:

The Missing God Notes Sherridean Abddeen ,2025-09-03 For centuries humanity has believed that Hell is a place of fire and brimstone a realm of eternal torment separate from Earth But what if everything we were taught was wrong What if Hell isn't a burning abyss but the very world we inhabit Earth itself a prison for lost souls sealed under an impenetrable dome Father Edward Ward a devoted Catholic priest and scholar stumbles upon an ancient forbidden text known as The Missing God Notes while studying at a secluded monastery The book challenges everything he knows claiming that God did not create Hell as a place of torment but instead chose Earth as a domain for lost and unworthy souls both human and fallen angels to evolve and prove their worth before entering Heaven Intrigued and disturbed Edward becomes obsessed with proving or disproving the claim Determined to uncover the truth he embarks on a perilous journey to a Tibetan monastery with fellow priest Ezra Brown where another sacred text God's Notes is rumored to hold divine revelations But their journey is plagued by misfortunes a cryptic warning from a stranger violent storms theft and near death experiences It seems as though unseen forces are determined to keep them from their destination Upon finally reaching the monastery Edward discovers the long lost text that confirms his worst fears Earth is indeed the realm where souls are confined The dome above is not just metaphorical it is divine containment preventing escape until one earns the right to ascend But this revelation leads to an even deeper question If God is love why would He imprison His own creations And more importantly can anyone truly escape Edward's faith is tested as he seeks the final answer Is humanity condemned to this eternal prison or is there a way out beyond the dome

The Storm-god in the Ancient Near East Alberto Ravinell Whitney Green,2003 Green traces these motifs through the Mesopotamian Anatolian Syrian and Levantine regions he argues that in the end Yahweh of the Bible can be identified as a storm god though certain unique characteristics came to be associated with him he was the creator of all that is created and the self existing god who needs no other BOOK JACKET

[Living without God: A Multicultural Spectrum of Atheism](#) Sanjit Chakraborty,Anway Mukhopadhyay,2022-11-16 This book deals with the intricate issue of approaching atheism methodologically as well as conceptually from the perspective of cultural pluralism What does atheism mean in different cultural contexts Can this term be applied appropriately to different religious discourses which conceptualize God gods Goddess goddesses and also godlessness in hugely divergent ways Is my God the same as yours If not then how can

your atheism be the same as mine In other words this volume raises the question Is it not high time that we proposed a comparative study of atheism s alongside that of religions rather than believing that atheism is centered in the Western experience Apart from answering these questions the book highlights the much needed focus on the philosophical negotiations between atheism theism and agnosticism The fine chapters collected here present pluralist negotiations with the notion of atheism and its ethical theological literary and scientific corollaries Previously published in Sophia Volume 60 issue 3 September 2021 Chapters Religious Conversion and Loss of Faith Cases of Personal Paradigm Shift and On Being an Infidel are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com) Salah Fethullah Gulen,2025-07-01 Prayer is an essential part of a Muslim s life While a believer can pray and offer their devotions any time and any where they like Islamic tradition prescribes a specific form of prayers to be performed at five different times of the day It is a celebratory act of submission in which believers align themselves with all other creation by offering their praise and gratitude to God the Merciful the Compassionate as they stand bow and prostrate in propriety These daily prayers are called salah and this book is an all comprehensive exploration of this spiritual act by one of the leading Muslim scholars of our time The focus in this book is more on the spiritual aspect of salah rather than its formulaic details which can be easily found in countless other manuals **The Missing Links** Morton W. Spencer,1901 **Remaking Men** David Tacey,2013-10-23 The nature of masculinity is a popular subject for contemporary authors either treated critically from a sociological standpoint or analysed from a psychological and spiritual perspective In Remaking Men David Tacey argues that we must strive to bridge the gap between these separate traditions masculinity should neither be hijacked by the spiritual Jung influenced men s movement nor discussed merely as a product of socio political forces Examining his own and other men s experience in a critical and lively discourse he evades the simplistic optimism of the inner journey approach and the chronic pessimism of contemporary academic arguments This is a fascinating and very accessible look at masculinity for those who want to explore self and society with intelligence and soul *The Madness of Husbands (Have Body Will Guard Book 10)* Neil S Plakcy,2023-11-03 When Aidan Greene s ex calls after ten years with a peremptory demand for bodyguard services Aidan s tempted to say no even though he hears real despair in Blake s voice After a reminder that the two of them are in their forties and that personal protection is a young man s game Aidan and his husband Liam have stepped back marrying and taking a staycation at their home outside Nice But Liam misses the adventure and Aidan is curious about his ex and the man Blake has married Latin diplomat Ricardo Levy Ricardo is recovering from a psychotic break and sees danger all around him but he s determined to attend a conference in the Bahamas where he will reveal information that may have profound international ramifications Quickly Aidan and Liam are at a luxury resort on Paradise Island watching for danger and wondering if the threats are all in Ricardo s head or if they are very real Do we ever lose the bonds that connect us to past loves Aidan and Blake will come to a reckoning about the events that began the Have Body Will Guard series and learn

something about the madness of love along the way Existentialist Ontology and Human Consciousness William L. McBride, 2013-09-13 Existentialist Ontology and Human Consciousness The majority of the distinguished scholarly articles in this volume focus on Sartre's early philosophical work which dealt first with imagination and the emotions then with the critique of Husserl's notion of a transcendental ego and finally with systematic ontology presented in his best known book Being and Nothingness In addition since his preoccupation with ontological questions and especially with the meanings of ego self and consciousness endured throughout his career other essays discuss these themes in light of later developments both in Sartre's own thought and in the phenomenological hermeneutic and analytic traditions You Can Find God's Best ,
