

The Mob Two Hundred Years Of Organized Crime In New York

Jay S. Albanese

The Mob Two Hundred Years Of Organized Crime In New York:

Busting the Mob James B. Jacobs, 1996-10 An examination of the forces and events that led to the most successful organized crime control initiatives in American history Since Prohibition the Mafia has captivated the media and indeed the American imagination From Al Capone to John Gotti organized crime bosses have achieved notoriety as anti heroes in popular culture In practice organized crime grew strong and wealthy by supplying illicit goods and services and by obtaining control over labor unions and key industries Despite or perhaps because of its power and high profile Cosa Nostra faced little opposition from law enforcement Yet in the last 15 years the very foundations of the mob have been shaken its bosses imprisoned its profits diminished and its influence badly weakened In this vivid and dramatic book James B Jacobs Christopher Panarella and Jay Worthington document the government's relentless attack on organized crime The authors present an overview of the forces and events that led in the 1980s to the most successful organized crime control initiatives in American history Enlisting trial testimony secretly taped conversations court documents and depositions they document five landmark cases representing the most important organized crime prosecutions of the modern era Teamsters Local 560 The Pizza Connection The Commission the International Teamsters and the prosecution of John Gotti Transnational Organized Crime Margaret E. Beare, 2017-07-05 This selection of influential articles traces our evolving understanding of transnational organized crime paradigm shifts from the alien conspiracy focused research to the more nuanced focused scholarship on markets and networks culminating in a focus on enablers of transnational crimes and evaluations of harm from transnational crimes The selected essays and articles reflect the way in which politics economics and social factors have impacted on scholarly thinking and the introduction also highlights the many authors and professionals who have been influential in this field This volume is an essential one stop resource for lecturers and students interested in all aspects of transnational organized crime *Mafia Brotherhoods* Letizia Paoli, 2008-06-01 Relying on previously undisclosed confessions of former mafia members now cooperating with the police Letizia Paoli provides a clinically accurate portrait of mafia behavior motivations and structure in Italy The mafia Paoli demonstrates are essentially multifunctional ritual brotherhoods focused above all on retaining and consolidating their local political power base A truly interdisciplinary work of history politics economics and sociology Mafia Brotherhoods reveals in dramatic detail the true face of one of the world's most mythologized criminal organizations **On the Irish Waterfront** James T. Fisher, 2011-01-15 Site of the world's busiest and most lucrative harbor throughout the first half of the twentieth century the Port of New York was also the historic preserve of Irish American gangsters politicians longshoremen's union leaders and powerful Roman Catholic pastors This is the demimonde depicted to stunning effect in Elia Kazan's *On the Waterfront* 1954 and into which James T Fisher takes readers in this remarkable and engaging historical account of the classic film's backstory Fisher introduces readers to the real Father Pete Barry featured in *On the Waterfront* John M Pete Corridan a crusading priest committed to winning

union democracy and social justice for the port's dockworkers and their families. A Jesuit labor school instructor, not a parish priest, Corridan was on but not of Manhattan's West Side Irish waterfront. His ferocious advocacy was resisted by the very men he sought to rescue from the violence and criminality that rendered the port a jungle, an outlaw frontier in the words of investigative reporter Malcolm Johnson. Driven off the waterfront, Corridan forged creative and spiritual alliances with men like Johnson and Budd Schulberg, the screenwriter who worked with Corridan for five years to turn Johnson's Pulitzer Prize-winning 1948 newspaper exposé into a movie. Fisher's detailed account of the waterfront priest's central role in the film's creation challenges standard views of the film as a post facto justification for Kazan and Schulberg's testimony as ex-communists before the House Committee on Un-American Activities. *On the Irish Waterfront* is also a detailed social history of the New York-New Jersey waterfront from the rise of Irish-American entrepreneurs and political bosses during the World War I era to the mid-1950s when the emergence of a revolutionary new mode of cargo shipping signaled a radical reorganization of the port. This book explores the conflicts experienced and accommodations made by an insular Irish Catholic community forced to adapt its economic, political, and religious lives to powerful forces of change, both local and global in scope.

Forbidden Bookshelf Presents Dan E. Moldea Dan E. Moldea, 2018-10-23 Three exposés of corruption behind the NFL, the Teamsters, and Jimmy Hoffa and Ronald Reagan from an investigative reporter who never relents. *The Washington Post* Interference: A shocking exposé of widespread corruption and mob influence throughout the National Football League on the field, in the owners' boxes, and in the corporate suites. A true and terrifying picture of a business whose movers and shakers seem to have more connections to gambling and the mob than to touchdowns and Super Bowls. Keith Olbermann: *The Hoffa Wars*. The definitive portrait of the powerful, corruption-ridden Teamsters union and its legendary president Jimmy Hoffa, organizer, gangster, convict, and conspirator whose disappearance in 1975 remains one of the great unsolved mysteries. Mr. Moldea's view of the Hoffa wars, which reached its greatest intensity when Robert Kennedy was Attorney General, may explain not only Mr. Hoffa's disappearance but the assassination of John Kennedy as well. *The Wall Street Journal*: *Dark Victory*. A smoldering indictment of the corrupt influences that rescued Ronald Reagan's acting career, made him millions, resulting in a federal grand jury hearing backed his political career, and shaped his presidency. *Library Journal*: Moldea has, through sheer tenacity, amassed an avalanche of ominous and unnerving facts. *Dark Victory* is a book about power, ego, and the American way. *Los Angeles Times*. **The Canary Sang but Couldn't Fly** Edmund Elmaleh, 2012-02-07 It remains one of the most enduring mysteries in gangland lore: in 1941, while Abe Reles and three other key informants were under round-the-clock NYPD protection, the ruthless and powerful thug took a deadly plunge from the window of a Coney Island hotel. The first criminal of his stature to break the underworld's code of silence, he had begun singing for the courts, giving devastating testimony that implicated former cronies with more to come. With cops around him day and night, how could Abe have gone out the window? Did he try to escape? Did a hit man break in? Or did someone in the squealer's suite murder him? Here's the

gripping story packed with political machinations legal sleight of hand mob violence and finally a proposed answer to the question How did Abe Reles really die Murder mysteries Why didn t police investigate the mysterious sounds they heard on the night that Reles died Why did the lead investigator fail to gather crucial evidence at the hotel or follow police procedure for interviewing witnesses and securing the crime scene What do previously classified FBI documents reveal about Brooklyn DA William O Dwyer who had plans to run for mayor of New York Why was the note Withhold information by order of D A scribbled on Reles s autopsy report Why was Abe s widow so bitterly opposed to reopening the case Why doesn t the official story add up Dark Victory Dan E. Moldea,2017-04-18 A smoldering indictment of the corrupt influences that rescued Ronald Reagan s career made him millions and shaped his presidency Library Journal Founded in 1924 the Music Corporation of America got its start booking acts into speakeasies run by such notorious Chicago mobsters as Al Capone How then in only a few decades did MCA become the driving force behind music publishing radio recording artists Hollywood and the burgeoning television industry Enter Ronald Reagan By the late 1950s Reagan was a pass movie actor As president of the Screen Actors Guild he was also MCA s key client With Reagan s help MCA would become the most powerful entertainment conglomerate in the world And with MCA s help Reagan would secure a fortune resulting in a federal grand jury hearing be marketed to the public as a viable politician and ascend to the presidency of the United States But according to reporter Dan E Moldea there had always been another catalyst behind MCA Ties to organized crime that reached back to the company s inception and through Reagan s Teamster backed candidacy had never been severed From the author of The Hoffa Wars this is an epic and serpentine investigation into the insidious links among Hollywood the Mob and politics Based on research of six thousand pages of previously classified documents including the entirety of Reagan s grand jury testimony Moldea has through sheer tenacity amassed an avalanche of ominous and unnerving facts Dark Victory is a book about power ego and the American way Moldea has shown us what we don t want to see Los Angeles Times **Organized Crime and Its Containment** Cyrille Fijnaut,James Jacobs,2023-12-04 This book is the result of a conference which the editors with the support of Dutch authorities organized in October 22 26 1990 in The Hague between the members of the New York State Organized Crime Task Force and Dutch officials and academics concerned with the topic The contributors on the one hand stress the changing nature of organized crime and the mechanisms it utilizes to control legitimate industries On the other hand they emphasize and demonstrate the need for sophisticated pro active strategies that differ from traditional reactive law enforcement approaches This book is the first to systematically compare the American situation New York and the European situation Netherlands two urban areas which show many similarities *Organized Crime in Our Times* Jay S. Albanese,2014-09-25 Provides readers with an understanding of organized crime including its definition and causes how it is categorized under the law models to explain its persistence and the criminal justice response to organized crime including investigation prosecution defense and sentencing **Jazz and Justice** Gerald Horne,2019-06-18 A galvanizing history of

how jazz and jazz musicians flourished despite rampant cultural exploitation The music we call jazz arose in late nineteenth century North America most likely in New Orleans based on the musical traditions of Africans newly freed from slavery Grounded in the music known as the blues which expressed the pain sufferings and hopes of Black folk then pulverized by Jim Crow this new music entered the world via the instruments that had been abandoned by departing military bands after the Civil War Jazz and Justice examines the economic social and political forces that shaped this music into a phenomenal US and Black American contribution to global arts and culture Horne assembles a galvanic story depicting what may have been the era s most virulent economic and racist exploitation as jazz musicians battled organized crime the Ku Klux Klan and other variously malignant forces dominating the nightclub scene where jazz became known Horne pays particular attention to women artists such as pianist Mary Lou Williams and trombonist Melba Liston and limns the contributions of musicians with Native American roots This is the story of a beautiful lotus growing from the filth of the crassest form of human immiseration
