TD Snyder

The Mobs Verdict Silence At The End Of The Rope:

Lynching and Vigilantism in the United States Norton Moses, 1997-02-25 Beginning with the 1760s when lynching and vigilantism came into existence in what is now the United States this bibliography fills a void in the history of American collective violence It covers over 4 200 works dealing with vigilante movements and lynchings including books articles government documents and unpublished theses and dissertations Following a chapter listing general works the book is arranged into four chronological chapters a chapter on the frontier West a chapter on anti lynching and chapters on literature and art The book opens with a chapter devoted to general works It then includes chapters on the period from the Colonial era to the Civil War the Civil War through 1881 and the periods from 1882 to 1916 and 1917 to 1996 The work then turns to the frontier West and to anti lynching bills laws organizations and leaders Finally the book includes chapters on vigilantism in literature and art

Exorcising Blackness Trudier Harris, 1984-01-22 By lynching burning castrating raping and mutilating black people contends Trudier Harris white Americans were performing a rite of exorcism designed to eradicate the black beast from their midst or at the very least to render him powerless and emasculated Black writers have graphically portrayed such tragic incidents in their writings In doing so they seem to be acting out a communal role a perpetuation of an oral tradition bent on the survival of the race *Exorcising Blackness* demonstrates that the closeness and intensity of black people's historical experiences sometimes overshadows frequently infuses and enhances and definitely makes richer in texture the art of black writers By reviewing the historical and literary interconnections of the rituals of exorcism Harris opens up the hidden psyche the soul of black American writers

The Silent Shore Charles L. Chavis Jr., 2022-01-11 The definitive account

of the lynching of twenty three year old Matthew Williams in Maryland the subsequent investigation and the legacy of modern day lynchings On December 4 1931 a mob of white men in Salisbury Maryland lynched and set ablaze a twenty three year old Black man named Matthew Williams His gruesome murder was part of a wave of silent white terrorism in the wake of the stock market crash of 1929 which exposed Black laborers to white rage in response to economic anxieties For nearly a century the lynching of Matthew Williams has lived in the shadows of the more well known incidents of racial terror in the deep South haunting both the Eastern Shore and the state of Maryland as a whole In *The Silent Shore* author Charles L. Chavis Jr draws on his discovery of previously unreleased investigative documents to meticulously reconstruct the full story of one of the last lynchings in Maryland Bringing the painful truth of anti Black violence to light Chavis breaks the silence that surrounded Williams's death Though Maryland lacked the notoriety for racial violence of Alabama or Mississippi he

writes it nonetheless was the site of at least 40 spectacle lynchings after the abolition of slavery in 1864. Families of lynching victims rarely obtained any form of actual justice, but Williams's death would have a curious afterlife. Maryland's politically ambitious governor Albert C. Ritchie would in an attempt to position himself as a viable challenger to FDR become one of the first governors in the United States to investigate the lynching death of a Black person. Ritchie tasked Patsy Johnson, a member of the Pinkerton detective agency and a former prizefighter, with going undercover in Salisbury and infiltrating the mob that murdered Williams. Johnson would eventually befriend a young local who admitted to participating in the lynching and who also named several local law enforcement officers as ringleaders. Despite this, a grand jury after hearing 124 witness statements declined to indict the perpetrators. But this denial of justice galvanized Governor Ritchie's Interracial Commission, which would become one of the pioneering forces in the early civil rights movement in Maryland. Complicating historical narratives associated with the history of lynching in the city of Salisbury, *The Silent Shore* explores the immediate and lingering effect of Williams's death on the politics of racism in the United States, the Black community in Salisbury, the broader Eastern Shore, the state of Maryland, and the legacy of modern-day lynchings.
