# The Moral Trollope

**Jane Nardin**

## **The Moral Trollope:**

**The Moral Trollope** Ruth ApRoberts, 1971      The Power of Lies John Kucich, 2018-07-05 Although moral earnestness has long been considered characteristic of the Victorians Kucich maintains that English fiction in the nineteenth century was as interested in lies as in honesty In this important book Kucich explores the fascination with lying in novels by Anthony Trollope Wilkie Collins Elizabeth Gaskell Ellen Wood Thomas Hardy and Sarah Grand      Trollope & Victorian Moral Philosophy Jane Nardin, 1996 Since the publication of *The Moral Trollope* by Ruth apRoberts in 1971 literary critics have generally agreed that Trollope's morality is worthy of study apRoberts sees Trollope as an early exponent of situation ethics a liberal moralist who believes that traditional principles must always bend to the circumstances of the particular case For critics like Robert Tracy and Shirley Letwin however Trollope is a conservative moralist who believes that good conduct means strict obedience to the conventions of the society into which one is born Trollope Victorian Moral Philosophy presents still another view of Trollope's complex response to the moral philosophy of his era The most influential schools of Victorian moral philosophy were Utilitarianism Intuitionism and Idealism Though they shared few assumptions philosophers of all three schools believed that they could devise a more comprehensive and rational morality than the one their society had inherited the Stoic Hebrew Christian ethical tradition Realizing that this inherited morality was coming under intense philosophical attack Trollope moved to define and defend it in a series of novels written during the 1870s and 1880s In this examination of nine of these novels we find that Trollope rejects the belief in reason and innovation upon which most Victorian moral philosophy rests He affirms the central principles of Britain's ethical tradition but he uses those principles as the basis for a critique of its laws and customs Trollope Victorian Moral Philosophy suggests that although few critics have anything complimentary to say about his capacity for abstract thought Trollope was nevertheless an interesting moralist whose novels influenced the contemporary debate      Trollope's Later Novels Robert Tracy, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1978      *Trollope's Moral Structure in His Novels of Marriage* Margaret Ann Eldred, 1986      **Reading Ideas in Victorian Literature** Patrick Fessenbecker, 2020-05-01 This title argues against the repeated emphasis on literary form and for the artistic importance of literary content It will appeal to those interested in philosophy and literature especially the philosophy of literature The book brings together thinkers from the analytic and continental traditions in aesthetics

**Comic Faith** Robert M. Polhemus, 1982-10 Polhemus sketches several distinctions between nineteenth and twentieth century novelists and concludes that what most characterizes the nineteenth century from the perspective of the twentieth is the tendency in its comic fiction to criticize and to undermine the dogma and institutions of religion and to put faith instead

of the existence of the comic perspective Comic Faith is a virtuoso performance of impressive stature I suspect the book will be influential for many years to come John Halperin Modern Fiction Studies      **Stylistic Virtue and Victorian Fiction** Matthew Sussman,2021-07 Offers a deep history of style in theory and practice that transforms our understanding of style in the novel      Erotic Faith Robert M. Polhemus,1995-03 In this profoundly original and far reaching study Robert M Polhemus shows how novels have helped to make erotic love a matter of faith in modern life Erotic faith Polhemus argues is an emotional conviction ultimately religious in nature that meaning value hope and even the possibility of transcendence can be found in love Drawing on a wide range of disciplines Polhemus shows the reciprocity of love as subject the novel as form and faith as motive in important works by Jane Austen Walter Scott the Bront s Dickens George Eliot Trollope Thomas Hardy Joyce D H Lawrence Virginia Woolf and Samuel Beckett Throughout Polhemus relates the novelists representation of love to that of such artists as Botticelli Vermeer Claude Lorrain Redon and Klimt Juxtaposing their paintings with nineteenth and twentieth century texts both reveals the ways in which novels develop and individualize common erotic and religious themes and illustrates how the novel has influenced our perception of all art      **On Style in Victorian Fiction** Daniel Tyler,2022-01-06 Demonstrates the importance of attending to literary style in Victorian novels and provides exemplary readings of major novelists

## Adopting the Song of Term: An Psychological Symphony within **The Moral Trollope**

In some sort of taken by screens and the ceaseless chatter of immediate conversation, the melodic splendor and mental symphony developed by the published term frequently fade in to the back ground, eclipsed by the relentless sound and interruptions that permeate our lives. Nevertheless, nestled within the pages of **The Moral Trollope** a marvelous fictional prize brimming with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by an elegant musician of language, this fascinating masterpiece conducts viewers on a mental trip, well unraveling the concealed songs and profound affect resonating within each carefully constructed phrase. Within the depths of the emotional examination, we will explore the book is central harmonies, analyze its enthralling writing design, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
