Kirton-Roberts,2015-03-30 Every denomination entered the Caribbean with a mission While the general motivation was to convert the population to Christianity the accompanying practices were undoubtedly intended to civilise and westernise The Moravians and Methodists were the first two evangelical Protestant missions that brought the gospel to the enslaved Africans in the Caribbean When emancipation was granted to the enslaved Africans by the British government in 1834 the newly freed Africans had their own ideas as to how they would live work and worship They were in a struggle for freedom self affirmation self expression and personal development But the Moravians and Methodists had independently framed their thoughts on what the formerly enslaved Africans needed to survive and succeed What the evangelical Protestants created for themselves was an image of the formerly enslaved African They had drawn a mental picture of a European Christian of African descent who was residing in the Caribbean and practicing the Christianity of the West The Caribbean evangelical black was a reflection of the Europeans but never managed to fit into the submissive Christian image

This book traces the eighty years during which formerly enslaved Africans adapted to their state of freedom in Antigua and Barbados and how the Moravians and Methodists sought to shape their way of life. The book examines the theological dispositions on slavery, gender, education, religion, sexuality, and race.

A History of the Moravian Church J. E. Hutton, 2016-11-25

J. E. Hutton's superb history follows the Moravian Church from its earliest years as one of the earliest founding Protestant denominations over the centuries as it developed into a mature Christian fellowship. Arranged chronologically, Hutton's history takes us first to the dawn of the Protestant Reformation in the fifteenth century. He details the fraught religious and political situation during the decades prior to the eventual split with the dominant Catholic order. We are introduced to the pivotal figures of the era such as Peter of Chelci, Gregory the Patriarch, and Luke of Prague. By harnessing popular sentiment and using new technology such as the printing presses to spread the new Protestant doctrine, the split of Christianity occurred. The political climate of Prague, Bohemia, and the surrounding areas in which the Moravians lived is much detailed. The pure, simple observance of Christ and his virtues united the Moravian movement; the essential devotion to Jesus and his gospel appealed to Christians who yearned for community under a common banner and felt distant from the old order. Poland, in particular, proved a bastion for the Moravian brethren, many of whom traveled and carried their traditions abroad. Following the years of conflict and Reformation, the Moravians distinguished themselves as a highly competent Christian group. Members of the Moravian church were among the first missionaries to venture to the New World, which was the scene of chaotic conflicts between the rival colonial powers. The simple adherence to the word of Christ runs a common thread through the political and moral dramas as the Moravians grappled with issues such as slavery and war, helping slaves in kindness. Hutton's chronicle is thorough, intensively explaining the important aspects underpinning the Moravians. The development of their customs, how they congregated, the aesthetic appearance of their churches, and their establishment of parochial education are all detailed, giving the reader a vivid and valuable history.
