

An aerial photograph of a cityscape. In the background, a large, densely forested hill rises under a clear blue sky. The city below is filled with various buildings, including several large, multi-story brick structures. A prominent, long, rectangular brick building with many windows is in the center. To its right, there's a building with a white cupola. In the foreground, there are more buildings, some with flat roofs and others with more complex structures. A few cars are visible on the streets. The overall scene is a mix of urban development and natural landscape.
