The Genesis Prophecy:

The Genesis Prophecy Bill Rivers, 2002-02-20 A tremendous explosion in space has broken through the space fabric itself that has acted like a flash flood engulfing everything in its powerful wake Linking into the current ongoing changes within the earth it s atmosphere and the very pulse cycle of the planet Bringing forth unseen forces which has sent out an interstellar communication containing an underlined code within it that can unlock the secrets to life itself on earth and amongst the universe setting in motion an eerie apocalyptic battle between good and evil forces here and beyond This strange force has awakened a deep internal spiritual awareness of a long awaited prophecy within the people as to the origins of mankind and their true purpose A small group of individuals have stumbled upon remnants of an ancient text containing the details of the communication forming the final links to an up and coming mysterious prophetic occurrence They are now on a dangerous mission to fulfill it s prophecy Government officials and the military brass in this final race for control have invoked a global plan of dominance over the world to prevent the up and coming event and forever stop from being known the truth behind *Exploring Bible Prophecy from Genesis to Revelation* Ed Hindson, Tim LaHaye, 2011-12-01 Here is an indispensable all in one resource on the prophecies of the Bible It s all here clear and concise explanations for the key Bible prophecies from Genesis to Revelation Written by Bible scholars but created for everyday readers and Bible students this volume makes it possible for users to expand their knowledge of prophecy in ways unmatched by other books Among the notable features are more than 500 easy to read pages of explanatory comments about the prophecies in God s Word useful charts diagrams and time lines simple format for easy referencing helpful word definitions special attention to Bible passages that are particularly difficult or important Assembled by bestselling prophecy teachers Tim LaHaye and Ed Hindson along with a team of highly qualified contributors this is a must have for every Christian library Rerelease of The Popular Bible Prophecy Commentary **Genesis** Peter Shenouda, 2015-06-23 Even for those whose knowledge of the Bible is limited they are familiar with the book of Genesis It is after all the story of the beginning of what has happened It prepares us for what is and what will be Despite what you know however there are areas that may remain a mystery Author Peter Shenouda s *Genesis The Story the Allegory the Prophecy and What Matters* is the culmination of his fifteen year study of Genesis It is a concise treatise of this book of beginnings Shenouda has put together information that really matters to those reading the entire Scripture including the Apocrypha You ll learn whether Genesis is only a book of stories or if it offers any prophecies about the future Discover what is behind the letters in the story of Joseph You ll also develop an understanding of what Jacob said about the future of Israel *Genesis The Story the Allegory the Prophecy and What Matters* helps you develop a better understanding of the book and as a result of the Bible as a whole Its an opportunity to increase and deepen your biblical knowledge and faith **Prophecy Unveiled** John Buckley, 2007-09 Dr Buckley skillfully explores many of the hidden but powerful prophecies in the Bible His very clear biblical exposition defangs some cherished doctrinal issues such as

The Complete Layman's Guide To End Times Prophecy A Biblical Perspective Robert R. Ramirez, 2011-11 Have you looked around at the world and felt as though everything was falling apart America is struggling economically and no one has any answers Unemployment has been over 9% for over two years now It feels like the government is trying to take control of our lives There is speculation that Greece might collapse economically and if they do other European countries will follow suit The Middle East is in total chaos and very unstable with all these people rioting in the streets and wreaking havoc on their respective countries along with dictators falling and rising from power Iran is still telling everyone they are intent on annihilating Israel as they improve their nuclear capabilities As Christians our hope is in Jesus Christ we know that our God is sovereign so all the chaos in the world has no effect on how God brings the world to an end But the end is in sight and people are looking for something certain in this world There are so many questions Christians have regarding End Times Prophecy and do not understand simply because the church has not fulfilled its purpose in rightly dividing the Word of truth for the saints The Complete Layman s Guide to End Times Prophecy will bring together all the questions one might have regarding the end of the world and the return of the Warrior King Jesus Christ to this earth to set up His millennial kingdom This book is clear concise and cogent in its message and attempts to address all End Times Prophecy questions Doctor Robert Ramirez B A Political Science College of Santa Fe B A Pastoral Studies Moody Bible Institute MDiv The Master s Seminary DMin Trinity Southwest University Pastor Alive In Christ Bible Church President and Founder New Mexico Bible Institute Bookstore **The Popular Bible Prophecy Commentary** Tim F. LaHaye, Edward E. Hindson, 2007-02-01 Offering clear and informative explanations from notable prophecy experts a user friendly guide sheds light on a wide range of issues in Bible prophecy including the signs preceding Jesus s Second Coming Daniel s prophecies about the Antichrist Tribulation and the world s kingdoms and the interpretation of the book of Revelation **A Mechanic's Handbook To The God Of The Bible** Michael O. Borthwick, Michael O Borthwick s A Mechanic s Handbook To The God Of The Bible Why God Just Makes Sense is written from a mechanic s point of view Because the author who is a mechanic understands that there are

rules and procedures to follow when fixing things he uses that analogy in describing walking with God Just like most machines will have a manual the Bible is God s manual for his creations to follow This book is truly a very detailed handbook that shows the reader the God of the Bible from many different aspects Michael provides logical answers for those who have questions about God He systematically approaches the Word of God connecting the dots from Genesis to Revelation There is a sincerity and inspirational tone in his writing Whether he is sharing personal details about his life or explaining Bible passages his narrative style is straightforward and easy to read Borthwick s tone is casual and warm as a friendly conversation in a friend s living room This book covers many aspects of the Christian faith His personal stories which are all back by scripture tells how through the ups and downs of life some caused by his own foolishness God is always present The author s use of scriptural references to back up what he wrote in this handbook His explanation of the scriptures from the Bible makes the book true to its title It s a book that when read cover to cover gives the reader a solid foundation of Why God Just Makes Sense a good book to give out to family friends neighbours or acquaintances who s searching

Illuminati: The Secret Society That Hijacked the World (The History of One of the World's Most Notorious Secret Societies)

Patrick Hunter, Surveying experts from those who dismiss the illuminati as a short lived group of little consequence to skeptics who dare question the government s accounts and pronouncements marris cuts through the wild speculation and the attempts to silence critical thinkers to tell the true story of this secret cabal Gnosticism mystery schools the roshaniya knights templar assassins rosicrucians skull and bones knights of malta whistle blowers the revolutions in france russia and america and the structure symbols and theology of the illuminati are all covered You will learn The origins of the illuminati and how they came to be The secrets of the illuminati s hidden symbols and their true meaning The illuminati s influence in politics media and entertainment The truth behind the illuminati s supposed involvement in world events And much more Regardless of the veracity behind any of the conspiracy theories there can be no denying the profound impact of the group over the past few centuries Even those who find nothing untoward in the history of the illuminati understand the importance of the society s mystique from its origins in bavaria to its founder adam weishaupt along with those who carried the society to its peak Without question there have been an endless number of conspiracy theories surrounding the illuminati that have long had the world buzzing a trend that continues on to this very day

The Bible Myth Gary Greenberg, 2003 First published in 1998 The Bible Myth was acclaimed for its scholarship and insight Examining the troubling questions of why ancient Israel has no archaeological or documentary presence prior to and just after the Exodus from Egypt Greenberg asks who were the earliest Israelites where did they come from and under what circumstances did they come to power in Canaan Challenging conventional wisdom in this field he posits a radical new model for the study of biblical Israel Provocative polemical and erudite this is essential reading
