Finck,1899 *Christotainment* Shirley R. Steinberg,Joe L.,Joe L. Kincheloe,2018-04-17 For more than two thousand years Christian expansion and proselytizing was couched in terms of defending the faith Until recently in the United States much of that defense came in the form of reactions against the liberal influences channeled through big corporate media such as popular music Hollywood movies and network and cable television But the election of Ronald Reagan as a Hollywood President introduced Christian America to the tools of advertising and multimedia appeals to children and youth to win new believers to God s armies Christotainment examines how Christian fundamentalism has realigned its armies to combat threats against it by employing the forces it once considered its chief enemies the entertainment media including movies television music cartoons theme parks video games and books Invited contributors discuss the critical theoretical frameworks of top selling devices within Christian pop culture and the appeal to masses of American souls through the blessed marriage of corporatism and the quest for pleasure *The Billboard Burner* Bobbie Sue Busby,2017-11-10 Forty two year old Mark Smythe cannot help but wonder if the whole world has gone mad if it is just him Although he has always appreciated nature and its beauty Marks new mission now goes against everything he has ever believed in and is taking him down a path he never imagined for himself Ruby Jewel is an independent feisty single mother and billboard designer who is not looking for a man Her roles running a small advertising business and raising her eleven year old daughter keep her busy enough When she suddenly becomes the object of Marks obsession Ruby must decide whether to listen to common sense or succumb to his masculinity and relentless charm But after Ruby discovers that Mark is dedicating his life to destroy what she has been devoting her life to create she is left to choose between joining his mission or leaving him behind forever In this compelling tale a beautiful billboard designer meets a charming suitor with an unusual mission that causes both of their lives to take an unpredictable turn into the unknown

Billingsley,2021-09-14 Part literary mystery part magical tour de force an incantatory novel of fierce beauty lyricism and originality from a National Book Award Finalist A brilliant puzzle of a book from the author of Chime and The Folk Keeper plunges us into the vulnerable psyche of one of the most memorable unreliable narrators to grace the page in decades The Robber Girl has a good dagger Its voice in her head is as sharp as its two edges that taper down to a point Today the Robber Girl and her dagger will ride with Gentleman Jack into the Indigo Heart to claim the gold that s rightfully his But instead of gold the Robber Girl finds a dollhouse cottage with doorknobs the size of apple seeds She finds two dolls who give her three tasks even though she knows that three is too many tasks The right number of tasks is two like Grandmother gave to Gentleman Jack Fetch unto me the mountain s gold to build our city fair Fetch unto me the wingless bird and I shall make you my heir The Robber Girl finds what might be a home but to fight is easier than to trust when you re a mystery even to yourself and you re torn between loyalty and love The Robber Girl is at once achingly real wise to the nuances of trauma and loaded with magic action and intrigue Every sentence shines sharp as a blade in a beautifully crafted novel about memory identity and the power of language to heal and reconstruct our lives **Golden Hours** ,1875 **Sex and Sexuality** Glyn
