Lorimer* Christian,1858 *God's Voice* Riaan Engelbrecht,2023-10-12

There is this strange notion these days that God no longer speaks to His people It is said that God spoke in the Old Testament and that God today only speaks these days through His Word Yes it is true that God does speak through His Word but the wonderful and glorious news is that God does speak to His children He has a voice we have ears and there is definite communication Some even say that one is crazy to think one hears from God voices in the head apparently speak of a deep seated disorder Others claim it is purely your imagination This is sad because God is an incredibly personal God who wants to communicate with His children He wants to talk to us and He wants us to talk to Him Just because someone has not heard from God does not mean He doesn't speak Think about it The Creator of all actually speaks to us He does not just speak to the apostles or the prophets but to each and every believer This is the God whom we serve An awesome God who is not distant but a God who wants a personal relationship with us Yes we can hear from God as His children There is no simple formula but it boils down to relationship fellowship intimacy and willing to follow and listen The Mystery Behind God's Voice George Mfula , The Mystery Behind God's Voice is a book you cannot ignore to read It will bring you into realms of unprecedented fellowship with God and His Spirit Whether in Africa Australia Asia South America Europe North America or the USA no Christian should neglect the need to hear God's voice If you and I think God's voice is for pastors bishops prophets and apostles only then we have just missed it all together Everyone today needs the voice of God to fulfil destiny in a grand style Nothing more and nothing less Many people have lost their marriages jobs businesses and even their lives because of listening to the wrong voices The voice you listen to or obey will determine where you end up in life I have decided in my life to hear only one voice and that is the voice of God Many people in the Bible destroyed their destinies because of obeying the voices of people and not God's voice Even today people have destroyed their lives because of listening to the wrong voices You must not obey the voice of people more than you obey the voice of God Get this book You will scale greater heights of wisdom understanding knowledge and empowerment in Christ Jesus How To Hear God's Voice Ev. Abraham Nelson Samosir,2021-05-01 In this book you will learn how to hear God Voice and will be explained about God Heaven Hell Angel and who is the Devil It's also tell about Christianity who is true Jesus Follower who is God Servant and How you become A True Christian And this book also tells about how to clean our house from accursed things devil influence and how to cast it out There are also many valuable articles that can build your Christianity life The Holy Spirit will guide you
