The Heart An Orthodox Christian Spiritual Guide:

The Heart Spyridon Logothetis, 2001 *Spiritual Direction and the Care of Souls* David G. Benner, Gary W. Moon, 2025-06-23 In recent years many Christian clergy laity and mental health professionals have rediscovered the ancient practices of spiritual direction Seen as a refreshing alternative to the techniques and limitations of modern psychology such practices offer new insights for pastoral care But many remain unclear on what spiritual direction is and whether its methods are applicable to their own clients and parishioners Spiritual direction is a practice of Christian soul care that is found most notably in the Catholic Orthodox and Episcopal traditions but is also present in Wesleyan Holiness Pentecostal charismatic social justice and Reformed communities Predating modern counseling and psychotherapy movements but sharing key principles and insights for spiritual formation spiritual direction offers significant resources for today s pastors counselors therapists chaplains and other caregivers attuned to the work of God in people s lives In this landmark volume editors Gary W Moon and David G Benner along with a team of expert contributors provide a comprehensive survey of spiritual direction in its myriad Christian forms Specific chapters offer careful historical perspective and contemporary analysis of how Christians from various backgrounds have practiced spiritual direction with particular attention to each tradition s definition of spiritual direction the process of authentic transformation the role of the spiritual director indicators of mature spirituality and other aspects of the spiritual direction process Chapters also provide psychological and clinical insight into how spiritual direction is similar to different from and can be integrated with psychotherapy and pastoral counseling to help others experience spiritual transformation and union with God The Cambridge Companion to Orthodox Christian Theology Elizabeth Theokritoff, 2008-12-18 Orthodox Christian theology is often presented as the direct inheritor of the doctrine and tradition of the early Church But continuity with the past is only part of the truth it would be false to conclude that the eastern section of the Christian Church is in any way static Orthodoxy building on its patristic foundations has blossomed in the modern period This volume focuses on the way Orthodox theological tradition is understood and lived today It explores the Orthodox understanding of what theology is an expression of the Church s life of prayer both corporate and personal from which it can never be separated Besides discussing aspects of doctrine the book portrays the main figures themes and developments that have shaped Orthodox thought There is particular focus on the Russian and Greek traditions as well as the dynamic but less well known Antiochian tradition and the Orthodox presence in the West *Praying the Jesus Prayer* Frederica Mathewes-Green, 2011-08-01 Lord Jesus Christ Son of God have mercy on me This very simple prayer was developed in the deserts of Egypt and Palestine during the early centuries of Christian faith and has been practiced in the Eastern Orthodox Church ever since It is a prayer inspired by St Paul s exhortation to pray constantly 1 Thessalonians 5:17 and its purpose is to tune one s inner attention to the presence of the Lord This series of little books is designed to enable you to grasp the meaning of one ancient method of Christian prayer in a relatively short amount of time In *Praying the Jesus*

Prayer one of today's most respected voices on Orthodoxy in America introduces you to The history and meaning of this popular but rarely understood method of talking to God What it means to really pray with both heart and mind How to get started incorporating the Jesus Prayer into your life *The Jesus Prayer* Frederica Mathewes-Green,2009 This resource is a complete introduction to one of the most mysterious prayers of Eastern Christianity The Jesus Prayer A conversational question and answer format takes the reader through practical steps for adopting this profound practice in everyday life

Path of the Purified Heart Laura Dunham,2012-02-01 Path of the Purified Heart traces the classic Christian spiritual journey toward transformation into the likeness of Christ in a unique fascinating way Drawing on the voices of wise elders from the past and present Dunham illumines the common path all Christians and spiritual seekers may take toward union with God Through the motifs of the liturgical year and the labyrinth the author weaves in her own journey on this path during her year of purification *A Guide to St. Symeon the New Theologian* Hannah Hunt,2015-03-26 A Companion to St Symeon the New Theologian is an accessible guide to one of the great mystical writers of the Eastern Christian tradition His impassioned writings bring to life the monasticism of the Byzantine Empire at the end of the tenth century Dr Hunt's succinct analysis of his life times and work draws from his homilies hymns and other writings to show his unique contribution to the spiritual life The book details his development as a monk shaped by the guidance and example of the Studite monk Symeon Eulables his conflicts with the church authorities and his inspiration of pupils such as Nicetas Stethatos who later wrote a biography of his master Hunt places St Symeon's conviction that only direct experience of God's divine light confers authority in the context of his work as an abbot and spiritual father Other aspects of his theology such as the importance of tears visions of light and obedience to one's spiritual father are also assessed An indication of further reading indices and a comprehensive glossary of unfamiliar terms make this an invaluable addition to the field both for those studying church history or religious studies and for general Christian readers **Until Christ Is Formed in You** Steven L.

Porter,2018-05-01 Because Transformation Is Possible At a popular level Dallas Willard wrote with remarkable clarity about spiritual formation But his writings also addressed academic concerns such as shifts in modern moral philosophy the nature of education and the psychology of the human self Until Christ Is Formed in You brings together ten authors who knew Willard well to introduce his wide ranging vision and consider again the overall significance of this one of a kind teacher This collection explores topics including the Beatitudes the relationship of body and soul the kingdom of God discipleship to Jesus the nature of formation and Ignatian spirituality The book begins with a comprehensive overview of Willard's understanding of formation and it concludes with practical applications of this understanding to the disciplines of psychology and counseling

The Bloomsbury Guide to Christian Spirituality Peter Tyler,Richard Woods,2012-10-25 Introduction to Christian spirituality with scholarly input Each article is by a leading academic and explains the subject matter in an accessible and open fashion *A Luminous Life* Brock Bingaman,2021-03-23 In a culture intrigued by various forms of spirituality this

study invites readers to explore the deep historically rooted resources of the Christian spiritual classics. It is an invitation to seek the transformative presence of God, the kingdom of God, within our hearts through the spiritual classics. These classics, formed in the matrix of meditation on Scripture, are like road maps that provide invaluable wisdom and guidance for the spiritual journey. Illustrating the importance of theologically grounded spirituality, *A Luminous Life* draws from Catholic, Orthodox, and Protestant classics that stem from rich trinitarian and christological reflection. This book explores key themes in the spiritual classics, including biblical images and historical models of spiritual development: prayer, fasting, solitude, and community; the cross and suffering; the desert; spiritual direction; and contemplation and action. This study seeks to bridge the academic and ecclesial, demonstrating that the life of the mind and life in the Spirit are unified; that theological reflection and spiritual formation go together. Considering exemplary writings from diverse traditions, such as the Desert Fathers, Maximus the Confessor, Teresa of Avila, and John Calvin, *A Luminous Life* draws readers into worshipful reflection on God and formation in Christ. The book concludes with the encouragement to ongoing prayerful study of the spiritual classics as fuel for the luminous life.
