## The Henry Lawson Collection:

**Henry Lawson Collection** Henry Lawson, 1994-11-01      **The Best of Henry Lawson** Henry Lawson, 2002      *A Collection from the Works of Henry Lawson* Geoff Higgins, Henry Lawson, David Forsythe, Newman, 2010      **Henry Lawson Poems** Henry Lawson, 2010-01-31 A stunning collection from one of Australia's favourite poets. Readers have long embraced the passionate energy of Henry Lawson's poems; this collection of 177 poems showcases the very best of Lawson's heart-rendering tales of the human condition, rousing poems of social protest, images of comic characters and classic portraits such as Middleton's rouseabout as well as some of Lawson's lesser-known works including the poignant verse addressed to his lost love Hannah Thornburn. Henry Lawson was a man burdened by poverty and deafness and haunted by the specters of alcoholism and madness. Against his tortured life, the spirit, humour and understanding evident in this collection show the breadth of Lawson's achievement and demonstrate why he has endured as one of Australia's great poets. Poems listed in chronological order with title and first line indices. Such pride as a man feels when he has true greatness as his guest, this newspaper feels in introducing to a million readers a man of ability hitherto unknown to them. Henry Lawson is his name. Narrator Ray Barrett      **Henry Lawson** Henry Lawson, 1976      Biography of a Book: Henry Lawson's While the Billy Boils Paul Eggert, 2013. *Biography of a Book* traces the life of an iconic Australian literary work in the lead up to and for a century after its initial publication. Henry Lawson's 1896 collection *While the Billy Boils*. Paul Eggert follows Lawson's gradual development of a pared-back bush realism in the early 1890s as he struggled to forge a career writing short stories and sketches for the newspapers. Lawson's famous collection came out at a decisive moment for the development of a fully professional Australian literary publishing industry then in its infancy in Sydney. The volume's editing, design and production were collaborative events that changed the feel and nature of Lawson's writing. He had to give ground on his texts and their sequencing. The collection went on to be reprinted and repackaged countless times. Its production and reception histories act like a geological cross-section revealing the contours of successive cultural formations in Australia. In unravelling the life of Lawson's classic work, Eggert's book's historical approach challenges and clarifies established understandings of crucial moments in Australian literary history and of Lawson himself      Henry Lawson Selected Stories Henry Lawson, 2010-01-31.
