The Mistressclass:

The Mistressclass Michèle Roberts, 2003-09-10 Set in contemporary London and provincial France this is a story of past impulses and present day repercussions The dead father haunts his son in real life Vinny haunts her sister and the whole novel is haunted by one the form s great early exponents Charlotte Bronte and her passionate search for creative fulfilment

BOOK JACKET The Pleasure of the Feminist Text Susanne Gruss, 2009 I would regard myself as a feminist writer because I m a feminist in everything else and one can t compartmentalise these things in one s life Angela Carter When I became a feminist in 1968 I felt that I d come home the first home I ever had that was feminine And it was very wild and theatrical and erotic the early feminism Mich le Roberts Angela Carter and Mich le Roberts share a keen interest in gender and sexual identity but many of their topics seem to mark them as opposites Roberts s fascination with the impact of religion motherhood and autobiography on female identity covers areas that Carter shuns in her writings In reading these two authors parallel and in contrast to each other this monograph follows a triple objective it provides a comprehensive critical introduction to the works of Roberts explores aspects of Carter s work that have not yet been analyzed sufficiently religion motherhood and masculinity and uses both authors to explore motifs and strategies of feminist writing The analyses of both authors works are supplemented by close readings of a wide range of theoretical perspectives especially French feminism and psychoanalysis and concise theoretical outlines of the topics covered radical feminism religion motherhood and fatherhood masculinity fairy tales romances and chick lit and history and auto biography Nations, Traditions and Cross-cultural Identities Annamaria Lamarra, Eleonora Federici, 2010 European Connections Studies in Comparative Literature Intermediality and Aesthetics is a peer reviewed series that focuses on the literary and artistic relations that shape European cultures It also wishes to explore relations with non European cultures with a view to fostering more equitable models of cultural exchange and transfer *Michèle Roberts* Sarah Falcus, 2007 This book provides an accessible and yet thorough analysis of the work of Mich le Roberts a prolific half English and half French writer who can claim both literary and popular appeal Roberts s work is examined alongside contemporary feminist theory particularly the work of Luce Irigaray and feminist philosophers of religion The book traces the development of Roberts s work from its origins in the feminist movement of the seventies through its engagement with the philosophy of religion and its interest in historiography to the postmodern playfulness of her latest work At the same time the book does acknowledge enduring concerns in her oeuvre particularly the fascination with the mother daughter relationship and the desire to engage with and rewrite both history and myth The book offers detailed readings of Roberts s novels together with a selection of her short stories and poetry **Sex, Sin, and Our Selves** Anna Fisk, 2014-03-17 Sex Sin and Our Selves brings together readings in feminist theological thought and the literature of the acclaimed contemporary writers Michele Roberts and Sara Maitland Through placing theology in conversation with Roberts s and Maitland s literary engagement with issues of religion and gender this

book explores themes of selfhood connection sex sin and self sacrifice In doing so it challenges a tendency of feminist theology to seek simple and idealized answers rather than honor complexity and the need to continue to ask questions In the encounters in feminist theology and contemporary women s writing Anna Fisk employs autobiographical narrative critically understood as reading these stories beside my own *Charlotte Brontë* Amber K Regis, Deborah Wynne, 2017-07-21

Charlotte Brontë legacies and afterlives is a timely reflection on the persistent fascination and creative engagement with Charlotte Brontë s life and work The new essays in this volume which cover the period from Brontë s first publication to the twenty first century explain why her work has endured in so many different forms and contexts This book brings the story of Charlotte Brontë s legacy up to date analysing the intriguing afterlives of characters such as Jane Eyre and Rochester in neo Victorian fiction cinema television the stage and more recently on the web Taking a fresh look at 150 years of engagement with one of the best loved novelists of the Victorian period from obituaries to vlogs from stage to screen from novels to erotic makeovers this book reveals the author s diverse and intriguing legacy Engagingly written and illustrated the book will appeal to both scholars and general readers *Figuring the Woman Author in Contemporary Fiction* M.

Eagleton, 2005-12-15 If the author is dead if feminism is post why does the figure of the woman author keep appearing as a central character in contemporary fiction She is concerned with ownership but equally with loss determined to enter the cultural field but also rejecting that field looking for control but subject to duplicity seeking power alongside desire Drawing on a diverse range of contemporary authors including Atwood Byatt Brookner Coetzee Lurie LeGuin Michèle Roberts Shields Spark Weldon Walker this study explores the complexity and continuing fascination of this figure **Neo-Victorian**

Cannibalism Tammy Lai-Ming Ho, 2019-02-04 This Pivot examines a body of contemporary neo Victorian novels whose uneasy relationship with the past can be theorised in terms of aggressive eating including cannibalism Not only is the imagery of eating repeatedly used by critics to comprehend neo Victorian literature the theme of cannibalism itself also appears overtly or implicitly in a number of the novels and their Victorian prototypes thereby mirroring the cannibalistic relationship between the contemporary and the Victorian Tammy Lai Ming Ho argues that aggressive eating or cannibalism can be seen as a pathological and defining characteristic of neo Victorian fiction demonstrating how cannibalism provides a framework for understanding the genre s origin its conflicted ambivalent and violent relationship with its Victorian predecessors and the grotesque and gothic effects that it generates in its fiction **Postmortem Postmodernists** Laura E.

Savu, 2009 This book scrutinizes the genre of the author as character with respect to three broad issues authorship the posthumous and cultural revisionism that arise in reading such works from a contemporary perspective Late twentieth century fiction postmodernizes romantic and modern authors not only to understand them better but also to understand itself in relation to a past literary tradition aesthetic paradigms cultural formations etc that has not really passed Penelope Fitzgerald s *The Blue Flower* Peter Ackroyd s *The Last Testament of Oscar Wilde* and Chatterton Peter Carey s *Jack Maggs*

Michael Cunningham's *The Hours*, Colm Toibin's *The Master* and Geoff Dyer's *Out of Sheer Rage* Wrestling with D H Lawrence the mighty dead Harold Bloom are brought back to life reanimated and bodied forth in new textual bodies that project a post modern understanding of the author as a historically and culturally contingent subjectivity constructed along the lines of gender sexual orientation class and nationality Laura E Savu is a lecturer at the University of Bucharest

Biographical Fiction Michael Lackey, 2017-01-01 In recent years the biographical novel has become one of the most dominant literary forms J M Coetzee Margaret Atwood Hilary Mantel Colum McCann Anne Enright Joyce Carol Oates Peter Carey Russell Banks and Julia Alvarez are just a few luminaries who have published stellar biographical novels But why did this genre come into being mainly in the 20th century Is it ethical to invent stories about an actual historical figure What is biofiction uniquely capable of signifying Why are so many prominent writers now authoring such works And why are they winning such major awards In *Biographical Fiction A Reader* some of the finest scholars and writers of biofiction clarify what led to the rise of this genre reflect on its nature and form and specify what it is uniquely capable of doing Combining primary and critical material this accessible reader will be invaluable to students teachers and scholars of biofiction
