My Sister's Keeper L.M. Lane, 1879 **My Sister's Keeper** Kerry Duke, 1999-01-01 **My Sister's Keeper** Jodi Picoult, 2007-01-19 New York Times bestselling author Jodi Picoult tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness New York Times bestselling author Jodi Picoult is widely acclaimed for her keen insights into the hearts and minds of real people Now she tells the emotionally riveting story of a family torn apart by conflicting needs and a passionate love that triumphs over human weakness Anna is not sick but she might as well be By age thirteen she has undergone countless surgeries transfusions and shots so that her older sister Kate can somehow fight the leukemia that has plagued her since childhood The product of preimplantation genetic diagnosis Anna was conceived as a bone marrow match for Kate a life and a role that she has never challenged until now Like most teenagers Anna is beginning to question who she truly is But unlike most teenagers she has always been defined in terms of her sister and so Anna makes a decision that for most would be unthinkable a decision that will tear her family apart and have perhaps fatal consequences for the sister she loves My Sister's Keeper examines what it means to be a good parent a good sister a good person Is it morally correct to do whatever it takes to save a child's life even if that means infringing upon the rights of another Is it worth trying to discover who you really are if that quest makes you like yourself less Should you follow your own heart or let others lead you Once again in My Sister's Keeper Jodi Picoult tackles a controversial real life subject with grace wisdom and sensitivity **My Sister's Keeper** Jodi Picoult, 2009-05-19 Anna is not sick but she might as well be By age 13 she has undergone countless surgeries transfusions and shots so that her older sister Kate can somehow fight the leukemia that has plagued her since childhood **Your Sister's Keeper (who is It?)** John Strongwil, 1912 *My sister's keeper* Laura M. Lane, 1879 *No Sister's Keeper* Jeanne G'Fellers, 2013-01-01 In a society divided by birth upbringing education and status young Chandrey Brava is raised in a conservative sect but leaves home at sixteen for the Taelach Training Grounds Na ve and used to harsh discipline she doesn't recognize that Cance Lynn Creiloff is playing with her heart Seeing Cance through a serious injury Chandrey follows her to the Cleave a sharply fundamental group being eroded from within by those who welcome the servitude of thralls Cance's increasingly vicious treatment of Chandrey raises eyebrows but no more Only her family can liberate her unless she finds allies within the Cleave There may be one Taelach who can help her the mysterious Belsa Exzal Bravery resilience and stoic resistance are the hallmarks of this prequel to the award winning No Sister of Mine My Sisters' Keeper Leslie Poles Hartley, 1970 **Our Sisters' Keepers** Jill Bergman, Debra Bernardi, 2005-08-28 American culture has long had a conflicted relationship with assistance to the poor Cotton Mather and John Winthrop were staunch proponents of Christian charity as fundamental to colonial American society

while transcendentalists harbored deep skepticism towards benevolence in favor of Emersonian self reliance and Thoreau's insistence on an ascetic life. Women in the 19th century as these essays show approached issues of benevolence far differently than their male counterparts consistently promoting assistance to the impoverished in both their acts and their writings.

My Sister's Keeper Jodi Picoult, 2008-03 A major decision about me is being made and no one's bothered to ask the one person who most deserves it to speak her opinion. The only reason Anna was born was to donate her cord blood cells to her older sister. And though Anna is not sick she might as well be. By age thirteen she has undergone countless surgeries transfusions and shots so that her sister Kate can somehow fight the leukemia that has plagued her since she was a child. Anna was born for this purpose her parents tell her which is why they love her even more. But now that she has reached an age of physical awareness she can't help but long for control over her own body and respite from the constant flow of her own blood seeping into her sister's veins. And so she makes a decision that for most would be too difficult to bear at any time and at any age. She decides to sue her parents for the rights to her own body.

My Sister's Keeper Margaret Moorman, 2002 When Margaret Moorman's older sister Sally was first hospitalized with schizophrenia in 1959 her family denied the truth to neighbors friends and even themselves. Not until thirty years later when their mother's death made her Sally's sole caretaker did Margaret face the truth. Now in this poignant memoir she tells the brave story of her struggle to come to grips with the legacy of her sister's devastating disease and its effect on her own life and on her entire family. Margaret reveals her fears that she too would become ill and her ambivalence about having a family of her own. She writes about the difficulties of assuming the responsibility for Sally's care while trying to manage her own career relationships and the birth of her first child. And she tells how she and Sally finally learned to negotiate their relationship and accept each other. Candid moving and ultimately healing. *My Sister's Keeper* is a heartwarming story about two sisters and their love for each other.
