

A portrait of Swami Sivananda, a prominent Hindu spiritual leader, is centered in the upper half of the image. He is an elderly man with a shaved head, wearing traditional orange robes, and has a serene expression. The background behind him is a soft-focus landscape featuring rolling hills and a small town or village nestled in a valley. In the lower-left foreground, a portion of a suspension bridge is visible. The overall scene is bathed in the warm, golden light of a sunset or sunrise, creating a peaceful and contemplative atmosphere.

Mallik, 2022-06-15 This book is about Madeleine Slade 1892-1982 and Catherine Mary Heilemann 1901-1982 two English associates of Mohandas K Mahatma Gandhi 1869-1948 known in India as Mira Behn and Sarala Behn The odysseys of these women present a counternarrative to the forces of imperialism colonialism capitalism and globalized development The book examines their extraordinary journey to India to work with Gandhi and their roles in India's independence movement their spiritual strivings their independent work in the Himalayas and most importantly their contribution to the evolution of Gandhian philosophy of socio-economic reconstruction and environmental conservation in the present Indian state of Uttarakhand The author shows that these women developed ideas and practices that drew from an extensive intellectual terrain that cannot be limited to Gandhi's work She delineates directions in which Gandhian thought and experiments in rural development work and visions of a new society evolved through the lives activism and written contributions of these

two women Their thought and practice generated a new cultural consciousness on sustainability that had a key influence in environmental debates in India and beyond and were responsible for two of the most important environmental movements of India and the world the Chipko Movement or the movement against commercial green felling of trees by hugging them and the protest against the Tehri high dam on the Bhagirathi River To this day their teachings and philosophies constitute a useful and significant contribution to the search for and implementation of global ideas of ecological conservation and human development

The Life and Times of Baba Ramdev Ashok Raj, 2010-04-01 The continuing saga of a contemporary mass leader who sought out a vision and a method to amalgamate yoga and health care into the mainstream consciousness Baba Ramdev's emergence as the new ideologue of a national and global spiritual resurgence is considered by many as a curious phenomenon This work is a study on the making of the Ramdev spectacle with all its inescapable assertiveness mass enthusiasm and of course controversies It seeks to locate his philosophy in today's socio cultural milieu while tracing its origins in Indian spiritual history and the past landmark reformist movements that have been initiated in the country by earlier path breakers including Sri Aurobindo Swami Dayananda Paramhansa Yogananda Swami Sahajanand Saraswati Bhagwan Nityananda J N Krishnamurty and Sri Ramana Rishi Indeed Ramdev represents a renewed continuity to the great revival of the ancient Indian spiritual traditions and yoga that took place in the twentieth century and received recognition worldwide With his own version of holistic yoga as a ploy for instituting the universal right to health Baba Ramdev has proposed two distinct ideological alternatives to the current established order of the world pranayama and the yogic way of life as the key to health restoration and well being and manifestation of an enabling spiritual environment for personal and social transformation Ramdev's arrival once again underlines the continuing significance of Oriental spiritualism the world over as it offers perhaps the most promising insights for the creation of a new spiritually awakened man a man at ease with himself and with the world around him
