Portals of Promise Debbie Pushor, the Parent Engagement Collaborative the Parent Engagement Collaborative, 2013-10-30 Working with parents is a significant aspect of educators roles yet it is rare to find curriculum in teacher education programs designed to prepare individuals to consider in philosophical theoretical and pedagogical ways who they will be in relationship with parents and why Schools therefore remain hierarchical structures in which parents are marginalized in relation to decisions affecting teaching and learning This book begins with Pushor s conceptualization of a curriculum of parents a curriculum which explores beliefs and assumptions about parents a vision for education in which educators work alongside parents and family members in the learning and care of children and a desire for reform She describes a curriculum of parents in the form of three graduate teacher education courses which she lived out in relationship with students Graduate students then capture their experiences immersed in this curriculum what they each took up how it shaped their knowledge attitudes and practices and how they lived it out as they returned to their classrooms schools and early learning centres This book is a storied account of their intense immersion in a curriculum of parents and the resulting impact living that curriculum has had

on who they are in relation to parents and families It is an honest and vulnerable account of their shared and individual journeys They puzzle over the complexities and the successes of their work and the resulting impact This is not a book of best practice but an invitation to other educators to consider as they did what they do and how it could be different **Magic's Promise** Mercedes Lackey,1990-01-02 Groundbreaking epic fantasy series in Mercedes Lackey's Valdemar universe Lambda Award winning novels with heartfelt high adventure and magic Wild magic is taking its toll on the land Many Heralds and Herald Mages have died fighting to preserve the peace Even Vanyel the most powerful of the Herald Mages is almost at the end of his strength in need of a respite from the dual threats of war and dark magic But for Vanyel there can be no rest Not when his Companion Yfandes receives a summons which can't be ignored a desperate cry of a magical holocaust in the neighboring kingdom Almost overwhelmed by the devastations they discover there Herald Mage and Companion must try to unravel this tragic mystery Is the young Prince Tashir a newly Chosen Herald who can't control his magic responsible for the destruction Or is Tashir a pawn in a deeper more deadly game and if so will Vanyel be able to find and defeat the true destroyer before this master of dark powers can strike again **One More Promise** Samantha Chase,2022-04-02 Everyone has something they need to prove But for some the stakes are much higher than for others Dylan Anders has finally hit rock bottom He knows his addiction has cost him almost everything and he's ready to start making amends But how do you change when you don't even know where to begin Paige Walters is ready to prove that she has what it takes to make it in the family PR business and the literacy campaign is the perfect project to do it Or so she thought before discovering she would be working with fallen idol Dylan Anders Now she worries that everything is going to fall apart Dylan still has a long way to go to prove to the world that he's not the same man he was but his demons are never too far Only now it's not just the world he wants to show he's changed it's Paige too *The Hills Give Promise* Robert Hillyer,1923 *Wicked Promise* Kat Martin,2014-05-06 From the New York Times and USA Today bestselling author Kat Martin comes a beautiful reissued edition of *Wicked Promise* A Lady's Desperate Choice When the loathsome Lord Bascomb tries to force her into marriage Elizabeth Woolcot against her will must appeal to her influential guardian Nicholas Warring known as the Wicked Early is a darkly handsome charismatic figure with the power to save her but a past that could put her reputation dangerously at risk A ruthless womanizer he has also been convicted of murder and barely escaped hanging A Rogue's Tainted Honor Elizabeth can't help her attraction to the man who haunts her dreams nor his hunger for her But she knows it can never be For Nicholas is a married man Then a heinous crime shatters their lives and Nick is the natural suspect Elizabeth wants to believe in his innocence more than life and love itself but can she trust a man who has killed before *The Wonder, the Joy, the Promise* *Stories for Christmas* Evelyn McCarthy,2009-09-01 Nine short stories create *The Wonder* *The Joy* *The Promise* an uplifting book filled with age old and contemporary themes by author Evelyn McCarthy Mary the mother of Jesus keeps a journal In it she describes her feelings of joy trepidation and an overwhelming sense of serenity as she readies herself to give

The True Promise Kept Azhar ul Haque Sario, 2025-06-26 Was it a calculated masterstroke or a reckless gamble that pushed the Middle East to the brink This book unpacks the explosive 12 day war between Iran and Israel in June 2025 It starts with the final failed diplomatic efforts and the intelligence debates that set the stage for conflict You ll read about Israel s massive opening attack Operation Rising Lion which aimed to wipe out Iran s top military leaders and nuclear scientists in a single blow The book details the audacious assassination campaign and the covert Mossad operations that paved the way for Israeli jets Then it shifts to Iran s stunning retaliation Operation True Promise III Discover how Iran unleashed hundreds of advanced missiles including new hypersonic weapons overwhelming Israel s famed Iron Dome The analysis covers the intense battle in the skies the sophisticated drone warfare and the parallel conflict waged in cyberspace by hackers and state actors It examines the immense economic cost for both nations a key factor driving the push for peace The story climaxes with the dramatic American intervention Operation Midnight Hammer and the high stakes diplomatic maneuvers that led to a fragile chaotic ceasefire What makes this book different is its balanced multi faceted perspective moving beyond simplistic narratives of good versus evil While other accounts might focus solely on military hardware this analysis delves into the strategic thinking the political calculations and the human cost on both sides It presents the official victory narratives from both Tehran and Tel Aviv but then critically examines the deeper realities the pyrrhic nature of Israel s success and the resilient deterrence demonstrated by Iran By weaving together military strategy economic pressures cyber warfare and international diplomacy this book provides a uniquely comprehensive understanding of why the war happened how it was fought and how it has fundamentally reshaped the balance of power in the Middle East It offers a clear eyed look at the new more volatile reality of direct state on state conflict that now defines the region Disclaimer The author of this work is not affiliated with sponsored by or endorsed by any of the individuals organizations or entities mentioned All trademarks service marks and company names are the property of their respective owners This book is an independent work of strategic analysis and commentary and any references to trademarked names or protected intellectual property are made under the principles of nominative fair use for the purpose of discussion criticism and analysis
