Cooking for the Common Good Larry Stettner, Bill Morrison, 2010-08-31 On Mount Desert Island Maine winter can mean six months of isolation and tough times as year round residents hunker down through the cold season Larry Stettner and Bill Morrison vowed to change that In November 2009 the Common Good Soup Kitchen opened its doors to the public offering free soup as well as live music and a place for locals to gather interact and help each other In its first winter of operation the Common Good served over 10 000 bowls of soup to the community Run entirely by donations grants and volunteer labor the caf also runs a distribution program to deliver soup to senior residences and others who cannot make it out to the caf In Cooking for the Common Good Stettner and Morrison argue that we need to radically rethink the concept of the soup kitchen emphasizing true community building along with incorporating healthy and locally sourced food The book includes a lively third person narrative telling the story of how the Common Good Soup Kitchen was created the authors unique cooking philosophy some of their most popular soup and salad recipes and a full appendix with resources and a sample grant application for others interested in starting their own soup kitchen Today access to whole foods local organic foods and sustainable fisheries is more important than ever for our well being But because of economic inequities good whole food is once again hard to get Organic foods are largely available to the wealthiest and most privileged among us Let us break down the bastions and make natural whole food including organically based soups for everyone from chapter 2 The Soup Manifesto

The 24-Hour Soup Kitchen Stephen Henderson, 2020-04-07 It was when traveling on assignment in India that journalist Stephen Henderson first learned of soup kitchens operated by Sikh houses of worship or gurudwaras After volunteering for a week at the Gurudwara Bangla Sahib in Delhi which feeds 20 000 men women and children every day Henderson became curious to research global gastrophilanthropy or the very different ways in which hungry people are served free meals

around the world When newspaper and magazine work dispatched him to places across America and abroad Henderson would add days to his itineraries to learn about local customs of charitable cookery This intriguing series of field reports reveals the clamor chaos and compassion of kitchens in places such as Iran Israel and South Korea as well as those in Austin Los Angeles and Pittsburgh While the recipes culinary methods and clientele may vary all the soul stirring experiences share a common theme a great way to show love to the needy is through the gift of food Written with a huge heart and an even bigger appetite these chapters sad and funny sometimes both may inspire you to embark on your own acts of gastrophilanthropy Now released in paperback Stephen Henderson s revised edition adds two new chapters reflecting on the COVID 19 pandemic and its effect on food insecurity and homelessness His latest perspective demonstrates even further the necessity for all to step up in any way they can After all someone somewhere is always hungry

Soup Kitchen for the Soul Renee Crosby, 2010-05-28 Soup Kitchen for the Soul combines testimony with a challenging scriptural foundation and follows it with specific guidance on how you can get out of your church and make a difference in your community Each chapter builds on a Bible story and the author s personal experience and ends with thought questions and then action questions References include specific ways in which you can take action on what you have been studying in the book This book is suitable for personal or small group study or could be used effectively by an entire church to transform their ministry In the introduction Crosby says Upon entering Seminary I was required to serve in the community and begrudgingly accepted my assignment choosing to serve in a soup kitchen While serving in the soup kitchen God revealed himself to me in a profound and miraculous way It was in restudying the scriptures with this new heart knowledge of God that allowed me to see a message of a mission for His people that we lack a connection with today I began asking What if What if I m not the only one who doesn t understand the whole mission God has planned for us What exactly are we supposed to be doing Where in the Bible can we find directives on our missions for God What if I wrote a book about radically new old ways of doing the gospel Soup Kitchen for the Soul is that book

Miracles Among Us Nancey West, 2008-10 A look inside the Lebanon Soup Kitchen reveals the miracles God works in the lives of the servers and the served They find new meaning in life and faith in humanity by volunteering to help or by accepting a free meal Material boundaries disappear in the compassion for physical emotional and spiritual needs People come searching for acceptance of who they are and validation of their value as a human As they share their stories tears are shed in both heart breaking and joy filled accounts It is in the bare human needs where God works in the smallest detail to bring a light of hope A town of 13 000 reaches out three nights a week to serve restaurant style baked chicken Mexican casserole or German meatloaf in a safe friendly atmosphere Volunteers the homeless the working poor and the disabled come together for more than a meal more than take home food and more than hand me down clothes the real thing they find is connection with a caring community
