Historicizing Lifestyle David Bell,2016-04-22 Lifestyles have a history and lifestyle media is fundamentally implicated in this history This original volume examines issues of taste media and lifestyle from the 1900s to 1970s providing a wealth of empirical evidence and debate from varied international perspectives Including examples as diverse as Good Housekeeping and Playboy it explores the continuities and discontinuities between the past and present to provide a better understanding of the representation of lifestyle and its relationship to the self The volume demonstrates how ideas about gender nation and race problematize taken for granted assumptions about lifestyle with particular emphasis on the new middle classes in the US The book also examines the role of advertising and marketing in mediating ideas about lifestyle the role of material culture in the construction of cultural hierarchies and the positioning of social groups within wider cartographies of taste The volume makes a significant contribution to this growing field and will interest academics and students in media and cultural studies communication studies cultural history and sociology

The Guide to Period Styles for Interiors Judith Gura,2015-11-19 This compact heavily illustrated guide makes it a snap to identify period styles from the 17th century to the present day The Guide to Period Styles for Interiors Second Edition is a comprehensive reference that combines depth of content with ease of use

Including examples and analysis on 17th century Louis XIV through 20th century Late Modern and each style in between this new edition is also updated with the latest trends of the 21st century including computer design sustainable design and modern office design New sidebars interspersed throughout the book offer glimpses into historic design styles from around the globe Each style section ends with a summary of key characteristics major designers and iconic fabrics This book is an indispensable tool for identifying the trends throughout the history of interior design The Org Ray Fisman,Tim Sullivan,2015-02-22 We create organizations because we need to get a job done something we couldn't do alone and join them because we're inspired by their missions and our paycheck But once we're inside these organizations rarely feel inspirational So where did it all go wrong In The Org Ray Fisman and Tim Sullivan explain the tradeoffs that every organization faces arguing that this everyday dysfunction is actually inherent to the very nature of orgs The Org diagnoses the root causes of that malfunction beginning with the economic logic of why organizations exist in the first place then working its way up through the org's structure from the lowly cubicle to the CEO's office You'll learn The purpose of meetings and why they will never go away Why even members of al Qaeda are required to submit travel and expense reports What managers are good for How the army and other orgs balance marching in lockstep with fostering innovation Why the hospital administration not the heart surgeon is more likely to save your life Why CEOs often spend more than 80 percent of their time in meetings and why that's exactly where they should be and why they get paid so much **Westernwear** Sonya Abrego,2022-11-03 During the prosperous forward thinking era after the Second World War a growing number of men women and children across the United States were wearing fashions that evoked the Old West Westernwear Postwar American Fashion and Culture examines why a sartorial style with origins in 19th century agrarian traditions continued to be worn at a time when American culture sought balance between technocratic confidence in science and technology on one side and fear and anxiety over global annihilation on the other By analysing well known and rarely considered western manufacturers Westernwear revises the common perception that fashionable innovation came from the East coast and places western youth cultures squarely back in the picture The book connects the history of American working class dress with broader fashionable trends and discusses how and why Native American designs and representations of Native American people were incorporated broadly and inconsistently into the western visual vocabulary Setting westernwear firmly in context Sonya Abrego addresses the incorporation of this iconic style into postwar wardrobes and popular culture and charts the evolution of westernwear into a modern fashion phenomenon
