Sources of the West Mark A. Kishlansky, Victor Louis Stater, 2003 Volume II from 1600 to the Present *Sources of the West: From the beginning to 1648* Mark A. Kishlansky, 1995-01-01 *Sources of the West* Mark A. Kishlansky, 2003

Sources of the West: From the beginning to 1715 Mark A. Kishlansky, 2012 Read the voices of the past to connect with the present For introductory courses in western civilization Kishlansky presents a well balanced selection of readings that integrate coverage of social economic religious and cultural history within a traditional political framework Sources of the West includes documents on political theory philosophy imaginative literature and social history as well as constitutional documents all of which raise significant issues for classroom discussions or lectures By reading the voices of the past students can connect them to the present and learn to understand and respect other cultures while thinking critically about history Teaching and Learning Experience Personalize Learning MySearchLab provides engaging experiences that personalize learning and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals Improve Critical Thinking An introductory How to Read a Document essay provides students with a road map of how to approach and analyze each selection The essay explains the types and levels of questions students need to ask and answer in order to understand each document Engage Students Each selection raises a significant issue around which classroom discussion can take place or to which lectures can refer Some may even inspire students to seek out the complete original works Support Instructors MySearchLab and ClassPrep **Sources of The Making of the West, Volume I: To 1750**, 2012 Thoroughly revised and expanded this two volume primary source collection provides written and visual sources to accompany each chapter of The Making of the West and The Making of the West A Concise History Each chapter features five to six sources both classic and lesser known that reinforce the major political economic social and cultural developments covered in the textbook **Sources of the West: From the 1600 to the present** Mark A. Kishlansky, 1998 Sources of the West is a collection of excerpts from primary source documents designed to supplement textbooks and lectures in the teaching of Western Civilization These documents are the source material historians use to construct their accounts and interpretations of history As they examine these source materials students learn to think historically to examine the ideas of others to understand past experiences on others terms to recognize other points of view Sources of the West Mark Kishlansky, 2007-10-10 Sources of the West presents a well balanced selection of readings that integrate coverage of social economic religious and cultural history within a traditional political framework The text includes constitutional documents political theory philosophy imaginative literature and social description that raise significant issues for classroom discussions or lectures By analyzing the voices of the past readers can connect them to the present learn to understand and respect other cultures and think critically about history Sources of The Making of the West, Volume II: Since 1500 Katharine J. Lualdi, 2009 Sources of The Making of the West helps bring the

history of the west to life Thoroughly revised and designed to be used independently or as a companion reader this two volume collection parallels the major topics and themes covered in each chapter of The Making of the West A broad range of source types and themes illuminate historical experience from a diversity of perspectives This reader offers instructors even more opportunities to promote classroom discussion of primary documents and to help students develop essential historical thinking skills Publisher s website [Sources of the West](#) ,1998 *Sources of the West: From the Ancien Régime to the present* Mark A.
