South The Endurance Expedition To Antarctica:

South! Ernest Shackleton, 2019-01-31 We had seen God in His splendours heard the text that Nature renders We had reached the naked soul of man In 1914 Ernest Shackleton set out on an 1 800 mile trek across Antarctica During the three year expedition his team overcame shipwreck treacherous glaciers and a bitterly hostile climate They faced the elements on this icy continent with extraordinary determination resourcefulness and courage This account by one of Britain s greatest explorers is at once thrilling harrowing and inspiring **South** Ernest Shackleton, Sir Ernest Henry Shackleton, 1999 In 1911 Roald Amundsen beat Robert Falcon Scott to the South Pole and Scott and his colleagues all died on the return journey Ernest Shackleton who had served with Scott on a previous expedition decided that crossing Antarctica from sea to sea was the last great unattempted journey on the continent His Imperial Trans Antarctic Expedition of 1914 17 was a failure But perhaps because it failed with Shackleton not only surviving but bringing his crew back alive the expedition became more famous than many of those adventurous voyages that succeeded After reaching the Weddell Sea off the coast of the Antarctic Peninsula Shackleton s ship the Endurance became trapped in pack ice and spent 1915 drifting northwards The Endurance was eventually crushed by the ice and sank leaving 28 men stranded on the ice They spent months sheltering from the subzero temperatures as the pack ice continued to drift Eventually Shackleton accepted they could not rely on rescue and had to help themselves so he led five men on an 800 mile voyage in an open boat to reach South Georgia from where he was able to mount a rescue of all of the men he had left behind on the ice Every one of them survived a remarkable tribute to his leadership courage and determination South is Shackleton s own account of the Imperial Trans Antarctic Expedition It is a true story of courageous endurance survival against the odds and an undeterred sense of adventure This special edition includes detailed maps so that the reader can see just how extraordinary Shackleton s achievement was **South** Sir Ernest Shackleton, Tbd, 2020-03-16 First appearing in 1919 South The Endurance Expedition is the gripping account of those who traveled with Sir Ernest Shackleton on his third expedition to Antarctica In August 1914 Shackleton set out with a crew of twenty eight aboard the ship Endurance in an effort to become the first men to cross the vast Antarctic land mass a grand plan that was given the lofty title The Imperial Trans Antarctic Expedition At the same time the Endurance set out into the Weddell Sea so that a group of six including Shackleton could traverse the vast continent another ship called The Aurora landed on the other side of the continent to leave supplies for Shackleton s group Their adventurous and daring exploration soon became a struggle for survival however when the Endurance was trapped by solid ice which slowly crushed and disabled the ship and left the crew stranded in a barren snowy wilderness What would follow is one of the most gripping tales of heroism and survival in the face of almost certain death to have ever been told Drawing upon the first hand accounts of the men who lived to tell the tale South The Endurance Expedition is a harrowing and fascinating saga of polar exploration This edition is printed on premium acid free paper **South** Ernest Shackleton, 2004-01-27 As war clouds darkened over Europe

in 1914 a party led by Shackleton set out to make the first crossing of the entire Antarctic continent via the Pole But their initial optimism was short lived as ice floes closed around their ship gradually crushing it and marooning 28 men on the polar ice Alone in the world s most unforgiving environment Shackleton and his team began a brutal quest for survival And as the story of their journey across treacherous seas and a wilderness of glaciers and snow fields unfolds the scale of their courage and heroism becomes movingly clear **South** Sir Ernest Henry Shackleton,1920 **South with Endurance** Frank Hurley,2001 The definitive collection of Frank Hurley s amazing photos from Shackleton s Antarctic expedition is the first book to reproduce all the surviving expedition photos some of which have never been published Over 450 photos South Sir Ernest Henry Shackleton,2002 The epic first hand account of the Endurance expedition As the first world war broke out in Europe Shackleton s expedition to the South Pole became trapped by ice Their ship the Endurance was crushed and the men were forced to survive in and escape from one of the world s most hostile environments Traversing glaciers scaling cliffs and crossing treacherous seas in open boats all the time threatened by cold and hunger the men through their own strength and Shackleton s leadership all made it to safety **South; The Story of Shackleton's Last Expedition, 1914-1917** Sir Ernest Henry Shackleton,2023-09-10 Reproduction of the original The publishing house Megali specialises in reproducing historical works in large print to make reading easier for people with impaired vision **South** Ernest Shackleton,2008 This first person account of the Endurance crew s famed odyssey across the frozen Antarctic is a classic tale of survival resolve and leadership **Endurance** Alfred Lansing,1959 Account of British Imperial Transatlantic Expedition 1914 1917 led by E H Shackleton based on original diaries
