South To A Very Old Place:

South to a Very Old Place Albert Murray, 1991-09-03 The highly acclaimed novelist and biographer Albert Murray tells his classic memoir of growing up in Alabama during the 1920s and 1930s in *South to a Very Old Place* Intermingling remembrances of youth with engaging conversation African American folklore and astute cultural criticism it is at once an intimate personal journey and an incisive social history informed by the poet's language the novelist's sensibility the essayist's clarity the jazzman's imagination the gospel singer's depth of feeling *The New Yorker* His perceptions are firmly based in the blues idiom and it is black music no less than literary criticism and historical analysis that gives his work its authenticity its emotional vigor and its tenacious hold on the intellect It destroys some fashionable sociopolitical interpretations of growing up black Toni Morrison *The New York Times Book Review* *South to a Very Old Place* Albert Murray, 2012-09-19 The highly acclaimed novelist and biographer Albert Murray tells his classic memoir of growing up in Alabama during the 1920s and 1930s in *South to a Very Old Place* Intermingling remembrances of youth with engaging conversation African American folklore and astute cultural criticism it is at once an intimate personal journey and an incisive social history informed by the poet's language the novelist's sensibility the essayist's clarity the jazzman's imagination the gospel singer's depth of feeling *The New Yorker* His perceptions are firmly based in the blues idiom and it is black music no less than literary criticism and historical analysis that gives his work its authenticity its emotional vigor and its tenacious hold on the intellect It destroys some fashionable socio political interpretations of growing up black Toni Morrison *The New York Times Book Review* [What Moves at the Margin](#) Toni Morrison, 2008 Collecting three decades of Morrison's writings about her work life literature and American society this collection provides a unique glimpse into her viewpoint as an observer of the world the arts and the changing landscape of American culture **Blowin' Hot and Cool** John Gennari, 2010-09-15 In the illustrious and richly documented history of American jazz no figure has been more controversial than the jazz critic Jazz critics can be revered or reviled often both but they should not be ignored And while the tradition of jazz has been covered from seemingly every angle nobody has ever turned the pen back on itself to chronicle the many writers who have helped define how we listen to and how we understand jazz That is of course until now In *Blowin' Hot and Cool* John Gennari provides a definitive history of jazz criticism from the 1920s to the present The music itself is prominent in his account as are the musicians from Louis Armstrong and Duke Ellington to Charlie Parker John Coltrane Roscoe Mitchell and beyond But the work takes its shape from fascinating stories of the tradition's key critics Leonard Feather Martin Williams Whitney Balliett Dan Morgenstern Gary Giddins and Stanley Crouch among many others Gennari is the first to show the many ways these critics have mediated the relationship between the musicians and the audience not merely as writers but in many cases as producers broadcasters concert organizers and public intellectuals as well For Gennari the jazz tradition is not so much a collection of recordings and performances as it is a rancorous debate the dissonant noise clamoring in response to the sounds

of jazz Against the backdrop of racial strife class and gender issues war and protest that has defined the past seventy five years in America Blowin Hot and Cool brings to the fore jazz s most vital critics and the role they have played not only in defining the history of jazz but also in shaping jazz s significance in American culture and life *Mastering Western Texts* A. N. Kaul,2003 This Volume Will Interest All Students Of English And American Studies Colonialism And Nationalism Culture And Gender Issues The Complex Relation Between Literture And Society And The Even More Complex Relationship Between Western Texts And Indian Leaders Always in Pursuit Stanley Crouch,2010-02-24 As a cultural and political commentator Stanley Crouch in unapologetically contentious and delightfully iconoclastic Whether he is writing on the uniqueness of the American South the death of Tupak Shakur the O J Simpson verdict or the damage done by the Oklahoma City bombing Crouch s high velocity exchange with American culture is conducted with scrupulous allegiance to the truth even when it hurts and it usually does And on the subject of jazz from Sidney Bechet to Billy Strayhorn Duke Ellington to Miles Davis there is no one more articulate impassioned and encyclopedic in his knowledge than Stanley Crouch Crouch approaches everything in his path with head on energy restless intelligence and a refreshing faith in the collective experiment that is America and he does so in a virtuosic prose style that is never less than thrilling *Albert Murray and the Aesthetic Imagination of a Nation* Barbara A. Baker,2010-06-29 This is the first book length study of the writings work and life of Renaissance man and Alabama native Albert Murray The collection consists of essays and interviews written by prominent scholars of African American literature jazz and Albert Murray that illustrate Murray s place as a central figure in African American arts and letters and as an American cultural pioneer Book jacket Bradshaw's illustrated travellers' hand book in [afterw.] to France George Bradshaw,1855 The Hero And the Blues Albert Murray,2012-09-19 In this visionary book Murray takes an audacious new look at black music and in the process succeeds in changing the way one reads literature Murray s subject is the previously unacknowledged kinship between fiction and the blues Both he argues are virtuoso performances that impart information wisdom and moral guidance to their audiences both place a high value on improvisation and both fiction and the blues create a delicate balance between the holy and the obscene essential human values and cosmic absurdity Encompassing artists from Ernest Hemingway to Duke Ellington and from Thomas Mann to Richard Wright *The Hero and the Blues* pays homage to a new black aesthetic **Bradshaw's illustrated travellers' hand book in [afterw.] to France** George Publisher of the Rail Bradshaw,1855 Bradshaw s Illustrated Travellers Hand Book to France Adapted to All the Railway Routes With a Short Itinerary of Corsica and an Introductory Guide to Paris With Maps Town Plans and Illustrations
