Southpaws and Sunday Punches Christine Ammer, 1994 **Southpaws & Sunday Punches** Christine Ammer, 1993
Examines the roots of five hundred common expressions originating in the world of sports The Field Guide to Sports Metaphors Josh Chetwynd, 2016-05-10 A gift worthy playbook of common and unexpected words and idioms that have their roots in sports and games There are many metaphors we can quickly identify from the realm of sports covering all the bases baseball game plan football and par for the course golf But the English language is also peppered with the not so obvious influence of sports and games such as go to guy basketball and dead ringer horse racing Filled with pithy entries on each idiom plus quotes showing how big talkers from President Obama to rapper Ice T use them this quirky little handbook from former minor league ballplayer and award winning journalist Josh Chetwynd is sure to be a conversation starter at tailgates cocktail parties and in the boardroom **The American Heritage Dictionary of Idioms, Second Edition** Christine Ammer, 2013 Fifteen years after the publication of the first edition of the American Heritage R Dictionary of Idioms author Christine Ammer has extensively updated and expanded her original text making over 1500 revisions and adding hundreds of new entries such as couch potato elephant in the room senior moment and think outside the box to keep up with the rapidly changing English language "Yes We Can" Wolfgang Mieder, 2009 As President Barack Obama outlined his promise for change during the presidential campaign he made effective use of proverbs and proverbial phrases and invented many quotable epithets that have all the makings of future proverbs This book examines how Obama s natural and authentic reliance on traditional metaphors enhances his impressive rhetoric rather than reducing it to mere sound bites Proverbs with their often colorful metaphors add expressiveness and emotion to his communications giving people the opportunity to follow his pragmatic or philosophical arguments through common language No matter the subject Obama s prose contains metaphorical language that makes his rhetoric and oratory universally accessible This book contains detailed analyses of the proverbial rhetoric in Obama s books *Dreams from My Father* 1995 and *The Audacity of Hope* 2006 A section looks at his proverbial language in 229 speeches news conferences interviews and radio addresses and the final section presents in depth studies of his seven most significant addresses It includes a comprehensive contextualized index of 1714 proverbial texts found within the writings and speeches from Obama s political beginnings to his memorable inaugural address *Baseball and the Music of Charles Ives* Timothy A. Johnson, 2004 *Baseball and the Music of Charles Ives* offers readers an exceptionally rich understanding of Charles Ives Through intelligent discussion of Ives s musical compositions combined with solid research on the composer s lifelong love of the American pastime Ives s pioneering spirit and unique creativity are highlighted most clearly in this fascinating work **Sport in American Culture** Joyce D. Duncan, 2004-11-19 A unique and timely exploration of the cultural impact of sport on American society including lifestyles language and thinking Sport in American Culture is the first and only reference work to provide an in depth and up to date exploration of sport and its

impact on American culture Essays from more than 200 scholars professionals and sports enthusiasts address how sport has changed our lifestyles language and thinking Arranged alphabetically the work introduces key sport figures and national icons with a focus on their cultural impact examines individual sports and how they have influenced society and discusses such phenomena as the billion dollar athletic apparel industry sport as big business and the effect of sport on gender racial views pride and nationalism In addition to expected topics the work also includes less studied areas such as myths audience rituals Wheaties comic books the hula hoop and religion

The Chicago Tribune Book of the Chicago Cubs Chicago Tribune,2021-05-19 The history of Chicago s first major league team packed with photos stories and profiles from the archives of their hometown newspaper The Chicago Tribune Book of the Chicago Cubs is a decade by decade look at one of baseball s most beloved if hard luck teams starting with the franchise s beginnings in 1876 as the Chicago White Stockings and ending with the triumphant 2016 World Series championship For over a century the Chicago Tribune has documented every Cubs season through original reporting photography and box scores For the first time this mountain of Cubs history has been mined and curated by the paper s sports department into a single one of a kind volume Each era in Cubs history includes its own timeline profiles of key players and coaches and feature stories that highlight it all from the heavy hitters to the no hitters to the one hit wonders And of course you can t talk about the Cubs without talking about Wrigley Field In this book readers will find a complete history of that most sacred of American stadiums where Hack Wilson batted in 191 runs still the major league record in 1930 where Sammy Sosa earned the moniker Slammin Sammy and where fans congregated even when the team was on the road throughout its scintillating championship run

Spanish Phonology and Morphology David Eddington,2004 Unlike most monographs on Spanish phonology and morphology that approach these topics from a structuralist or generativist framework this volume is written from a less traditional point of view More specifically it emphasizes quantitative evidence from sources such as usage based studies psycholinguistic experiments corpus data and computer simulations Arguments are presented to demonstrate that these kinds of evidence are crucial for establishing theories of language that relate to the psychological mechanisms involved in producing and comprehending speech in contrast to theories about abstract linguistic structure A range of topics is covered including morphological parsing nominalization stress syllable structure diphthongization gender morphophonemic alternations and epenthesis An appendix is included that serves as a primer on quantitative linguistic research It discusses how some of the cited experiments were carried out provides an introduction to statistical analysis and discusses tools that are available for conducting quantitative research on the Spanish language
