Soviet Decision Making In Practice The Ussr And Israel 1947 1954:

Soviet Decision Making in Practice Yaacov Ro'i, The Soviet Union executed an apparent about face in its traditional anti Zionist position when the Palestine issue came before the United Nations in 1947 In addition to political support at the UN from May 1947 to May 1949 important military assistance was rendered to the Jewish Palestinian Yishuv throughout 1948 by the Eastern bloc Toward the end of that year however indications of change became apparent and the Soviet Union began criticizing Israel This book studies the USSR s attitude toward the establishment of a Jewish state in Palestine in the immediate post World War II period and toward Israel in the first years of its existence and it investigates the complex of considerations that caused the initial apparent reversal of traditional Soviet anti Zionism The author contends that this support for Israel contributed considerably to the evoking of Soviet Jewry s enthusiastic reaction to the establishment of the State But this very reaction resulted in turn in Moscow changing its tactics again since it could not allow its Jewish citizens to identify with a state outside the Soviet Union and the Communist orbit During the few years after the Israeli War for Independence in which the Arab Israeli conflict was relatively low key the USSR adopted a position of seeming neutrality between two sides while quietly wooing the Arab nations Ro i examines how toward the end of the Stalin period the Jewish problem again intervened with the infamous Doctor s Plot and how early in 1953 the Soviet Union severed diplomatic relations with Israel One year later the USSR cast its first two pro Arab vetoes in the UN Security Council and from this point on Soviet Israeli relations openly became a function of the increasingly cordial Soviet friendship with the Arab world

Documents on Israeli-Soviet Relations, 1941-1953 , *Russian Jews on Three Continents* Noah Lewin-Epstein,Paul Ritterband,Yaacov Ro'i,2013-10-31 In the past twenty years almost three quarters of a million Russian Jews have emigrated to the West Their presence in Israel Europe and North America and their absence from Russia have left an indelible imprint on these societies The emigrants themselves as well as those who stayed behind are in a struggle to establish their own identities and to achieve social and economic security In this volume an international assembly of experts historians sociologists demographers and politicians join forces in order to assess the nature and magnitude of the impact created by this emigration and to examine the fate of those Jews who left and those who remained Their wide ranging perspectives contribute to creating a variegated and complex picture of the recent Russian Jewish Emigration *Documents on Israeli-Soviet Relations 1941-1953* Russia Russian Academy of Sciences,The Cummings Center for Russian Studies,The Foreign Ministry of the Russian Federation,The Israel Foreign Ministry,The Oriental Institute,The Russian Federal Archives,Israel University of Tel Aviv,2020-12-17 These annotated documents give an insight into the relationship between the Soviet Union and Palestine Israel from 1941 to 1953 Most of the documents appear here for the first time declassified and published in accordance with a bilateral agreement between Israel and Russia *The Soviet Government and the Jews 1948-1967* Benjamin Pinkus,Jonathan Frankel,1984-09-13 A comprehensive analysis of Soviet policy towards the Jews with a

section of documents accompanying each chapter Discusses the Soviet theory of nationality the legal status of Soviet Jewry the persistence of antisemitism and its exploitation by the regime the internal religious and cultural life of the Jews and the restrictions placed on them by the regime and the oriental Jewish communities See in particular ch 3 p 83 146 Anti Semitism in the Soviet Union ch 11 p 387 420 Jews in Soviet Literature and ch 12 p 421 438 The Holocaust and Jewish Resistance as Reflected in Soviet Academic Literature and the Press **Soviet Foreign Policy, 1917-1991** Gabriel

Gorodetsky,2014-01-14 A comprehensive assessment of Soviet relations with the West set in the context of the emergence of a new Russia This volume analyzes the formulation of foreign policy during the period from the first decade of the Bolshevik Revolution through the gradual erosion of ideological differences **Problems of Communism** ,1982 Cross on the Star of David Uri Bialer,2005-10-26 The official establishment of the State of Israel in May 1948 constituted the realization of the Zionist vision but military victory left in its wake internal and external survival issues that would threaten this historic achievement for decades to come The refusal of the international community to recognize the political geographic and demographic results of the War of Independence presented Israel with a permanent regional security threat while isolating and alienating it in the international arena One of the most formidable problems Israeli foreign policy faced was the stance of the Christian world toward the new state Attitudes ranged from hostility and categorical non recognition by the Catholic Church through Protestant ambivalence to Evangelical support Cross on the Star of David presents the first scholarly analysis based on newly declassified documents of Israeli policymaking on this issue Uri Bialer focuses on the impact that modes of thinking rooted in the historical tradition of Jewish Christian interactions had on Israeli policymakers and concludes that they were not innocent of the perceptions and biases that influenced the Christian world's behavior toward Israel The result is a fine grained original interpretation of an important dimension of Israeli foreign policy from the founding of the State to the 1967 War Jews and Jewish Life in Russia and the Soviet Union Yaacov Ro'i,2016-02-11 The main focus of this book is Jewish life under the Soviet regime The themes of the book include the attitude of the government to Jews the fate of the Jewish religion and life in Post World War II Russia The volume also contains an assessment of the prospects for future emigration *The Legality of a Jewish State* John Quigley,2021-12-16 In *The Legality of a Jewish State* the author traces the diplomatic history that led to the partition of Palestine in 1948 and the creation of Israel as a state He argues that the fate of Palestine was not determined on the basis of principle but by the failure of legality In focusing on the lawyer diplomats who pressed for and against a Jewish state at the United Nations he offers an explanation of the effort in 1947 48 by Arab states at the UN to gain a legal opinion from the International Court of Justice about partition and the declaration of a Jewish state Their arguments at that time may surprise a twenty first century reader touching on issues that are still at the heart of the contemporary conflict in the Middle East

Eventually, you will no question discover a extra experience and execution by spending more cash. still when? realize you take on that you require to get those all needs once having significantly cash? Why dont you attempt to get something basic in the beginning? Thats something that will guide you to understand even more in relation to the globe, experience, some places, later history, amusement, and a lot more?

It is your categorically own epoch to fake reviewing habit. in the middle of guides you could enjoy now is **Soviet Decision Making In Practice The Ussr And Israel 1947 1954** below.
