

Soviet-American Science Accord: Could Dissent Deter Détente?

Through the years of the Cold War, American and Soviet scientists have managed to maintain relatively amicable relations amid the variable hostility of the two superpowers. Contacts were sustained through international scientific organizations and meetings, Pugwash conferences, limited but durable official exchange programs, and through a variety of improvised personal efforts. Now, at a time when Soviet and American governments seem genuinely committed to major expansion of cooperation between the two scientific communities (see story below), some

American scientists are viewing the prospect in a critical spirit, and a few are even raising the question of their willingness to cooperate.

Two main issues are involved. The first is the Soviet government's policy on the emigration of Soviet Jews to Israel. The problem has a special dimension for Jewish scientists and other professionals, since Soviet authorities have applied special sanctions against them, most notably an "education tax," levied, as the explanation goes, to compensate the state for the cost of the training of members of the elite.

The second issue is the more general one of "scientific freedom." For years, Western scientists have been aware of official controls on the activities of Soviet scientists—for example, on freedom to travel outside the Soviet Union to attend international meetings, to receive foreign visitors in their laboratories, to exchange research results, and even to conduct personal correspondence with foreign colleagues. In broad terms, American and western European scientists are arguing for international acceptance of the principle that a scientist should have the right to pursue his work to the limits of his abilities where he chooses.

To some degree, the scientific-freedom issue intersects the "human rights" issue raised in the Soviet Union by a relatively small group of dissenters who concern themselves primarily with civil liberties. Several prominent scientists, writers, and artists have been identified with this "movement." Physicist Andrei

U.S.-U.S.S.R. Agreement on Cooperation in Science, Technology

American and Soviet negotiators on 21 March announced 25 "action programs" designed to give substance to the agreement on cooperation in fields of science and technology signed during President Nixon's visit to Moscow last May.

The science and technology protocol—or "S and T" agreement as it is called for convenience—is one of four new agreements for cooperation in scientific and technical fields unveiled in Moscow. The other three accords were in medical science and public health, space, and environmental protection. The new agreements are regarded as falling within the general rubric of the American-Soviet agreement on exchanges and cooperation in scientific and cultural fields established in the 1950's. Scientific exchanges have been administered by the National Academy of Sciences on the American side, but under the new agreements a variety of agencies, including the National Science Foundation (NSF), will participate directly. Work in each of the four new areas is being coordinated by a "joint commission" composed of high-level Soviet and American government officials and scientists, but specific projects are being developed by working groups of specialists from government, universities, and industry in the two countries.

Implementation of the agreement on science and technology is somewhat less advanced than on the other protocols. In the environment, health, and space areas, considerably more spacework had been done before the Moscow talks. Meetings on the S and T agreement were delayed by the illness of V. A. Kirillin, chairman of the Soviet State Committee for Science and Technology and Soviet chairman of the joint commission on scientific

and technical cooperation. For the Americans, Edward E. David, Jr., first U.S. chairman of the Joint commission, was replaced by NSF director H. Guyford Stever, after David resigned as the President's science adviser in January.

Estimates of the costs of participation in the cooperative efforts have not yet been made public, and there has been speculation as to whether the Nixon Administration, in a time of budget stringency, would be willing to put large sums into new programs.

So far, the only major undertaking in progress is the development of compatible rendezvous and docking systems for manned Soviet and American spacecraft and space stations. The necessary funds have been approved by the Office of Management and Budget for the coming fiscal year, and design of the hardware is said to be well along. A team of about 40 Soviet scientists, engineers, and cosmonauts was in Houston during the last half of March working on the project.

It is axiomatic that projects involving development of hardware systems are expensive, and no such big projects in other areas are said to be even in the talking stage.

In general, federal agencies have been told they will have to finance their activities under the cooperative program out of available funds. So far, costs have been confined primarily to paying for exchange visits by working parties and small groups of scientists, and the expense has been manageable. Observers say that there are signs that the Soviets may have budget problems of their own and that the terms have made agencies on both sides limit projects to those they really want to do.

Much of the activity planned so far amounts to ex-

Henry L. Feingold

Soviet Dissent Intellectuals Jews And Detente:

Soviet Dissent; Intellectuals, Jews, and Détente Albert Axelbank, 1975-01-01 Discusses contemporary dissent of intellectuals artists and Jews in the USSR and examines a few individual cases Biographical Dictionary of Dissidents in the Soviet Union, 1956-1975 E.J. Driessen, H.L. Verhaar, S.P. de Boer, 2024-11-25 Protest, Reform and Repression in Khrushchev's Soviet Union Rob Hornsby, 2013-02-14 Robert Hornsby draws on a range of declassified archival material to analyse political protest and government repression in post Stalin USSR *The Jews of the Soviet Union* Benjamin Pinkus, 1988 This is a comprehensive and topical history of the Jews in the Soviet Union and is based on firsthand documentary evidence and the application of a pioneering research method into the fate of national minorities Within a four part chronological framework Professor Pinkus examines not only the legal political status of the Jews and their reciprocal relationship with the Soviet majority but also the impact of internal economic demographic and social processes upon the religious educational and cultural life of Soviet Jewry A second layer of analysis describes in depth the complex linkages between the Jews of the Soviet Union the Jews in other diasporas and the state of Israel itself The Jews of the Soviet Union marks a major contribution to the historiography and social analysis of its subject and provides a worthy companion to Professor Pinkus's acclaimed documentary study *The Soviet Union and the Jews 1948-1967* **A History of the Jews in the Modern World** Howard M. Sachar, 2007-12-18 The distinguished historian of the Jewish people Howard M Sachar gives us a comprehensive and enthralling chronicle of the achievements and traumas of the Jews over the last four hundred years Tracking their fate from Western Europe's age of mercantilism in the seventeenth century to the post Soviet and post imperialist Islamic upheavals of the twenty first century Sachar applies his renowned narrative skill to the central role of the Jews in many of the most impressive achievements of modern civilization whether in the rise of economic capitalism or of political socialism in the discoveries of theoretical physics or applied medicine in higher literary criticism or mass communication and popular entertainment As his account unfolds and moves from epoch to epoch from continent to continent from Europe to the Americas and the Middle East Sachar evaluates communities that until lately have been underestimated in the perspective of Jewish and world history among them Jews of Sephardic provenance of the Moslem regions and of Africa By the same token Sachar applies a master's hand in describing and deciphering the Jews unique exposure and functional usefulness to totalitarian movements fascist Nazi and Stalinist In the process he shines an unsparing light on the often widely dissimilar behavior of separate European peoples and on separate Jewish populations during the Holocaust A distillation of the author's lifetime of scholarly research and teaching experience *A History of the Jews in the Modern World* provides a source of unsurpassed intellectual richness for university students and educated laypersons alike *The Modern Jewish Experience* Jack Wertheimer, 1993-01-01 The pace of scholarly research and academic publication in fields of Judaica has quickened dramatically in the second half of the twentieth century The major consumers and producers

of this new scholarship are found in Jewish Studies programs that have proliferated at institutions of higher learning around the world since the 1960s. From the vantage point of the nineties it is difficult to fathom that until thirty years ago Jewish studies courses were mainly limited to a few elite universities, rabbinical seminaries and Hebrew teachers colleges. Today there are few colleges at public or private institutions of higher learning that do not sponsor at least some courses on aspects of Jewish study. In light of this explosion of research on Jewish topics, non-specialists and educators can benefit from guidance through the thicket of new monographs, source anthologies, textbooks and scholarly essays. *The Modern Jewish Experience*, the result of a multi-year collaboration between the International Center for the University Teaching of Jewish Civilization and the Jewish Theological Seminary of America, offers just such guidance on a range of issues pertaining to modern Jewish history, culture, religion and society. With contributions from two dozen leading scholars, *The Modern Jewish Experience* presents practical information and guidelines intended to expand the teaching repertoire for undergraduate courses on modern Jewish life as well as a means for college professors to enrich and diversify their courses with discussions on otherwise neglected Jewish communities, social and political issues, religious and ideological movements and interdisciplinary perspectives. Sample syllabi are also included for survey courses set in diverse linguistic settings. An indispensable resource for undergraduate instruction, this volume may also be used to great profit by educators of adults in synagogue and Jewish communal settings as well as by individual students engaged in private study.

Intellectuals, Jews and Detente Albert Akselbank, 1975

Constructing Ethnopolitics in the Soviet Union D. Zisserman-Brodsky, 2003-07-03

The nationality question was long central to Soviet thought and policy and the failure to provide a convincing answer played a major role in the break up of the Soviet Union into ethnically or nationally defined states. Zisserman-Brodsky explores various explanations of nationalism and its resurgence through a close and unprecedented examination of dissident writings of diverse ethnic groups in the former Soviet Union, thereby bridging macro theory with micro politics. Dissident ethnic networks were a crucial independent institution in the Soviet Union and a basis of civil society. Voicing the discontent and resentment of the periphery at the policies of the centre or metropole, the dissident writings known as samizdat highlighted anger at deprivations imposed in the political, cultural, social and economic spheres. Ethnic dissident writings drew on values both internal to the Soviet system and international as sources of legitimation; they met a divided reaction among Russians, with some privileging the unity of the Soviet Union and others sympathetic to the rhetoric of national rights. This focus on national rather than individual rights helps explain developments since the fall of the Soviet Union, including the prevalence of authoritarian governments in newly independent states of the former Soviet Union.

When They Come for Us, We'll Be Gone Gal Beckerman, 2010-09-23

The remarkable story of the grass roots movement that freed millions of Jews from the Soviet Union. *The Plain Dealer*. At the end of World War II, nearly three million Jews were trapped inside the USSR. They lived a paradox: unwanted by a repressive Stalinist state yet forbidden to leave. *When They Come for Us, We'll Be Gone* is the

astonishing and inspiring story of their rescue Journalist Gal Beckerman draws on newly released Soviet government documents as well as hundreds of oral interviews with refuseniks activists Zionist hooligans and Congressional staffers He shows not only how the movement led to a mass exodus in 1989 but also how it shaped the American Jewish community giving it a renewed sense of spiritual purpose and teaching it to flex its political muscle Beckerman also makes a convincing case that the effort put human rights at the center of American foreign policy for the very first time helping to end the Cold War This wide ranging and often moving book introduces us to all the major players from the flamboyant Meir Kahane head of the paramilitary Jewish Defense League to Soviet refusenik Natan Sharansky who labored in a Siberian prison camp for over a decade to Lynn Singer the small fiery Long Island housewife who went from organizing local rallies to strong arming Soviet diplomats The New Yorker This excellent multigenerational saga filled with suspense and packed with revelations provides an essential missing piece of Cold War and Jewish history The Washington Post **Silent No More** Henry L. Feingold, 2007-01-03 Leading scholar and author of the celebrated five volume series The Jewish People in America Henry L. Feingold offers a fresh and inspiring look at the Russian Soviet Jewish emigration phenomenon Haunted by its sense of failure during the Holocaust the Soviet Jewry movement set for itself an almost unrealizable goal of finding sanctuary for Jews from a hostile Soviet government Working together with activists in Israel and Europe and with a remarkable group of refuseniks that had been denied the right to emigrate this courageous group mounted a relentless campaign lasting almost three decades Although Feingold credits Israel with initiating the struggle for Soviet Jewry and fostering it within American Jewry he maintains that it was the actions of a secure and confident American Jewry that finally delivered the Jews from the Soviet Union Feingold s mastery of detail and broadness of scope provide a prodigious and sweeping account of the American Jewish movement He finds early roots of the effort in the American Jewish involvement with Jewish emigration in late Tsarist Russia He highlights both the human dimension of the exodus and the complex international ramifications of the movement especially in the Middle East Silent No More concludes by pondering the role of the movement s effective public relations campaign which focused on the human right of freedom of movement in hastening the collapse of the Soviet empire Feingold s rigorous scholarship sheds light on an important yet rarely told episode in history one that will enliven further examination of the subject This book will be of interest to scholars of American Jewish history the cold war Israeli studies and American ethnic and immigration history

Soviet Dissent Intellectuals Jews And Detente Introduction

In today's digital age, the availability of Soviet Dissent Intellectuals Jews And Detente books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Soviet Dissent Intellectuals Jews And Detente books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Soviet Dissent Intellectuals Jews And Detente books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Soviet Dissent Intellectuals Jews And Detente versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation.

Furthermore, Soviet Dissent Intellectuals Jews And Detente books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Soviet Dissent Intellectuals Jews And Detente books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Soviet Dissent Intellectuals Jews And Detente books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized

books and historical documents. In conclusion, Soviet Dissent Intellectuals Jews And Detente books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Soviet Dissent Intellectuals Jews And Detente books and manuals for download and embark on your journey of knowledge?

FAQs About Soviet Dissent Intellectuals Jews And Detente Books

1. Where can I buy Soviet Dissent Intellectuals Jews And Detente books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Soviet Dissent Intellectuals Jews And Detente book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Soviet Dissent Intellectuals Jews And Detente books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Soviet Dissent Intellectuals Jews And Detente audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google

Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Soviet Dissent Intellectuals Jews And Detente books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
