Cadence, 1998 **Baby Boomers and Popular Culture** Brian Cogan, Thom Gencarelli Ph.D., 2014-11-25 The Boomers are the generation that changed everything from economics to politics to popular culture This book examines the myriad ways and long reaching consequences of the now fully grown up Baby Boomer generation on America Once upon a time the members of the Baby Boomer generation were young idealistic and hungry to change the world And they did create sweeping irreversible changes throughout American society but probably not in the ways their younger selves imagined they would Now that the Boomers are in their late adult or retirement years their tremendous legacy can clearly be perceived In retrospect the paths the members of this generation took to come to power and how they came to terms with that power are also apparent This single volume work supplies a broad yet detailed critical guide to the Boomer Generation containing essays on key people moments and phenomena not only during the Boomers 1960s heyday but also their extensive influences on American culture decades afterward The contributors address key topics such as the rise of feminism Civil Rights the Vietnam War and the anti war movement the Beatles the Grateful Dead and rock n roll gay rights idealism narcissism and materialism the influence of television on America and vice versa and the transition of Boomers from being Yuppies to Yuppies This work is an ideal text for students in undergraduate or graduate courses in television studies media studies cultural studies and American studies and is highly appropriate as a supplemental text in literature history and philosophy surveys *Candlelight* Phil Rickman, 2013-09-01 A supernatural thriller exploring the darker side of rural life in a remote Welsh mountain village where primal fears and ancient longings haunt the present day Corpse candles Phantom funerals The bird of death It was insidious For Bethan the schoolteacher the old superstitions woven into the social fabric of her West Wales village are primitive and distasteful which is why she is pleased to welcome the sophisticated newcomers London journalist Giles Freeman and his wife Claire Surely they'll let in some fresh air But the Freemans are keen to absorb this different culture a whole new way of life rejecting the advice of an old colleague who warns them of a hard and bitter land where they've always danced on the edge of the abyss They soon learn that this community hides an ancient bloody and pagan secret one that will haunt them forever *The Blues Encyclopedia* Edward Komara, Peter Lee, 2004-07-01 The Blues Encyclopedia is the first full length authoritative Encyclopedia on the Blues as a musical form While other books have collected biographies of blues performers none have taken a scholarly approach A to Z in format this Encyclopedia covers not only the performers but also musical styles regions record labels and cultural aspects of the blues including race and gender issues Special attention is paid to discographies and bibliographies **The Year's Best Science Fiction: Seventeenth Annual Collection** Gardner R. Copyright Office, 1977 **Conversations at the American Film Institute with the Great Moviemakers** George Stevens, Jr., 2014-01-28 ONE OF THE HOLLYWOOD REPORTER'S 100 GREATEST FILM BOOKS OF

ALL TIME A rich companion volume to George Stevens Jr's much admired book of American Film Institute seminars with the pioneering moviemakers of Hollywood's Golden Age this time with a focus on filmmakers of the 1950s to present day The Next Generation brings together conversations with moviemakers at work from the 1950s during the studios decline to today's Hollywood Directors producers writers actors cinematographers composers film editors and independent filmmakers appear within these pages including Steven Spielberg Nora Ephron George Lucas Sidney Poitier Meryl Streep David Lynch Darren Aronofsky and more We see how the filmmakers of today and those of Hollywood's Golden Age face the same challenges of both art and craft to tell compelling stories on the screen And we see the ways in which actors and directors work together how each director has his or her own approach and how they share techniques and theories **All Music Guide to Soul** Vladimir Bogdanov, 2003-08 With informative biographies essays and music maps this book is the ultimate guide to the best recordings in rhythm and blues 20 charts Soldier from the War Returning Thomas Childers, 2009 One of our most enduring national myths surrounds the men and women who fought in the so called Good War The Greatest Generation we're told by Tom Brokaw and others fought heroically then returned to America happy healthy and well adjusted They quickly and cheerfully went on with the business of rebuilding their lives In this shocking and hauntingly beautiful book historian Thomas Childers shatters that myth He interweaves the intimate story of three families including his own with a decades worth of research to paint an entirely new picture of the war's aftermath Drawing on government documents interviews oral histories and diaries he reveals that 10 000 veterans a month were being diagnosed with psycho neurotic disorder now known as PTSD Alcoholism homelessness and unemployment were rampant leading to a skyrocketing divorce rate Many veterans bounced back but their struggle has been lost in a wave of nostalgia that threatens to undermine a new generation of returning soldiers Novelistic in its telling and impeccably researched Childers's book is a stark reminder that the price of war is unimaginably high The consequences are human not just political and the toll can stretch across generations Musician, 1995
