The Gateway Cynthia Delafield, 2017-08-05 The Gateway tells the story of a beautiful but mysterious house in the mountains It is infested with demons which got in when the original owner committed suicide by diving from the stair landing and smashing in his head on the floor thus opening a gateway to a nether region of evil The Hawthorne family who buy the house from the estate have to learn to live with the demons without breaking any of their rules for fear of death or worse Nell the youngest child learns at an early age about the actual gateway However the little statue of Pan in her mother s garden who may or may not be in league with the demons seems to protect her from their worse depredations Nell grows up and marries Rick an engineer with an oil company They move into the Barn an old carriage house down the hill from the Gateway Eventually over Rick s horrified objections they have to move into the Gateway Because of difficult circumstances after Rick s death Nell finds she has to sell the house that she loves so much The demons wreak their rage and retribution on the hateful man who buys it

The Gateway Arch Tracy Campbell,2019-06-18 This fascinating engaging history of St Louis s monument to American expansion reveals a story of

greed discrimination and community displacement NextSTL.com Rising to a triumphant height of 630 feet the Gateway Arch is one of the world's most widely recognized structures and attracts millions of tourists to St Louis every year Envisioned in 1947 but not completed until the mid 1960s its story is one of innovation and greed civic pride and backroom deals Weaving together social political and cultural perspectives historian Tracy Campbell uncovers the complicated and troubling history of this iconic symbol In this revealing account Campbell shows that the so called Gateway to the West was the scheme of shrewd city leaders who were willing to steal an election destroy historic buildings and drive out communities in order to make downtown St Louis more profitable Campbell also tells the human story of the architect Eero Saarinen whose prize winning design brought him acclaim but also charges of plagiarism and who didn't live to see the completion of his vision
