The Generous Years Remembrances Of A Frontier Boyhood

Clark C. Spence

The Generous Years Remembrances Of A Frontier Boyhood:

the Generous Years ,1968 **Montana: A Bicentennial History (States and the Nation)** Clark C.

Spence,1978-06-17 At three times the size of Pennsylvania with a county bigger than the whole state of Connecticut Montana is a large place once described as bounded on the west by the Japan current on the north by the aurora borealis on the south by Price s Army and on the east by the Day of Judgement Montana has a rich story in which different people have sought both great fortune and modest prosperity How well they succeeded is part of the story told in this engaging history The End of American Childhood Paula S. Fass,2016-05-03

How American childhood and parenting have changed from the nation s founding to the present The End of American Childhood takes a sweeping look at the history of American childhood and parenting from the nation s founding to the present day Renowned historian Paula Fass shows how since the beginning of the American republic independence self definition and individual success have informed Americans attitudes toward children But as parents today hover over every detail of their children s lives are the qualities that once made American childhood special still desired or possible Placing the experiences of children and parents against the backdrop of social political and cultural shifts Fass challenges Americans to reconnect with the beliefs that set the American understanding of childhood apart from the rest of the world Fass examines how freer relationships between American children and parents transformed the national culture altered generational relationships among immigrants helped create a new science of child development and promoted a revolution in modern schooling She looks at the childhoods of icons including Margaret Mead and Ulysses S Grant who as an eleven year old was in charge of his father s fields and explored his rural Ohio countryside Fass also features less well known children like ten year old Rose Cohen who worked in the drudgery of nineteenth century factories Bringing readers into the present Fass argues that current American conditions and policies have made adolescence socially irrelevant and altered children s road to maturity while parental oversight threatens children s competence and initiative Showing how American parenting has been firmly linked to historical changes The End of American Childhood considers what implications this might hold for the nation s future The Station Agent and the American Railroad Experience H.

Roger Grant,2023-01-03 Before the widespread popularity of automobiles buses and trucks freight and passenger trains bound the nation together The Station Agent and the American Railroad Experience explores the role of local frontline workers that kept the country s vast rail network running Virtually every community with a railroad connection had a depot and an agent These men and occasionally women became the official representatives of their companies and were highly respected They met the public when they sold tickets planned travel itineraries and reported freight and express shipments Additionally their first hand knowledge of Morse code made them the most informed in town But as times changed so did the role of and the need for the station agent Beautifully illustrated with dozens of vintage photographs The Station Agent and the American Railroad Experience brings back to life the day to day experience of the station agent and captures the

evolution of railroad operations as technology advanced **Antique Trader Book Collector's Price Guide** Richard Russell, 2006-07-05 This new edition of Antique Trader Book Collector's Price Guide provides readers with the information and values to carve a niche for themselves in a market where rare first editions of Jane Austen's Emma and J K Rowling's Harry Potter and the Philosophers Stone recently sold at auction for 254 610 dollars and 40 355 dollars respectively Organized in 13 categories including Americana banned paranormal and mystery this guide discusses identifying and grading books and provides collectors with details for identifying and assessing books in 8 000 listings *Hattie Big Sky* Kirby Larson, 2008-12-23 NEW YORK TIMES BESTSELLER NEWBERY HONOR AWARD WINNER A classic YA novel about a teenage girl searching for a sense of home and family that celebrates the true spirit of independence on the American frontier For most of her life sixteen year old Hattie Brooks has been shuttled from one distant relative to another Tired of being Hattie Here and There she summons the courage to leave Iowa and move all by herself to Vida Montana to prove up on her late uncle's homestead claim Under the big sky Hattie braves hard weather hard times a cantankerous cow and her own hopeless hand at the cookstove Her quest to make a home is championed by new neighbors Perilee Mueller her German husband and their children For the first time in her life Hattie feels part of a family finding the strength to stand up against Traft Martin's schemes to buy her out and against increasing pressure to be a loyal American at a time when anything or anyone German is suspect Despite daily trials Hattie continues to work her uncle's claim until an unforeseen tragedy causes her to search her soul for the real meaning of home This young pioneer's story is lovingly stitched together from Kirby Larson's own family history and the sights sounds and scents of homesteading life **The Battle for Butte** Michael P. Malone, 2012-04-01 First published in 1981 The Battle for Butte has remained the best treatment of the influence of copper in the political history of Montana Fine history rich in detail full of finely drawn people masterfully clear where the subject matter is most complex constructed to preserve something of the tone and atmosphere of the age American Historical Review

Encyclopedia of Television Horace Newcomb, 2014-02-03 The Encyclopedia of Television second edition is the first major reference work to provide description history analysis and information on more than 1100 subjects related to television in its international context For a full list of entries contributors and more visit the Encyclopedia of Television 2nd edition website

Encyclopedia of American Journalism Stephen L. Vaughn, 2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America's understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism's ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered

include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies **Encyclopedia of the Kennedys**

Joseph M. Siracusa, 2012-09-07 An expansive reference that overviews John F Kennedy's presidency covering the people places and events that comprised the political landscape of the Kennedy era The Kennedy family has played a leading role in the annals of American politics for over 100 years no greater than when John F Kennedy JFK became the 35th president of the United States The celebrity surrounding the circumstances of his presidency particularly his sudden assassination made JFK the object of many enduring myths that he might have been one of the country's greatest leaders had he lived that he would have kept the United States out of Vietnam and that he was a martyr to right wing assassins Encyclopedia of the Kennedys The People and Events That Shaped America is a three volume reference set that provides an in depth look at JFK's presidency including his foreign and domestic policies political allies and enemies and major events and speeches This A Z encyclopedia also contains entries on the events of the 1960s that changed our nation forever such as JFK's assassination and the Warren Commission report the space program and the My Lai Massacre as well as the individuals who defined the time such as writers Norman Mailer and James Baldwin folk musicians Bob Dylan and Joan Baez and activists Cesar Chavez and Martin Luther King Jr Appendices provide a substantial archive of primary documents and identify officeholders during JFK's presidency while an annotated bibliography supplies sources for additional research
