Teresa Maciocha

The Genesis Of A Humanist Manifesto

Wenbin Ji

The Genesis Of A Humanist Manifesto:

The Genesis of a Humanist Manifesto Edwin H. Wilson, 1995 is Edwin H. Wilson's story of how the humanist manifesto of 1933 was shaped how it came to have thirty four prominent endorsements how it was published and ultimately its historical impact Introduction *The Genesis of a Humanist Manifesto, by Edwin H. Wilson, Edited by Teresa Maciocha* Edwin H. Wilson, 1995

The Scientific Spirit of American Humanism Stephen P. Weldon, 2020-10-06 The story of how prominent liberal intellectuals reshaped American religious and secular institutions to promote a more democratic science centered society Winner of the Morris D Forkosch Award for Best Book by the Center for Inquiry Recent polls show that a quarter of Americans claim to have no religious affiliation identifying instead as atheists agnostics or nothing in particular A century ago a small group of American intellectuals who dubbed themselves humanists tread this same path turning to science as a major source of spiritual sustenance In *The Scientific Spirit of American Humanism* Stephen P Weldon tells the fascinating story of this group as it developed over the twentieth century following the fortunes of a few generations of radical ministers academic philosophers and prominent scientists who sought to replace traditional religion with a modern liberal scientific outlook Weldon explores humanism through the networks of friendships and institutional relationships that underlay it from philosophers preaching in synagogues and ministers editing articles of Nobel laureates to magicians invoking the scientific method Examining the development of an increasingly antagonistic engagement between religious conservatives and the secular culture of the academy Weldon explains how this conflict has shaped the discussion of science and religion in American culture He also uncovers a less known but equally influential story about the conflict within humanism itself between two very different visions of science an aspirational democratic outlook held by the followers of John Dewey on the one hand and a skeptical combative view influenced by logical positivism on the other Putting America's distinctive science talk into historical perspective Weldon shows how events such as the Pugwash movement for nuclear disarmament the ongoing evolution controversies the debunking of pseudo science and the selection of scientists and popularizers like Carl Sagan and Isaac Asimov as humanist figureheads all fit a distinctly American ethos Weldon maintains that this secular ethos gained much of its influence by tapping into the idealism found in the American radical religious tradition that includes the deism of Thomas Paine nineteenth century rationalism and free thought Protestant modernism and most important Unitarianism Drawing on archival research interviews and a thorough study of the main humanist publications *The Scientific Spirit of American Humanism* reveals a new level of detail about the personal and institutional forces that have shaped major trends in American secular culture Significantly the book shows why special attention to American liberal religiosity remains critical to a clear understanding of the scientific spirit in American culture

[A Documentary History of Unitarian Universalism, Volume Two](#) Dan McKanan, 2017 A panel of top scholars presents the first comprehensive collection of primary sources from Unitarian Universalist history This critical resource covers the long

histories of Unitarianism Universalism and Unitarian Universalism in the United States and around the world and offers a wealth of sources from the first fifty five years of the Unitarian Universalist Association From Arius and Origen to Peter Morales and Rebecca Parker this two volume anthology features leaders thinkers and ordinary participants in the ever changing tradition of liberal religion Each volume contains more than a hundred distinct selections with scholarly introductions by leading experts in Unitarian Universalist history The selections include sermons theologies denominational statements hymns autobiographies and manifestos with special attention to class cultural gender and sexual diversity Primary sources are the building blocks of history and A Documentary History of Unitarian Universalism presents the sources we need for understanding this denomination s past and for shaping its future *Encyclopedia of Christianity in the United States* George Thomas Kurian,Mark A. Lamport,2016-11-10 From the Founding Fathers through the present Christianity has exercised powerful influence in the United States from its role in shaping politics and social institutions to its hand in inspiring art and culture The Encyclopedia of Christianity in the United States outlines the myriad roles Christianity has played and continues to play This masterful five volume reference work includes biographies of major figures in the Christian church in the United States influential religious documents and Supreme Court decisions and information on theology and theologians denominations faith based organizations immigration art from decorative arts and film to music and literature evangelism and crusades the significant role of women racial issues civil religion and more The first volume opens with introductory essays that provide snapshots of Christianity in the U S from pre colonial times to the present as well as a statistical profile and a timeline of key dates and events Entries are organized from A to Z The final volume closes with essays exploring impressions of Christianity in the United States from other faiths and other parts of the world as well as a select yet comprehensive bibliography Appendices help readers locate entries by thematic section and author and a comprehensive index further aids navigation [Applied Humanism](#) Jennifer Hancock,2019-05-29 This book provides a short introduction to the philosophy of humanism and discusses how and why it is being applied to business and why it is so effective when you do so You can t understand humanistic business management unless you understand what humanism is This book provides a short introduction to the philosophy of humanism and discusses how and why it is being applied to business and why it is so effective when you do so Humanism helps us prioritize human value as important It supports positive interpersonal relationships and collaborative and respectful decision making Since all businesses are in the business of solving problems good problem solving is essential to good business Humanism has already transformed many other disciplines including psychology medicine nursing and more Additionally humanism is foundational to the practice of human resources without which businesses cannot operate It is important for business managers to understand the philosophy fully so they can understand how to not only manage people more effectively but how to operate their businesses in a way that helps the communities in which they operate This book will provide the primer they need to create more effective and ethical

businesses **The Secular Paradox** Joseph Blankholm, 2022-06-07 Choice Outstanding Academic Title 2023 A radically new way of understanding secularism which explains why being secular can seem so strangely religious For much of America's rapidly growing secular population religion is an inescapable source of skepticism and discomfort It shows up in politics and in holidays but also in common events like weddings and funerals In *The Secular Paradox* Joseph Blankholm argues that despite their desire to avoid religion nonbelievers often seem religious because Christianity influences the culture around them so deeply Relying on several years of ethnographic research among secular activists and organized nonbelievers in the United States the volume explores how very secular people are ambivalent toward belief community ritual conversion and tradition As they try to embrace what they share secular people encounter again and again that they are becoming too religious And as they reject religion they feel they have lost too much Trying to strike the right balance secular people alternate between the two sides of their ambiguous condition absolutely not religious and part of a religion like secular tradition Blankholm relies heavily on the voices of women and people of color to understand what it means to live with the secular paradox The struggles of secular misfits the people who mis fit normative secularism in the United States show that becoming secular means rejecting parts of life that resemble Christianity and embracing a European tradition that emphasizes reason and avoids emotion Women people of color and secular people who have left non Christian religions work against the limits and contradictions of secularism to create new ways of being secular that are transforming the American religious landscape They are pioneering the most interesting and important forms of secular religiosity in America today

Atheism and Agnosticism Peter A. Huff, 2021-09-01 An overview essay and approximately 50 alphabetically arranged reference entries explore the background and significance of atheism and agnosticism in modern society This is the age of atheism and agnosticism The number of people living without religious belief and practice is quickly and dramatically rising Some experts call nonreligion after Christianity and Islam the third largest religion in the world today Understanding the origins history variations and impact of atheism and agnosticism is crucial to getting a grasp of the meaning of the present and gaining a glimpse of the future Exploring some of the most extraordinary people events and ideas of all time this book provides a fair comprehensive and engaging survey of all aspects of contemporary atheism and agnosticism An overview essay discusses the background and social and political contexts of unbelief while a timeline highlights key events Some 50 alphabetically arranged reference entries follow with each providing fundamental objective information about particular topics along with cross references and suggestions for further reading The volume closes with an annotated bibliography of the most important resources on atheism and agnosticism *The Best of the Humanist* Charles Murn, 2018-05-30 Humanism is the progressive philosophy of life that without supernaturalism affirms our ability and responsibility to lead ethical lives of personal fulfillment that aspire to the greater good of humanity For the past ninety years *The Humanist Magazine* and its predecessor *The New Humanist* have published the most profound and provocative humanist writing in America This volume

focuses on the first forty five years of the magazine from 1928 to 1973 and on the philosophical discussion that formed its heart The work of thinkers as accomplished as Buckminster Fuller Corliss Lamont B F Skinner Frank Lloyd Wright Lucile Green and Isaac Asimov is included along with that of many others Editor Charles Murn has organized the essays into eleven chapters providing an overview of the evolution of humanist thinking in each area CHAPTER 1 Some Essentials of Humanist Philosophy CHAPTER 2 Types of Humanism CHAPTER 3 The Source and Nature of Humanist Values CHAPTER 4 Scientific Method and Scientific Knowledge in Humanist Philosophy CHAPTER 5 Humanism Explores the Unknown and Defines the Uncertain CHAPTER 6 Religious Humanism as Nontheistic Naturalistic and Instrumental CHAPTER 7 The Roles of Emotion and Spirituality in Humanism CHAPTER 8 Working Out Humanist Morals and Ethics CHAPTER 9 Humanistic Psychology and Freedom CHAPTER 10 Humanism Science and the Arts and Humanities CHAPTER 11 Humanism Comes to Value Other Life Forms and Nature

E.A. Burtt, Historian and Philosopher D. Villemaire, 2013-04-17 Burtt's book *The Metaphysical Foundations of Modern Physical Science* is something of a puzzle within the context of twentieth century intellectual history especially American intellectual history Burtt's pioneering study of the scientific revolution has proved to prophetic in its rejection of both scientism and positivism Published in 1924 Burtt's book continues to be read in educated circles and remains both the rose and the thorn on university reading lists raising skeptical questions about science methods and science knowledge just as it did seventy five years ago This book examines Burtt's public academic and personal life From his politics of conscience after World War I on through the Cold War Burtt is shown to be a man of unparalleled integrity whose relentless search for philosophic understanding drove his more quixotic philosophical quests and steered his personal life including its tragic dimension toward simple virtue The many who have been affected by *The Metaphysical Foundations* will be especially interested in this new perspective on the life and thought of its author Those who have not read Burtt's books might be inspired to study this unusual American thinker

Decoding **The Genesis Of A Humanist Manifesto**: Revealing the Captivating Potential of Verbal Expression

Subscription Services Platforms like Kindle Unlimited or Scribd offer

subscription-based access to a wide range of The Genesis Of A Humanist Manifesto eBooks, including some popular titles.

FAQs About The Genesis Of A Humanist Manifesto Books

What is a The Genesis Of A Humanist Manifesto PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a The Genesis Of A Humanist Manifesto PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a The Genesis Of A Humanist Manifesto PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a The Genesis Of A Humanist Manifesto PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a The Genesis Of A Humanist Manifesto PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
