The Girls Of Summer:

The Girls of Summer Katie Bishop, 2023-06-06 Named a Best Book of Summer 2023 by New York Post and Katie Couric.com A lyrical emotional novel Reminiscent of HBO's hit *The White Lotus* Bishop's tale will draw readers in with its realistic descriptions of the island. The obvious read alike is *My Dark Vanessa* and the plot driven tension will appeal to fans of psychological suspense. Booklist starred review Rachel has been in love with Alistair for fifteen years. Even though she's now married to someone else. Even though she was a teenager when they met. Even though he is twenty years older than her. Rachel and Alistair's summer love affair on a remote sun trapped Greek island has consumed her since she was seventeen, obliterating everything in its wake. But as Rachel becomes increasingly obsessed with reliving the events of so long ago, she reconnects with the other girls who were similarly drawn to life on the island where the nights were long, the alcohol was free flowing, and everyone acted in ways they never would at home. And as she does so, dark and deeply suppressed secrets about her first love affair begin to rise to the surface, as well as the truth about her time working for an enigmatic and wealthy man who controlled so much more than she could have ever realized. Joining a post MeToo discourse, *The Girls of Summer* grapples with themes of power, sex, and consent, as it explores the complicated nature of memory and trauma, and what it takes to reframe and reclaim your own story.

Girls of Summer Barbara Bretton, 2003 Dr. Ellen Markowitz, recovering from a broken heart, learns the true meaning of love, family, and hope when her wayward sister Dierdre arrives along with a broken-down car, a harp, and a huge dog named Stanley in need of a place to stay during the summer while she searches for Mr. Right.

Original Connecticut's Girls of Summer Anthony J. Renzoni, 2023-06-19 Connecticut has a long history of producing outstanding sports teams and athletes. Two of the greatest teams to come out of the state are the legendary Brakettes and Falcons, women's fast pitch softball teams. In their seventy-six year history, the Brakettes are considered the most successful and longest running organized women's sports franchise of all time. With forty national championships, three world championships, and eleven Olympians, their dynasty remains synonymous with softball excellence. Likewise, the Connecticut Falcons were the most dominant team of the Women's Professional Softball League, winning the championship title all four years of the WPS existence. The most famous and iconic product of these two teams has been Waterbury's legendary Joan Joyce, who is considered by many experts to be the greatest female athlete in sports history. Join author Tony Renzoni as he interviews former players and highlights the accomplishments of these two renowned teams and their legendary athletes.
