The God Who Is There

Jim Greene

The God Who Is There:

The God Who Is There Francis A. Schaeffer, 2020-02-18 For over fifty years *The God Who Is There* has been a landmark work that has changed the way the church sees the world Arguing that Christians must constantly engage the questions being asked by their own and the next generation Francis Schaeffer envisions an apologetics and spirituality both grounded in absolute truth and engaging the whole of reality

The God Who Is There D. A. Carson, 2010-07-01 It can no longer be assumed that most people or even most Christians have a basic understanding of the Bible Many don't know the difference between the Old and New Testament and even the more well known biblical figures are often misunderstood It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption In this basic introduction to faith D A Carson takes seekers new Christians and small groups through the big story of Scripture He helps readers to know what they believe and why they believe it The companion leader's guide helps evangelistic study groups small groups and Sunday school classes make the best use of this book in group settings

The God Who Is with Us Benjamin H. Kim, 2022-10-21 Contemporary theologies of mission rely on the central concept of the *missio Dei* which states that mission properly belongs to the triune God over the church However present accounts fail to establish any corresponding link between God's trinitarian economy and ontology In other words the problem of the *missio Dei* is the problem of the break between the act and being of God Benjamin H Kim argues that a repair is needed for *missio Dei* theology and this repair is found in reexamining Barth's doctrine of revelation In doing so the locus of mission moves from God's trinitarian sending to his trinitarian revealing The repair is further advanced by Dietrich Bonhoeffer through his concept of person which functions as the unity of act and being This account returns mission to its original definition which was intended to describe the inner trinitarian being of God in relation to humanity The concept of person recovers this meaning of mission by locating it first in the person of Christ and second in the collective person of the church existing as the Christ community Thus Bonhoeffer's description of revelation in terms of personhood provides an account that is more faithful to the *missio Dei*'s core insights

Discovering the God Who Is R. C. Sproul, 2008-02-01 The minister gently guided my mother away from the grave to a waiting car I moved behind them in a grim stupor I was confused I was hurt I was angry One question pierced my soul Who are you God And why do you do the things you do Thus began R C Sproul's search for ultimate truth and a personal encounter with the living God In *Discovering the God Who Is* readers will journey with Sproul to discover for themselves the magnificence of God's character and being his power and personality Sproul asks the questions many of us wonder about God Is the Bible the Word of God What is righteousness What is the difference between a moral and a legal right How does God create something from nothing Does God change his mind Sproul communicates deep truths in a fresh and easy to understand style Join R C Sproul as he shares his passion for God and excites the reader to dig deep and know the God who is alive who is real who relates to each one of us in our lives

The

God Who is I Am Jim Greene, 2015-01-06 In the beginning God Created the Heavens and the Earth and when complete He created Adam and Eve In this short book you will learn about God the Creator Man the Created God s Plan for Man and much more including Hermeneutical Basics Before the Beginning and Beyond Systematic Theology for everyday people The God Who Is with Us Ronnie Martin, 2022-10-18 The God Who Is with Us takes readers through a twenty five day Advent journey Daily reflections on gospel truths drawn from Scripture will stir the imagination of the season while also reminding readers that God never abandons his people but is present with them even in their most difficult seasons Complete with beautiful unique thought provoking illustrations and space for daily journaling and reflection The God Who Is with Us provides readers with a meaningful keepsake to prepare them for the challenges of the New Year in light of the beauty of Advent This beautiful contemplative book will be a staple for many individuals and families around Christmastime for years to come *Finding the God Who Is Finding Me* Richard G. Starshak, 2025-01-06 Can it be that you and I can somehow find God Can all our searching Him out and seeking His presence actually bring us to the point that we can actually declare that we have found God And does this mean that God was somehow lost Or was it me Who actually finds who When you are ready to put into action what your heart has been telling you for some time that there is a God that He can be sought out and found then these words are meant for you You may also be surprised at what you read as to who really is finding who For the God you find may be the one who has already found you Get ready to enter into the most important search you ll ever make and the surprises you might find along the way **The God Who is Real** Richard Haverkamp, 2017-09-11 Humorous and conversational while at the same time theological and practical The God Who Is Real poignantly addresses the most compelling question of human history Does a personal caring God exist The author answers this through a series of stories or episodes which taken together form an autobiography that testifies to the reality of a sovereign God who desires an intimate loving relationship with His creation The Lord s care and miraculous provision are chronicled throughout the author s life from his conversion as a young man throughout his life as a preacher and missionary to his return to Canada in 2009 The book is marked by honesty and transparency Readers witness the spiritual highs of ministry and a close walk with the Saviour along with the lows of everyday life A born again experience does not shelter a believer from illness heartache or challenges a truth gently woven throughout the pages of this manuscript *The God Who Is Beauty* Brendon Thomas Sammon, 2014-09-25 In the beginning was beauty and beauty was with God and beauty was God If the tradition of divine names that in its Christian form originates with Dionysius the Areopagite and includes among its ranks Albert the Great Thomas Aquinas and others is correct in identifying God with the name beauty then repurposing the Prologue to John s Gospel in this way seems hardly controversial For if beauty is a divine name then not only is it fitting to say God is beautiful but it is equally fitting to say that God is beauty itself However like most arguments from fittingness that is to say arguments whose veracity derives from the congruency proportion or harmony between the various elements of a proposition or idea

rather than from some categorically higher or univocally determinate logical necessity the simplicity of its utterance stands in stark contrast to the complexity of its intelligible content It is the aim of the present work is to explore what it means to say that beauty is a divine name **The God Who Justifies** James R. White, 2007-05-01 A Comprehensive Study of the Doctrine of Justification The history of the Christian church pivots on the doctrine of justification by faith Once the core of the Reformation the church today often ignores or misunderstands this foundational doctrine Theologian James White calls believers to a fresh appreciation of understand of and dedication to the great doctrine of justification and then provides an exegesis of the key Scripture texts on this theme
