The Gulf War How It Hit Home:

The Gulf War Betty Ash,2000-12 Needless Deaths in the Gulf War ,1991 Based on interviews conducted during the war with those who fled bombing as well as subsequent research and analysis this challenges the report of allied commanders that they took every feasible step to avoid civilian death and injury It also examines Iraqi attacks on Israel and Saudi Arabia Slow Violence and the Environmentalism of the Poor Rob Nixon,2011-06-14 Groundbreaking in its call to reconsider our approach to the slow rhythm of time in the very concrete realms of environmental health and social justice World Literature Today The violence wrought by climate change toxic drift deforestation oil spills and the environmental aftermath of war takes place gradually and often invisibly Using the innovative concept of slow violence to describe these threats Rob Nixon focuses on the inattention we have paid to the attritional lethality of many environmental crises in contrast with the sensational spectacle driven messaging that impels public activism today Slow violence because it is so readily ignored by a hard charging capitalism exacerbates the vulnerability of ecosystems and of people who are poor disempowered and often involuntarily displaced while fueling social conflicts that arise from desperation as life sustaining conditions erode In a book of extraordinary scope Nixon examines a cluster of writer activists affiliated with the environmentalism of the poor in the global South By approaching environmental justice literature from this transnational perspective he exposes the limitations of the national and local frames that dominate environmental writing And by skillfully illuminating the strategies these writer activists deploy to give dramatic visibility to environmental emergencies Nixon invites his readers to engage with some of the most pressing challenges of our time Public Papers of the Presidents of the United States: George Bush, 1991 Bush, George,1992-01-01 Public Papers of the Presidents of the United States Public Papers of the Presidents of the United States United States. President,1992 Containing the public messages speeches and statements of the President 1956 1992 Bugsplat Bruce Cronin,2018-03-07 Why do states who are committed to the principle of civilian immunity and the protection of non combatants end up killing and injuring large numbers of civilians during their military operations Bugsplat explains this paradox through an in depth examination of five conflicts fought by Western powers since 1989 *George Bush* United States. President (1989-1993 : Bush),1992 Project Day Lily Garth L. Nicolson Ph.D.,Nancy L. N,2005-09-01 The Project Day Lily story chronicles the events surrounding what the public knows as Gulf War Syndrome To this day the public perception of that tragedy is very limited but now there are over 150 000 veterans of that conflict that suffer from chronic illnesses and tens of thousands have died without acknowledgment or proper assistance to keep secret the origin of their illnesses Project Day Lily tells the story of the discovery that men and women of our Armed Forces were actually exposed to chemical and biological mixtures from missiles and sprayers during the Gulf War that were supplied in part by a sinister network using a group of rogue bureaucrats intelligence operatives and scientists They were also exposed to contaminants in the multiple vaccines given during deployment Project Day Lily presents the story of how one of these

biological agents was found by two American scientists in veterans of the Gulf War and in civilians as part of a massive testing program and how various academic and governmental employees did everything in their power to prevent this information from being released to the American public Weekly Compilation of Presidential Documents ,1991 Peace at What Price? Sarah E. Croco,2015-03-26 Peace at What Price explains why some leaders voluntarily stay in wartime quagmires by introducing the theoretical concept of leader culpability Sarah E Croco includes analyses on wars from 1816 to 2007 several case illustrations and a discussion of the American experience in the wars in Iraq and Afghanistan
