Poetic Encounters in the Americas Peter Ramos, 2019-10-08 Poetic Encounters in the Americas Remarkable Bridge examines the ways in which U S and Latin American modernist canons have been in cross cultural mutually enabling conversation especially through the act of literary translation Examining eighteen U S and Latin American poets my book is one of the few works of criticism to present case studies in U S and Latin American poetries in dialogues that highlight the social life and imaginative encounters obtained through methodologies of translation and innovations in poetic technique America Unbound Antonio Barrenechea, 2016-11-15 This original contribution to hemispheric American literary studies comprises readings of three important novels from Mexico Canada and the United States Carlos Fuentes's Terra Nostra Quebecois writer Jacques Poulin's Volkswagen Blues and Native American writer Leslie Marmon Silko's Almanac of the Dead The encyclopedic novel has particular generic characteristics that serve these writers as a vehicle for the reincorporation of hemispheric histories Starting with an examination of Moby Dick as precursor

Barrenechea shows how this narrative genre allows Fuentes Poulin and Silko to reflect the interconnected world of today as well as to dramatize indigenous and colonial values in their narratives His close attention to written documents visual representations and oral traditions in these encyclopedic novels sheds light on their comparative cultural relations and the New World from pole to pole This study amplifies the scope of America across cultures and languages time and tradition
