The Minority Presence In American Literature 1600-1900 A Reader And Course Guide Volume I:

The Minority Presence in American Literature, 1600-1900 Philip Butcher, 1977 *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1979 Richard Wright Kenneth Kinnamon, 2014-11-04 African American writer Richard Wright 1908-1960 was celebrated during the early 1940s for his searing autobiography *Black Boy* and fiction *Native Son*. By 1947 he felt so unwelcome in his homeland that he exiled himself and his family in Paris. But his writings changed American culture forever and today they are mainstays of literature and composition classes. He and his works are also the subjects of numerous critical essays and commentaries by contemporary writers. This volume presents a comprehensive annotated bibliography of those essays, books, and articles from 1983 through 2003. Arranged alphabetically by author, within years are some 8320 entries ranging from unpublished dissertations to book-length studies of African American literature and literary criticism. Also included as an appendix are addenda to the author's earlier bibliography covering the years from 1934 through 1982. This is the exhaustive reference for serious students of Richard Wright and his critics. *Subject to Others (Routledge Revivals)* Moira Ferguson, 2014-08-01 First published in 1992, *Subject to Others* considers the intersection between late seventeenth to early nineteenth century British female writers and the colonial debate surrounding slavery and abolition. Beginning with an overview that sets the discussion in context, Moira Ferguson then chronicles writings by Anglo-Saxon women and one African Caribbean ex-slave woman from between 1670 and 1834 on the abolition of the slave trade and the emancipation of slaves. Through studying the writings of around thirty women in total, Ferguson concludes that white British women, as a result of their class position, religious affiliation, and evolving conceptions of sexual difference, constructed a colonial discourse about Africans in general and slaves in particular. Crucially, the feminist propensity to align with anti-slavery activism helped to secure the political self-liberation of white British women. A fascinating and detailed text, this volume will be of particular interest to undergraduate students researching colonial British female writers, early feminist discourse, and the anti-slavery debate. **The Making of Sacagawea** Donna J. Kessler, Donna Barbie Kessler, 1998-04-13 Kessler supplies both the biography of a legend and an explanation of why that legend has endured. Sacagawea is one of the most renowned figures of the American West. A member of the Shoshone tribe, she was captured by the Hidatsas as a child and eventually became one of the wives of a French fur trader, Toussaint Charbonneau. In 1805, Charbonneau joined Lewis and Clark as the expedition's interpreter. Sacagawea was the only woman to participate in this important mission, and some claim that she served as a guide when the expedition reached the upper Missouri River and the mountainous region. Although much has been written about the historical importance of Sacagawea in connection with the expedition, no one has explored why her story has endured so successfully in Euro-American culture. In an examination of representative texts, including histories, works of fiction, plays, films, and the visual arts from 1805 to the present, Kessler charts the evolution and transformation of the legend over two centuries and demonstrates that Sacagawea has persisted as

a Euro American legend because her story exemplified critical elements of America's foundation myths especially the concept of manifest destiny Kessler also shows how the Sacagawea legend was flexible within its mythic framework and was used to address cultural issues specific to different time periods including suffrage for women taboos against miscegenation and modern feminism Explorations in Sights and Sounds, 1988 *Studies in the American Renaissance* Joel Myerson, 1978
