Basil Pennington, 1990 *A Rhythm of Life* Victor-Antoine D'Avila-Latourrette, 2012 From the origins of Benedictine tradition to our everyday lives A Rhythm of Life The Monastic Way traces and reflects upon a way of life that is both simple and inspiring Brother Victor Antoine highlights the many traditions both daily and yearly that bring us back to a prayerful life that often escapes us in our busy day to day lives The wisdom of the monastic life inspired by St Benedict inspires us to apply those traditions and values as we are guided by reflection through the varying seasons Hardcover View sample pages **Come and See** Brendan Freeman, 2010-04-01 Come and See is a look inside the mind of a monk The Vision of monastic life proposed here is not new it is a Vision going back to the Desert Fathers of the fourth century And yet it is new because it is rooted in a place in the soul that never grows old Come and see where I live Jesus said to the disciples who were following him He could just as well have said come and see where you live where your real life is being lived Monastic spirituality is not some esoteric or Gnostic way of perceiving reality or understanding life It is a treasure hidden in the field of your own heart it is a universal spirituality that is the common inheritance of every human being it is a search for God From the atheist to the saint there is in the heart of all creatures a desire for ultimate meaning a desire for God In this sense everyone has the heart of a monk As you read this book you will meet some of the great themes of monastic life silence solitude community life prayer You will also be helped to find your most authentic self the self Thomas Merton spoke of when he said at the center of our being is a point of nothingness a point of pure truth Nothingness emptiness absence are important aspects of our spiritual journey There is a subtheme running through ancient monasticism that conceives of the monastery as a hospital a place for healing the soul the spirit the heart The place of the heart is highlighted in these conferences and homilies as an ancient theme so relevant to the modern person *The Glory of Monastic Life* Swami Bhajanananda, This book discusses the traditional modes of monasticism and compares them with the modern monastic way

Monastic Perspectives on Temporality Riitta Hujanen,2023-08-07 In this book Riitta Hujanen explores temporality in the context of Catholic enclosed contemplative traditions It investigates based on literature and other sources what enclosed contemplatives might say about temporality through their monastic journeys What makes a young person decide to dedicate their life inside a cloister Do contemplatives have a preference for eternity over temporal time How does the enclosed contemplative life impact one's concept of time How is time perceived towards the end of one's monastic journey What is seen when looking back to the years in the enclosed contemplative life What is experienced at the hour of death The answers to these questions illustrate a paradoxical dynamic in monastic journeys that cover a broad historical scope from the earliest monastic writers to contemporary sources

The Making of the Monastic Community of Fulda, c.744-c.900 Janneke Raaijmakers,2012-03-01 The monastic community of Fulda was one of the most powerful institutions in early medieval Europe This book traces the development of the community from its foundation in the 740s over one and a half centuries a period richly documented by a variety of texts and archaeological remains These sources reveal how Fulda's success forced the monks to rethink their goals and the ways in which they sought to achieve them Its close connection to the Carolingian royal court also makes Fulda a fascinating case study of how local events influenced life in the palace and vice versa The importance of Fulda and the rich array of sources associated with it have long been recognised but this is the first full study bringing together theology architectural history and archaeology The result is a vivid picture of life in this monastery and also in early medieval religious communities in general
