Networks 1815-1918 Karina Urbach, 2008-12-18 Whenever the British Press wants to attack the Royal Family they make a jibe about their foreign roots The Royals as they say are simply a posh version of German invaders But did German relatives really influence decisions made by any British monarchs or are they just an imagined community invented by journalists and historians The Royal Archives at Windsor gave the authors among others John R. H. Doyen of 19th century monarchical history open access to Royal correspondences with six German houses Hanover Prussia Mecklenburg Coburg Hesse and Battenberg

Queen Victoria's Favourite Granddaughter Ilana D Miller, 2024-11-30 In the Fall of 1947 an eighty four year old woman receives an extraordinary invitation Though much that happened was a lifetime ago and in a different world Princess Victoria of Hesse and by Rhine now the Dowager Marchioness of Milford Haven holds the heavy vellum envelop for a moment in her hands Within is the end of a long journey seeking vindication for a husband who gave his life to the service of the Royal Navy and received in return ingratitude Within is the reminder of a life lived with her family that is mostly gone However for one exquisite moment it returns as she opens the envelope The Lord Chamberlain is commanded by Their Majesties to invite The Dowager Marchioness of Milford Haven to the Ceremony of the Marriage of Her Royal Highness The Princess Elizabeth with Lieutenant Philip Mountbatten Royal Navy in Westminster Abbey on Thursday 20th November 1947 at 11 30 o'clock a.m. Thus begins the story of Princess Victoria of Hesse and by Rhine Victoria the eldest daughter of Princess Alice and Prince Ludwig of Hesse was born in April 1863 One of the envied grandchildren of Queen Victoria she was related to most of the Royal Families of Europe a member of the fabled Royal Mob The obstacles that characterized Victoria's life began with her

mother's untimely death Queen Victoria helped her granddaughter shoulder the responsibilities of caring for the motherless family writing letters of advice and guidance a correspondence lasting some thirty years In April 1884 Victoria married the dashing Prince Louis of Battenberg an officer in the Royal Navy who eventually became Britain's First Sea Lord Their daughter Alice was the future mother of Prince Philip and their youngest child another Louis was Viceroy of India On the eve of World War I Prince Louis of Battenberg was forced to resign because of his German surname which he later changed to Mountbatten Victoria's sister Alix who had taken the name Alexandra when she married Tsar Nicholas II of Russia and her entire family was murdered in 1918 Progressive and intelligent Victoria was the lynchpin of her family Through cataclysms both familial and historical travelling from pre revolutionary Russia to the British Mandate of Palestine Victoria's life was as exciting as it was triumphant

Adrift on a Sea of Lies ,2019-09-26 How would you feel if you were told that everything you thought you knew was a lie Humanity has been living with amnesia since the dawn of civilization Mankind has believed that authority provides the truth rather than truth provides the authority This book is an attempt to find the truth of our past and the real history of our civilization why it has been hidden away from us and by whom It is our story with a different theory of the beginning of the universe to the coming totalitarian society of today It follows our history from the cataclysm in our solar system and on Earth in 10 900 BCE through the formation of all religions mystery schools and secret societies that still exist today Because there are too many dots to connect it instead follows a thread of greed power and control through all the world's major events wars assassinations fake terrorism fake news and false flag events such as 9 11 and the London tube bombings It reveals our actual history and attempts to provide evidence that demonstrates that this is not a conspiracy theory but a reality In the West the authorities want to keep us occupied and non thinking with reality television shows televised sports sixty hour work weeks alcohol and drug abuse texting on our iPhones believing in the lies or partial lies they want us to believe in and leave the thinking to them Religious institutions the educational system the justice system the economic system the media and even secret societies have been infiltrated and usurped by these individuals and others with the same philosophy at mankind's expense These individuals have no empathy and no concern for the human condition They seek only one thing and that is power the power to control To them power is more than an addiction but a right Knowledge is the form of their initial power They use that to gain economic power control and influence and then infiltrate all levels of society until they infect the entire planet Their religion is

worshipping the self and their ego and they believe that their unique ego is their divine spark Their motto is Do as thou wilt Who are these individuals Why and how have they managed to do this over the past 12 000 years Is there anything we can do that might reverse this during the next 12 000 years Can we ensure this doesn't happen again during the next cycle of our Earth or will it repeat again and again with only minor changes These are the questions that I hope to if not answer give at least some direction where we can find some hope to recapture our civilization

The Queen Catherine Ryan, 2018-01-16 Her Royal Highness Queen Elizabeth II has reigned for 64 years longer than any British monarch in history During that time the Queen has endured the ups and downs that long life will bring She was a beacon of hope during and after the Second World War in difficult times when the world faced a precarious future and she has served as a role model for generations of men and women who continue to be in awe of her commitment to service sacrifice and the Commonwealth of nations over which she rules The abdication of her uncle Edward VIII in 1936 turned her family's world upside down When her father was crowned King George VI Elizabeth was thrust into the eye of the storm as a future queen A shy and reserved child she grew into a wise and insightful monarch who has dealt ably with nine British Prime Ministers during her long reign from Winston Churchill to Theresa May It was of course not always straightforward and the Queen has found herself in hot water several times most notably during the marriage of Prince Charles and Diana Princess of Wales When Diana was tragically killed in a car crash the standing of the Royal Family was probably at its lowest ebb It is unlikely that we will ever see a monarch reign so long or so effectively again holding together a disparate group of nations each with its own aspirations customs and traditions Catherine Ryan has written an intriguing biography of one of the most famous women of modern times who at 91 years old still seems fit and healthy and looks very unlikely to hand over the reins to her successors any time soon

Royal Sisters Anne Edwards, 2017-02-01 In Royal Sisters Anne Edwards author of the best selling Vivien Leigh A Biography and Matriarch Queen Mary and the House of Windsor has written the first dual biography of Elizabeth the princess who was to become Queen and her younger sister Margaret who was to be her subject From birth to maturity they were the stuff of which dreams are made I'm three and you're four the future Queen then a child imperiously informed her sister The younger girl not understanding this reference to their position in the succession proudly countered No you're not I'm three you're seven The royal sisters had no choice in their historic positions but behind the palace gates and within the all too human confines of their personalities they displayed tremendous individuality and suffered the usual symptoms of sibling rivalry Royal Sisters provides an unprecedented and intimate portrait of these most famous siblings during their formative and dramatic youthful years It is also one of the twentieth century's most fascinating stories of sisterly loyalty Edwards's book is an honest look at how the royal sisters feel toward each other their parents their close relations and the men whom they have loved It openly discusses with new insights and information the romance of Elizabeth and Philip and the tragic aborted love affair between Margaret and Group Captain Peter Townsend and it has a cast of characters ranging from the youthful sisters

suitors to Winston Churchill and the entire Royal Family It is also the story of the making of a queen of the high drama of her situation in the Townsend affair of the real effect their uncle s abdication had on the sisters lives and of the internecine feuds that have brewed within the Royal Family since that time Brought vividly to life through the many personal interviews of close royal associates filled with new facts previously unpublished anecdotes and photographs Royal Sisters is a never before glimpsed look at the relationship of the Queen and Princess Margaret
